Edward Mickolus

Roosevelts Secret War Fdr And World War Ii Espionage:

Roosevelt's Secret War Joseph E. Persico, 2001-11-06 Despite all that has already been written on Franklin Delano Roosevelt Joseph Persico has uncovered a hitherto overlooked dimension of FDR's wartime leadership his involvement in intelligence and espionage operations Roosevelt's Secret War is crowded with remarkable revelations FDR wanted to bomb Tokyo before Pearl Harbor A defector from Hitler's inner circle reported directly to the Oval Office Roosevelt knew before any other world leader of Hitler's plan to invade Russia Roosevelt and Churchill concealed a disaster costing hundreds of British soldiers lives in order to protect Ultra the British codebreaking secret An unwitting Japanese diplomat provided the President with a direct pipeline into Hitler's councils Roosevelt's Secret War also describes how much FDR had been told before the Holocaust about the coming fate of Europe's Jews And Persico also provides a definitive answer to the perennial question Did FDR know in advance about the attack on Pearl Harbor By temperament and character no American president was better suited for secret warfare than FDR He manipulated compartmentalized dissembled and misled demonstrating a spymaster's talent for intrigue He once remarked I never let my right hand know what my left hand does Not only did Roosevelt create America's first central intelligence agency the OSS under Wild Bill Donovan but he ran spy rings directly from the Oval Office enlisting well placed socialite friends FDR was also spied against Roosevelt's Secret War presents evidence that the Soviet Union had a source inside the Roosevelt White House that British agents fed FDR total fabrications to draw the United States into war and that Roosevelt by yielding to Churchill's demand that British scientists be allowed to work on the Manhattan Project enabled the secrets of the bomb to be stolen And these are only a few of the scores of revelations in this constantly surprising story of Roosevelt's hidden role in World War II

Roosevelt's Secret War Joseph E. Persico, 2002-10-22 Despite all that has already been written on Franklin Delano Roosevelt Joseph Persico has uncovered a hitherto overlooked dimension of FDR's wartime leadership his involvement in intelligence and espionage operations Roosevelt's Secret War is crowded with remarkable revelations FDR wanted to bomb Tokyo before Pearl Harbor A defector from Hitler's inner circle reported directly to the Oval Office Roosevelt knew before any other world leader of Hitler's plan to invade Russia Roosevelt and Churchill concealed a disaster costing hundreds of British soldiers lives in order to protect Ultra the British codebreaking secret An unwitting Japanese diplomat provided the President with a direct pipeline into Hitler's councils Roosevelt's Secret War also describes how much FDR had been told before the Holocaust about the coming fate of Europe's Jews And Persico also provides a definitive answer to the perennial question Did FDR know in advance about the attack on Pearl Harbor By temperament and character no American president was better suited for secret warfare than FDR He manipulated compartmentalized dissembled and misled demonstrating a spymaster's talent for intrigue He once remarked I never let my right hand know what my left hand does Not only did Roosevelt create America's first central intelligence agency the OSS under Wild Bill Donovan but he ran spy rings directly from the Oval Office enlisting well placed

socialite friends FDR was also spied against Roosevelt's Secret War presents evidence that the Soviet Union had a source inside the Roosevelt White House that British agents fed FDR total fabrications to draw the United States into war and that Roosevelt by yielding to Churchill's demand that British scientists be allowed to work on the Manhattan Project enabled the secrets of the bomb to be stolen And these are only a few of the scores of revelations in this constantly surprising story of Roosevelt's hidden role in World War II A Companion to Franklin D. Roosevelt William D. Pederson, 2011-03-21 A Companion to Franklin D Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the tumultuous period from the Great Depression to the waning days of World War II Represents a state of the art assessment of current scholarship on FDR the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR's life and times from his health relationships and Supreme Court packing to New Deal policies institutional issues and international relations Features 35 essays by leading FDR scholars The Eleventh Hour L. Douglas Keeney, 2015-03-31 In late November 1943 President Franklin Delano Roosevelt and his Joint Chiefs of Staff secretly boarded the battleship USS Iowa to attend a conference in Tehran with British Prime Minister Winston Churchill and Soviet Union leader Joseph Stalin where the Allies would come to an agreement on a war plan to defeat Germany Although Roosevelt's preparation at sea established the groundwork for the American position on D Day it was in the heated and electrifying debates that followed in Tehran and only through those intense debates that a deal was ultimately struck In The Eleventh Hour critically acclaimed author L Douglas Keeney explores FDR's covert conferences on the battleship and provides stunning insight into the formerly secret behind the scenes transcripts from the meetings in Tehran Brilliantly chronicling the three days of aggressive debates between the heads of state Keeney demonstrates that Tehran although remembered as a diplomatic conference with a well known outcome was in reality chaotic conflicted and subject to numerous heated closed door sessions with a petulant irritable Churchill a strikingly reserved detached Roosevelt and an assertive but unexpectedly diplomatic and even charming Stalin winning over his guest President Roosevelt whose quarters were bugged by the Soviets Seamlessly stitching together the private papers diaries meeting notes and letters home of those on board The Eleventh Hour narrates declassified transcripts exposes surprising secrets and illuminates how the debates of three men would ultimately end WWII **Franklin D. Roosevelt and the Art of Leadership** William Nester, 2024-06-30 Scholar William Nester explores Franklin D Roosevelt's character personality and presidential power After their independence and civil wars Americans never faced a greater threat than the sixteen years of global depression followed by global war from 1929 to 1945 Franklin Delano Roosevelt was the president for the last dozen of those years during which he led the nation first to alleviate the Great Depression then led an international alliance that vanquished the fascist powers during the Second World War Along the way he established the modern presidency with centralized powers to make and implement domestic and foreign

policies He was naturally a master politician who eventually through daunting trials and errors became an accomplished statesman For all that historians regularly rank Roosevelt among the top three presidents Yet most historians and countless others criticize Roosevelt for an array of things that he did or failed to do Conservatives lambast him for creating a welfare state and trying to pack federal courts with liberal judges while liberals condemn him for interning 120 000 Japanese Americans during the war and doing little to advance civil rights for African Americans Critics blister war commander Roosevelt for caving into strategies demanded by powerful leaders that squandered countless lives and treasure in literal and figurative dead ends These include Prime Minister Churchill s push to invade the Italian peninsula and General MacArthur s determination to recapture the Philippines At times his policies violated his principles Like President Wilson during the Second World War Roosevelt championed self determination but not for every nation He badgered Churchill to break up Britain s empire while bowing to Stalin s brutal communist conquest of eastern Europe And those are just the opening barrages against Roosevelt Although he won four presidential elections with overwhelming majorities nearly as many people reviled him as they adored him Franklin D Roosevelt and the Art of Leadership explores the dynamic among Roosevelt s character personality and presidential power with which he asserted policies that overcame first the Great Depression and then the Axis powers during the Second World War Along the way the book raises and answers key questions What were Roosevelt s leadership skills and how did he develop them over time Which New Deal policies succeeded which failed and what explains those results Which war strategies succeeded which failed and what explains those results What policies rooted in Roosevelt s instincts proved to be superior to alternatives grounded in thick official reports advocated by his advisors Finally how does Roosevelt rank as an American and global leader **George Marshall** David L. Roll,2020-07-07

The extraordinary career of General George C Marshall America s most distinguished soldier statesman since George Washington whose selfless leadership and moral character influenced the course of two world wars and helped define the American century I ve read several biographies of Marshall but I think David Roll s may be the best of the bunch Thomas E Ricks New York Times Book Review Powerful The Wall Street Journal Enthralling Andrew Roberts Important William I Hitchcock Majestic Susan Page Engrossing Andrew J Bacevich Judicious Walter Isaacson Definitive Kirkus Winston Churchill called him World War II s organizer of victory Harry Truman said he was the greatest military man that this country ever produced Today in our era of failed leadership few lives are more worthy of renewed examination than Marshall and his fifty years of loyal service to the defense of his nation and its values Even as a young officer Marshall was heralded as a genius a reputation that grew when in WWI he planned and executed a nighttime movement of more than a half million troops from one battlefield to another that led to the armistice Between the wars he helped modernize combat training and re staffed the U S Army s officer corps with the men who would lead in the next decades But as WWII loomed it was the role of army chief of staff in which Marshall s intellect and backbone were put to the test when his blind commitment to duty would run up

against the realities of Washington politics Long seen as a stoic almost statuesque figure he emerges in these pages as a man both remarkable and human thanks to newly discovered sources Set against the backdrop of five major conflicts two world wars Palestine Korea and the Cold War Marshall s education in military diplomatic and political power replete with their nuances and ambiguities runs parallel with America s emergence as a global superpower The result is a defining account of one of our most consequential leaders

FDR Jean Edward Smith,2008-05-13 NATIONAL BESTSELLER A model presidential biography Now at last we have a biography that is right for the man Jonathan Yardley The Washington Post Book World One of today s premier biographers has written a modern comprehensive indeed ultimate book on the epic life of Franklin Delano Roosevelt In this superlative volume Jean Edward Smith combines contemporary scholarship and a broad range of primary source material to provide an engrossing narrative of one of America s greatest presidents This is a portrait painted in broad strokes and fine details We see how Roosevelt s restless energy fierce intellect personal magnetism and ability to project effortless grace permitted him to master countless challenges throughout his life Smith recounts FDR s battles with polio and physical disability and how these experiences helped forge the resolve that FDR used to surmount the economic turmoil of the Great Depression and the wartime threat of totalitarianism Here also is FDR s private life depicted with unprecedented candor and nuance with close attention paid to the four women who molded his personality and helped to inform his worldview His mother Sara Delano Roosevelt formidable yet ever supportive and tender his wife Eleanor whose counsel and affection were instrumental to FDR s public and individual achievements Lucy Mercer the great romantic love of FDR s life and Missy LeHand FDR s longtime secretary companion and confidante whose adoration of her boss was practically limitless Smith also tackles head on and in depth the numerous failures and miscues of Roosevelt s public career including his disastrous attempt to reconstruct the Judiciary the shameful internment of Japanese Americans and Roosevelt s occasionally self defeating Executive overreach Additionally Smith offers a sensitive and balanced assessment of Roosevelt s response to the Holocaust noting its breakthroughs and shortcomings Summing up Roosevelt s legacy Jean Smith declares that FDR more than any other individual changed the relationship between the American people and their government It was Roosevelt who revolutionized the art of campaigning and used the burgeoning mass media to garner public support and allay fears But more important Smith gives us the clearest picture yet of how this quintessential Knickerbocker aristocrat a man who never had to depend on a paycheck became the common man s president The result is a powerful account that adds fresh perspectives and draws profound conclusions about a man whose story is widely known but far less well understood Written for the general reader and scholars alike FDR is a stunning biography in every way worthy of its subject

The Conquerors Michael R. Beschloss,2003-10-07 As Allied soldiers fought the Nazis Franklin Roosevelt and later Harry Truman fought in private with Churchill and Stalin over how to ensure that Germany could never threaten the world again

The American Military Mission to China, 1941-1942 William G. Grieve,2014-01-23 This is an overview of America s first

effort in military aid to a foreign sovereign nation at a time when Europe was engaged in open warfare Asia was facing a series of military confrontations and most of the world thought global conflagration was inevitable The work offers insight into the impact of war in Burma a backwater of World War II and examines events that result when great powers go to great lengths to further their own goals The work also examines disagreements among China the United Kingdom the United States and Japan and shows the evolution of aid provision to another country and changing expectations as new information arises

The Counterintelligence Chronology Edward Mickolus, 2015-09-15 Spying in the United States began during the Revolutionary War with George Washington as the first director of American intelligence and Benedict Arnold as the first turncoat The history of American espionage is full of intrigue failures and triumphs and motives honorable and corrupt Several notorious spies became household names Aldrich Ames Robert Hanssen the Walkers the Rosenbergs and were the subjects of major motion pictures and television series Many others have received less attention This book summarizes hundreds of cases of espionage for and against U S interests and offers suggestions for further reading Milestones in the history of American counterintelligence are noted Charts describe the motivations of traitors American targets of foreign intelligence services and American traitors and their foreign handlers A former member of the U S intelligence community the author discusses trends in intelligence gathering and what the future may hold An annotated bibliography is provided written by Hayden Peake curator of the Historical Intelligence Collection of the Central Intelligence Agency

Defending the Rock Nicholas Rankin, 2017-09-05 Adolf Hitler's failure to take Gibraltar in 1940 lost him the Second World War But in truth the formidable Rock jutting between the Mediterranean and the Atlantic was extraordinarily vulnerable Every day ten thousand people crossed its frontier to work spy sabotage or escape It was threatened by Spain Vichy France Italy and Germany After the USA entered the war Gibraltar became General Eisenhower's strategic headquarters for the invasion of North Africa and the battle for the Mediterranean

Nazi Intelligence Operations in Non-Occupied Territories Christopher Vasey, 2016-07-19 Drawing heavily on recently declassified sources this examination of German wartime intelligence services traces the logistical and strategic expansion of the Third Reich's foreign covert operations in World War II Beginning with the changes introduced to counteract institutional neglect the author describes attempts to penetrate both neutral and adversarial nations outside territories occupied by the Wehrmacht The Nazis created covert teams for counterintelligence and penetrating border defenses Strategies were formed for assembling saboteur divisions in North and South America while data were gathered on industrial installations to target American fascist movements of the 1930s are discussed along with Nazi sabotage missions in the United States and intelligence penetrations and domestic collusion in Latin America

World War II in Literature for Youth Patricia Hachten Wee, Robert James Wee, 2004 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the

educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource

World War I and the Foundations of American Intelligence Mark Stout, 2023-11-16 Ask an American intelligence officer to tell you when the country started doing modern intelligence and you will probably hear something about the Office of Strategic Services in World War II or the National Security Act of 1947 and the formation of the Central Intelligence Agency What you almost certainly will not hear is anything about World War I In World War I and the Foundations of American Intelligence Mark Stout establishes that in fact World War I led to the realization that intelligence was indispensable in both wartime and peacetime After a lengthy gestation that started in the late nineteenth century modern American intelligence emerged during World War I laying the foundations for the establishment of a self conscious profession of intelligence Virtually everything that followed was maturation reorganization reinvigoration or reinvention World War I ushered in a period of rapid changes Never again would the War Department be without an intelligence component Never again would a senior American commander lead a force to war without intelligence personnel on their staff Never again would the United States government be without a signals intelligence agency or aerial reconnaissance capability Stout examines the breadth of American intelligence in the war not just in France not just at home but around the world and across the army navy and State Department and demonstrates how these far flung efforts endured after the Armistice in 1918 For the first time there came to be a group of intelligence practitioners who viewed themselves as different from other soldiers sailors and diplomats Upon entering World War II the United States had a solid foundation from which to expand to meet the needs of another global hot war and the Cold War that followed

Fighting Elites John C. Fredriksen, 2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they've accomplished throughout our history and how they operate today Fighting Elites A History of U S Special Forces examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities

Franklin Delano Roosevelt for Kids Richard Panchyk, 2007-08-01 Franklin Delano Roosevelt's enduring legacy upon the history culture politics and economics of the United States is introduced to children in this engaging activity book Kids will learn how FDR a member of one of the

founding families of the New World led the nation through the darkest days of the Great Depression and World War II as 32nd U S President This book examines the Roosevelt family including famous cousin Teddy Roosevelt and First Lady Eleanor Roosevelt as well as FDR s early political career and subsequent 12 years in office during some of the most fascinating and turbulent times in American history Interspersed throughout are first hand accounts from the people who knew FDR and remember him well Children will also learn how his personal struggles with polio and his physical disability strengthened FDR s compassion and resolve In addition kids will explore Roosevelt s entire era through such hands on activities as staging a fireside chat designing a WPA style mural sending a double encoded message hosting a swing dance party and participating in a political debate

Wasps Michael Knox Beran, 2021-08-03 An examination of WASP culture through the lives of some of its most prominent figures Envied and lampooned misunderstood and yet distinctly American WASPs are as much a culture socioeconomic and ethnic designation and state of mind Charming witty and vigorously researched WASPS traces the rise and fall of this distinctly American phenomenon through the lives of prominent icons from Henry Adams and Theodore Roosevelt to George Santayana and John Jay Chapman Throughout this dynamic story Beran chronicles the efforts of WASPs to better the world around them as well as the struggles of these WASPs to break free from their restrictive culture The death of George H W Bush brought about reflections on the end of patrician WASP culture where privilege reigned but so did a genuine desire to use that privilege for public service In the time of Trump who is the antithesis of true WASP culture people look at the John Kerry Bobby Kennedy and Philip and Kay Grahams of the world with wistfulness And even though we are a more diverse and pluralistic nation now than ever before there is something about WASP culture that remains enduringly aspirational and fascinating Beginning at the turn of the 20th century Beran s saga dramatizes the evolving American aristocracy that forever changed a nation and what we can still glean from WASP culture as we enter a new era

The Origins of the Grand Alliance William T. Johnsen, 2016-09-13 This uncommonly astute study examines the early development of the US UK military alliance that would eventually lead to victory in WWII Paul Miles author of FDR s Admiral On December 12 1937 Japanese aircraft sank the American gunboat Panay outside Nanjing China Although the Japanese apologized President Roosevelt set Captain Royal Ingersoll to London to begin conversations with the British admiralty about Japanese aggression in the Far East While few Americans remember the Panay Incident it was the start of what would become the Special Relationship between the United States and Great Britain In *The Origins of the Grand Alliance* William T Johnsen provides the first comprehensive analysis of Anglo American military collaboration before the Second World War He sets the stage by examining Anglo French and Anglo American coalition military planning from 1900 through World War I and the interwar years Johnsen also considers the formulation of policy and grand strategy operational planning and the creation of the command structure and channels of communication He addresses vitally important logistical and materiel issues particularly the difficulties of war production Drawn from extensive sources and private papers held in

the United Kingdom Canada and the United States Johnsen's exhaustively researched study casts new light on the twentieth century's most significant alliance **Franklin and Winston** Jon Meacham, 2004-10-12 NEW YORK TIMES BESTSELLER In this beautifully written and superbly researched dual biography Los Angeles Times Book Review Pulitzer Prize winning biographer Jon Meacham paints a powerful portrait of the enormous friendship between World War II allies Franklin Roosevelt and Winston Churchill Vanity Fair Intense and compelling reading The Washington Post Franklin Roosevelt and Winston Churchill were the greatest leaders of the Greatest Generation In Franklin and Winston Jon Meacham explores the fascinating relationship between the two men who piloted the free world to victory in World War II Born in the nineteenth century and molders of the twentieth and twenty first Roosevelt and Churchill had much in common In their own time both men were underestimated dismissed as arrogant and faced skeptics in their own nations yet both magnificently rose to the central challenges of the twentieth century Theirs was a kind of love story with an emotional Churchill courting an elusive Roosevelt The British prime minister who rallied his nation in its darkest hour standing alone against Adolf Hitler was always somewhat insecure about his place in FDR's affections which was the way Roosevelt wanted it A man of secrets FDR liked to keep people off balance including his wife Eleanor his White House aides and Winston Churchill Meacham's sources including unpublished letters of FDR's great secret love Lucy Mercer Rutherford the papers of Pamela Churchill Harriman and interviews with people who were in FDR and Churchill's joint company shed light on the characters of both men as he engagingly chronicles the hours in which they decided the course of the struggle Charting the personal drama behind the discussions of strategy and statecraft Meacham has written the definitive account of the most remarkable friendship of the modern age *Franklin and Lucy* Joseph E. Persico, 2009-05-12 Just when you thought you knew everything about Franklin D Roosevelt think again Joseph E Persico is one of America's finest historians You can't properly understand FDR the man without reading this landmark study Douglas Brinkley professor of history at Rice University Persico's exploration of FDR's emotional life is fascinating USA Today In Franklin and Lucy acclaimed author and historian Joseph E Persico explores FDR's romance with Lucy Rutherford Persico's provocative conclusions about their relationship are informed by a revealing range of sources including never before published letters and documents from Lucy Rutherford's estate that attest to the intensity of the affair which lasted much longer than was previously acknowledged FDR's connection with Lucy also creates an opportunity for Persico to take a more penetrating look at the other women in FDR's life We come to see more clearly how FDR's infidelity contributed to Eleanor Roosevelt's eventual transformation from a repressed Victorian to perhaps the greatest American woman of her century how FDR's strong willed mother helped to strengthen his resolve in overcoming personal and public adversity and how both paramours and platonic friends completed the world that FDR inhabited In focusing on Lucy Rutherford and the other women who mattered to Roosevelt Persico renders the most intimate portrait yet of an enigmatic giant of American history Praise for Franklin and Lucy Persico is judicious in his treatment of these sensitive

matters He understands that Lucy Mercer helped FDR awaken his capacity for love and compassion and thus helped him become the man to whom the nation will be eternally in debt The Washington Post Book World A stylish and well written book filled with interesting characters marital dramas and spylike subterfuge Chicago Tribune A powerful narrative that rarely fails to pull you along to the next chapter Louisville Courier Journal Utterly absorbing Pittsburgh Post Gazette
