Ronnie Corbett High Hopes The Autobiography:

High Hopes Ronnie Corbett, 2001 The long awaited autobiography of one of Britain's best loved entertainers This is the exciting story of how I Ronald Corbett the son of an Edinburgh baker found fame on television as one of The Two Ronnies and managed to meet a fabulous cast of extraordinary people along the way First I'll reveal the technique I developed for estimating the height of a girl before daring to ask her to dance Then I'll fearlessly tell of my arrival in London and job as a night club barman I'll explain how I first met David Frost John Cleese and Michael Palin and once played Othello to Danny La Rue's Desdemona having just had dinner with Laurence Olivier And then there was The Two Ronnies an incredibly successful television show with a man in glasses who rather spookily had the same first name as me I only hope my mother won't be too shocked

High Hopes Ronnie Corbett, 2012-05-31 A true great of British comedy Ronald Ronnie Corbett is hailed as one of the finest comedians of his generation Son of an Edinburgh baker Ronnie rose to fame as one half of the infamous Two Ronnies alongside Ronnie Barker Known for his versatility quick wit family friendly dialogue and meandering monologues Corbett was a staple of British television for more than 50 years In his autobiography he tells the complete story from his school technique of estimating the height of a girl before daring to ask her to dance to his days as a night club barman in London and finally to his decades long career as a stand up and sitcom star Including tales of how he first met David Frost John Cleese and Michael Palin this book is written with all of Ronnie's trademark warmth and wit Celebrating his life and career this is Ronnie's own honest and definitive account of his truly dramatic journey

When the Carry On Stopped Dave Ainsworth,2025-03-30 Uncover the turbulent transition of the Carry On series and its stars during the 1960s When the Carry On Stopped looks at how the Carry On film series made its painful transition from one film company Anglo Amalgamated to another the Rank Organisation In examining this little known but fascinating story the growth of Anglo Amalgamated is highlighted through the success of its owners partners Stuart Levy and Nat Cohen Levy s sudden death in 1966 encouraged Cohen to ditch the Carry Ons in favour of more prestigious feature films Without a film distributor the series producer Peter Rogers was forced to search for another eventually finding the series a new home at Rank However Rank was unwilling to endorse the work of a rival and so dropped the Carry On title The Carry On series looked doomed When the Carry On Stopped also sheds new light on the careers of the Carry On stars at this critical time We learn of Barbara Windsor s involvement in the stage disaster Twang of Jim Dale s stage success Sid James first heart attack and Charles Hawtrey losing his mother The book calls out the fat shaming of Joan Sims as one of the many injustices shown to her by the producer This is essential reading for Carry On fans and those interested in the machinations of the British entertainment industry in the 1960 s
