Romany Girl:

The Gypsy Girl Val Wood,2010-12-15 Would she ever find somewhere she truly belonged __ When Polly Anna s mother died when she was just three years old it seemed the workhouse was the only place for her to go But with the help of Jonty a young misfit who soon became her best friend she managed to escape running away with the fairground folk Her friends became the circus people and her home the caravans and travellers tents Meanwhile in a great house in Yorkshire old Mrs Winthrop has never given up hope of finding her daughter Madeleine who eloped with a handsome gypsy and was never seen again When her young neighbour sets out to find Madeleine he discovers the colourful world of the fairs And there in the midst of it all Polly Anna once the waif from the workhouse now a fully fledged gypsy girl If you enjoy books by Katie Flynn and Dilly Court you ll love Val s heartwarming stories of triumph over adversity Previously published as *The Romany Girl* __ What readers are saying Another great story from Val Wood she always has me gripped throughout the book A real page turner loved how she describes the different ways of life from the workhouse to the fair grounds Amazing I loved this book It was sad at times and kept me wanting to read more I felt such compassion and I held my breath *The Romany Girl* Valerie Wood,2009 When Polly Anna s mother died when she was just three years old it seemed the workhouse was the only place for her to go But with the help of Jonty a young misfit who soon became her best friend she managed to escape running away with the fairground folk She became a horserider and acrobat travelling all around the country Her friends became the circus people and her home the caravans and travellers tents Meanwhile in a great house in Yorkshire old Mrs Winthrop has never given up hope of finding her daughter Madeleine who eloped with a handsome gypsy and was never seen again When her young neighbour sets out to find Madeleine he discovers the colourful world of the fairs And there in the midst of it all Polly Anna once the waif from the workhouse now a fully fledged gypsy girl Previously published as *The Romany Girl* *The Dialect of the English Gypsies* Bath C. Smart, Henry Thomas Crofton, 1875 **The Dialect of the English Gypsies** Bath Charles Smart, Henry Thomas Crofton, 1875 **Notes and Queries** ,1899 **Nan of the Gypsies** Grace May North,2023-10-23 *Nan of the Gypsies* by Grace May North is a captivating tale that delves deep into the life and adventures of Nan a spirited gypsy girl North s vivid storytelling combined with rich cultural insights and character development offers readers a mesmerizing journey into the world of gypsies filled with mystery romance and adventure **Gypsies and the British Imagination, 1807-1930** Deborah Epstein Nord,2008-11-28 *Gypsies and the British Imagination 1807 1930* is the first book to explore fully the British obsession with Gypsies throughout the nineteenth century and into the twentieth Deborah Epstein Nord traces various representations of Gypsies in the works of such well known British authors John Clare Walter Scott William Wordsworth George Eliot Arthur Conan Doyle and D H Lawrence Nord also exhumes lesser known literary ethnographic and historical texts exploring the fascinating histories of nomadic writer George Borrow the Gypsy Lore Society Dora Yates and other rarely examined figures and institutions Gypsies were both idealized and reviled by Victorian

and early twentieth century Britons Associated with primitive desires lawlessness cunning and sexual excess Gypsies were also objects of antiquarian literary and anthropological interest As Nord demonstrates British writers and artists drew on Gypsy characters and plots to redefine and reconstruct cultural and racial difference national and personal identity and the individual's relationship to social and sexual orthodoxies Gypsies were long associated with pastoral conventions and in the nineteenth century came to stand in for the ancient British past Using myths of switched babies Gypsy kidnappings and the Gypsies murky origins authors projected onto Gypsies their own desires to escape convention and their anxieties about the ambiguities of identity The literary representations that Nord examines have their roots in the interplay between the notion of Gypsies as a separate often despised race and the psychic or aesthetic desire to dissolve the boundary between English and Gypsy worlds By the beginning of the twentieth century she argues romantic identification with Gypsies had hardened into caricature a phenomenon reflected in D H Lawrence's *The Virgin and the Gypsy* and thoroughly obscured the reality of Gypsy life and history

Europe and the Roma Klaus-Michael Bogdal, 2023-07-27 A magisterial contribution to the understanding of the cultural position of Romani people in Europe nothing short of astounding Literary Review This remarkable book describes a dark side of European history the rejection of the Roma from their initial arrival in the late Middle Ages to the present day To Europeans the Roma appeared to be in complete contradiction with their own culture because of their mysterious origins unknown language and way of life As representatives of an oral culture for centuries the Roma have left virtually no written records of their own Their history has been conveyed to us almost exclusively through the distorted images that European cultures project Persecuted and shunned the Roma nonetheless spread out across the continent and became an important indeed indispensable element in the European imagination It is impossible to conceive of the culture of Spain southern France and much of Central Europe without this pervasive Romani influence *Europe and the Roma* brilliantly describes the fascination and fear which have marked Europeans' response to the Romani presence Countless composers artists and writers have responded to Romani culture and to fantasies thereof Their projections onto a group whose illiteracy and marginalization gave it so little direct voice of its own have always been a very uneasy mixture of the inspired the patronizing and the frighteningly ignorant The book also shows the link between cultural violence social discrimination and racist policies that paved the way for the genocide of the Roma *Gypsy Council* Nicholas C.

Eliopoulos, 2006-08-02 Gypsy society for millennia traditionally nomadic and having a tightly knit social structure with a most natural communication system was convulsively rocked in the years following World War One as they were taking to settle in American cities A handful of certain gifted but dedicated and God-fearing individuals among them rose to save their people from destruction from certain dangerously power-hungry aspiring dictators As a cultural dictum There can be no Gypsy of fame so these saving heroes were allowed to fade away never to be remembered and never to be deified as true Gypsies incognito to history only the Lord being their Judge *American Painters: With One Hundred and Four Examples of Their*
