Tao Yuanming and Manuscript Culture Xiaofei Tian,2011-07-01 Winner of a 2006 Choice Magazine Outstanding Academic Title Award As medieval Chinese manuscripts were copied and recopied through the centuries both mistakes and deliberate editorial changes were introduced thereby affecting readers impressions of the author s intent In Tao Yuanming and Manuscript Culture Xiaofei Tian shows how readers not only experience authors but produce them by shaping texts to their interpretation Tian examines the mechanics and history of textual transmission in China by focusing on the evolution over the centuries of the reclusive poet Tao Yuanming into a figure of epic stature Considered emblematic of the national character Tao Yuanming also known as Tao Qian 365 427 c e is admired for having turned his back on active government service and city life to live a simple rural life of voluntary poverty The artlessness of his poetic style is held as the highest literary and moral ideal and literary critics have taken great pains to demonstrate perfect

August Wilson Mary Ellen Snodgrass, 2015-03-10 Award winning African American playwright August Wilson created a cultural chronicle of black America through such works as *Ma Rainey's Black Bottom*, *Fences*, *Joe Turner's Come and Gone*, *The Piano Lesson*, and *Two Trains Running*. The authentic ring of wit, anecdote, homily, and plaint proved that a self-educated Pittsburgh ghetto native can grow into a revered conduit for a century of black achievement. He forced readers and audiences to examine the despair generated by poverty and racism by exploring African American heritage and experiences over the course of the twentieth century. This literary companion provides the reader with a source of basic data and analysis of characters, dates, events, allusions, staging strategies, and themes from the work of one of America's finest playwrights. The text opens with an annotated chronology of Wilson's life and works followed by his family tree. Each of the 166 encyclopedic entries that make up the body of the work combines insights from a variety of sources along with generous citations; each concludes with a selected bibliography on such relevant subjects as the blues, Malcolm X, irony, roosters, and Gothic mode. Charts elucidate the genealogies of Wilson's characters, the Charles Hedley and Maxson families, and account for weaknesses in Wilson's female characters. Two appendices complete the generously cross-referenced work: a timeline of events in Wilson's life and those of his characters, and a list of 40 topics for projects, composition, and oral analysis. **I Was Born This Way,**

Anecdotes and Antidotes Douglas Green, 2025-08-21 In this compelling and intimate biography we follow the journey of a homosexual man from his childhood days to his later years. We are taken through the different stages of his life from the tumultuous years of his adolescence to his struggles during college. At a young age he knew that he was different from his peers. He was ostracized and bullied because of his sexual orientation, which made the process of growing up an arduous one. The pressure to conform to society's narrow definitions of gender and sexuality weighed heavily on him, but he found solace in the company of like-minded individuals. With grit and determination, protagonist persevered and fought for his right to love and be loved. He found happiness and acceptance in the arms of another man, which allowed him to form a deeper connection with his family, who ultimately came to accept and embrace his lifestyle. This book is more than just a biography; it's a story of resilience and hope, a testament to the power of love in the face of discrimination and adversity. Readers will be inspired by his bravery and determination and will find themselves cheering for him on as he navigates through the challenges of life as a homosexual man.

Instructor, 1976 **Choosing to Be Simple** Tao Yuanming, 2023-11-07 Navigating the uncertainty of a divided China wracked by warfare and corruption, Tao Yuanming's poetry expertly translated by Red Pine chooses the path walked by China's ancient sages, finding joy in living a simple life. The latest work in Red Pine's rich career of translation, *Choosing to be Simple: Collected Poems of Tao Yuanming*, is a definitive portrait of the early Chinese politician and poet. Thoroughly researched and beautifully translated, this bilingual collection of over 160 verses chronicles Tao Yuanming's path from civil servant to reclusive poet during the formative Six Dynasties period (220-589). Familiar scenes like farming and contemplating the nature of work and writing are examined with intimate honesty. As Red Pine illuminates Tao Yuanming's

sensitive voice we find the poet's solace and sorrow in a China transformed by modernity Tao Yuanming's distinct verse shows a keen attention to rhythm as he explores the tension of scarcity and indulgence duty and escape Reverberating with clarity and sincerity and laced with humor the poems of Choosing to Be Simple portray a man's timeless desire to live by the principles enshrined by China's sages Guided by Tao Yuanming's own wonderment we too find ourselves asking Why did I ever question my heart We are encouraged to find joy in simplicity the tending of a garden the sharing of wine with a stranger
