**William G. Jordan**

## **Ronald Reagan In Movie America:**

*Ronald Reagan The Movie* Michael Rogin, 1988-07-15 The fear of the subversive has governed American politics from the racial conflicts of the early republic to the Hollywood anti Communism of Ronald Reagan Political monsters the Indian cannibal the black rapist the demon rum the bomb throwing anarchist the many tentacled Communist conspiracy the agents of international terrorism are familiar figures in the dream life that so often dominates American political consciousness What are the meanings and sources of these demons Why does the American political imagination conjure them up Michael Rogin answers these questions by examining the American countersubversive tradition Ronald Reagan's America Terry Golway, 2008-10-01 Ronald Reagan The Great Communicator knew the power of words His voice confronted America's foes comforted the nation and hastened the end of the Cold War Ronald Reagan's America presents the history of the Reagan years told through his memorable speeches during the defining events of the era Reagan's unshakable belief in the power of democracy against totalitarianism and of freedom against oppression shaped our world today His ideas set the tone for our struggles and victories against the Soviet Union and in the Middle East and his legacy continues in US policy at home and throughout the world In the tradition of Let Every Nation Know historian Terry Golway presents the defining moments of the Reagan years with Ronald Reagan at their center Woven throughout the book are carefully chosen excerpts of the speeches Reagan gave at 30 notable events throughout his political career included on one audio CD Praise for Ronald Reagan's America Nothing short of terrific The insightful commentary adds a powerful complement Booklist Illuminates the importance of public address to the success and reputation of presidents Library Journal Riveting tour de force Publishers Weekly A masterful job Bob Schieffer CBS News Marvelous work Joe Conason journalist and author of The Hunting of the President and Big Lies **Ronald Reagan in Hollywood** Stephen Vaughn, 1994-01-28 Explores the relationship between the motion picture industry and American politics Ronald Reagan in Movie America Jules Feiffer, 1988 **Reagan, American Icon** Robert Paul Metzger, 1989 *Movie Censorship and American Culture* Francis G. Couvares, 2006 From the earliest days of public outrage over indecent nickelodeon shows Americans have worried about the power of the movies The eleven essays in this book examine nearly a century of struggle over cinematic representations of sex crime violence religion race and ethnicity revealing that the effort to regulate the screen has reflected deep social and cultural schisms In addition to the editor contributors include Daniel Czitrom Marybeth Hamilton Garth Jowett Charles Lyons Richard Maltby Charles Musser Alison M Parker Charlene Regester Ruth Vasey and Stephen Vaughn Together they make it clear that censoring the movies is more than just a reflex against indecency however defined Whether censorship protects the vulnerable or suppresses the creative it is part of a broader culture war that breaks out recurrently as Americans try to come to terms with the market the state and the plural society in which they live **The Rise and Fall of Modern American Conservatism** David Farber, 2012-08-26 The story of modern conservatism through the lives of six leading figures The Rise and Fall of

Modern American Conservatism tells the gripping story of perhaps the most significant political force of our time through the lives and careers of six leading figures at the heart of the movement David Farber traces the history of modern conservatism from its revolt against New Deal liberalism to its breathtaking resurgence under Ronald Reagan to its spectacular defeat with the election of Barack Obama Farber paints vivid portraits of Robert Taft William F Buckley Jr Barry Goldwater Phyllis Schlafly Ronald Reagan and George W Bush He shows how these outspoken charismatic and frequently controversial conservative leaders were united by a shared insistence on the primacy of social order national security and economic liberty Farber demonstrates how they built a versatile movement capable of gaining and holding power from Taft s opposition to the New Deal to Buckley s founding of the National Review as the intellectual standard bearer of modern conservatism from Goldwater s crusade against leftist politics and his failed 1964 bid for the presidency to Schlafly s rejection of feminism in favor of traditional gender roles and family values and from Reagan s city upon a hill to conservatism s downfall with Bush s ambitious presidency *The Rise and Fall of Modern American Conservatism* provides rare insight into how conservatives captured the American political imagination by claiming moral superiority downplaying economic inequality relishing bellicosity and embracing nationalism This concise and accessible history reveals how these conservative leaders discovered a winning formula that enabled them to forge a powerful and formidable political majority Some images inside the book are unavailable due to digital copyright restrictions

*Gunfighter Nation* Richard Slotkin,1998 Examines the ways in which the frontier myth influences American culture and politics drawing on fiction western films and political writing

**The American Presidency** ,2017-01-01 The American Presidency updated for 2017 provides a rich journey through U S history Meet the occupants of the nation s highest office from George Washington to Donald Trump Each presidential summary includes a detailed biography the president s signature his vice president s a profile of the first lady and a timeline Coverage of the recent 2016 presidential election and information describing the Cabinet the White House election results the presidential flag and the presidential seal history are also included

**Exit with Honor** William E Pemberton,2015-03-04 Few presidents have sparked as much interest in recent years as Ronald Reagan already the subject of a large number of biographies and specialized subjects This biography based on recent research into the Reagan archives and synthesis of the large memoir literature explores the shaping of his values and beliefs during his childhood in the American heartland his leadership of the American conservative movement and his successful political career culminating in the first two term presidency since Dwight Eisenhower Pemberton finds Reagan s personal career and ability to understand and communicate with the American people admirable but finds many of the long term effects of his presidency harmful

*Reagan and Public Discourse in America* Michael Weiler,W. Barnett Pearce,1992-10-30 Reagan and Public Discourse assesses the rhetorical legacy of the Reagan presidency The essays in this collection focus on a variety of domestic and foreign policy controversies and identify a broad range of persuasive strategies and devices to reveal how Ronald Reagan both appropriated and

transformed American public discourse in the 1980s They analyse Reagan's impact not only on the policy issues of the 1980s but also in the process of public political discourse itself      Becoming Ronald Reagan Robert Mann,2019-10 In the 1960s transitioning from acting to politics was rare Ronald Reagan was not the first to do it but he was the first to jump from the screen to the stump and on to credibility as a presidential contender Reagan's transformation from struggling liberal actor to influential conservative spokesman in five years and then to the California governorship six years later is a remarkable and compelling story In Becoming Ronald Reagan Robert Mann explores Reagan's early life and his career during the 1950s and early 1960s his growing desire for acclaim in high school and college his political awakening as a young Hollywood actor his ideological evolution in the 1950s as he traveled the country for General Electric the refining of his political skills during this period his growing aversion to big government and his disdain for the totalitarian leaders in the Soviet Union and elsewhere All these experiences and more shaped Reagan's politics and influenced his career as an elected official Mann not only demonstrates how Reagan the actor became Reagan the political leader and how the liberal became a conservative he also shows how the skills Reagan learned and the lessons he absorbed from 1954 to 1964 made him the inspiring leader so many Americans remember and revere to this day Becoming Ronald Reagan is an indelible portrait of a true American icon and a politician like none other      Exploring America's Past Richard A. Greenwald,1996 This book presents some of the most significant social history to date in one single volume Readers will find that Exploring America's Past is not only up to date but also more inclusive and multicultural than other similar collections The essays in this book concentrate on issues in America ranging from freedom to sexuality to industry to war to minorities to our youth culture dance and music This comprehensive collection of essays will be ideal for U S history survey courses Contents Introduction and Acknowledgements The Meaning of Freedom Eric Foner Chinese Americans Build a Railroad Jack Chen Populist Dreams and Negro Rights East Texas as a Case Study Lawrence Goodwyn The Sociology and Historiography of Immigration Ewa Morawska Studying American Political Development in the Progressive Era Martin Sklar Charity Girls and City Pleasure Historical Notes on Working Class Sexuality 1880-1920 Kathy Peiss Encountering Mass Culture at the Grassroots The Experience of Chicago Workers in the 1920s Elizabeth Cohen Origins of a Sit Down Era Worker Militancy and Innovation in the Rubber Industry 1934-1938 Daniel Nelson The Politics of Sacrifice on the Homefront in World War II Mark Leff The Riddle of the Zoot Robin D G Kelley The Land of a Thousand Dances Youth Minorities and the Rise of Rock and Roll George Lipsitz The Unraveling of America Allen Matusow Ronald Reagan and the Movie Michael Rogin      **Ronald Reagan** Dinesh D'Souza,1999-02-23 Explores Reagan's political career from his role in the California tax revolt to the economic success the United States experienced during his term in office      *Black Newspapers and America's War for Democracy, 1914-1920* William G. Jordan,2003-01-14 During World War I the publishers of America's crusading black newspapers faced a difficult dilemma Would it be better to advance the interests of African Americans by affirming their patriotism and offering support of

President Wilson's war for democracy in Europe or should they demand that the government take concrete steps to stop the lynching segregation and disfranchisement of blacks at home as a condition of their participation in the war This study of their efforts to resolve that dilemma offers important insights into the nature of black protest race relations and the role of the press in a republican system William Jordan shows that before during and after the war the black press engaged in a delicate and dangerous dance with the federal government and white America at times making demands or holding firm sometimes pledging loyalty occasionally giving in But although others have argued that the black press compromised too much Jordan demonstrates that given the circumstances its strategic combination of protest and accommodation was remarkably effective While resisting persistent threats of censorship the black press consistently worked at educating America about the need for racial justice Ronald Reagan's 1984 James Cooper,R.J. Richardson,Bailey Schwab,2024-03-11 Forty years after Ronald Reagan's successful re election campaign this book explores the significance of the year 1984 in the making of Reagan's presidential record and the shaping of his legacy The authors examine the broader context of how Reagan impacted the nature of the US presidency and international relations during the Cold War and how this in turn interacted with American popular culture Serving as an introduction to academics students and the interested public into what is a rapidly increasingly Reagan scholarship this book will also appeal to anyone interested in US elections the evolving nature of the US presidency and American culture more generally **The Baseball Film in Postwar America** Ron Briley,2014-01-10 This work focuses on the baseball movie genre in the years following World War II beginning with the 1948 biopic *The Babe Ruth Story* and ending with the 1962 Mickey Mantle Roger Maris vehicle *Safe at Home* when the consensus was that conflict should be limited in American society by emphasizing economic growth and a strong stand against Communism This study of selected films indicates however that this strategy was not entirely effective while offering a certain amount of nostalgia these films could not provide shelter from the storm gathering in postwar America which challenged conventional ideas of race gender and class and broke in the 1960s *Reconsidering Reagan* Daniel S. Lucks,2020-08-04 2021 Prose Award Finalist A long overdue and sober examination of President Ronald Reagan's racist politics that continue to harm communities today and helped shape the modern conservative movement Ronald Reagan is hailed as a transformative president and an American icon but within his twentieth century politics lies a racial legacy that is rarely discussed Both political parties point to Reagan as the right kind of conservative but fail to acknowledge his political attacks on people of color prior to and during his presidency *Reconsidering Reagan* corrects that narrative and reveals how his views policies and actions were devastating for Black Americans and racial minorities and that the effects continue to resonate today Using research from previously untapped resources including the Black press which critically covered Reagan's entire political career Daniel S Lucks traces Reagan's gradual embrace of conservatism his opposition to landmark civil rights legislation his coziness with segregationists and his skill in tapping into white anxiety about race riding a wave of

white backlash all the way to the Presidency He argues that Reagan has the worst civil rights record of any President since the 1920s including supporting South African apartheid packing courts with conservatives targeting laws prohibiting discrimination in education and housing and launching the War on Drugs which had cataclysmic consequences on the lives of Black and Brown people Linking the past to the present Lucks expertly examines how Reagan set the blueprint for President Trump and proves that he is not an anomaly but in fact the logical successor to bring back the racially tumultuous America that Reagan conceptualized

*Ronald Reagan* John P. Diggins, 2007-02-06 This is a revealing portrait of great character a book that reveals the 40th president to be an exemplar of the truest conservative values and one of the America's greatest presidents 13 photographs

Jules Feiffer's America, from Eisenhower to Reagan Jules Feiffer, 1982 Cartoons take a satiric look at modern life gun control the Middle East the economy and the arms race
