Remembering Musical Childhoods in Vietnam Tina A. Huynh,2024-08-06 This book offers an in depth exploration of the childhood musical experiences of Vietnamese elders providing a unique lens on the intersections between identity culture and music education Centering the stories of five Vietnamese Americans and one Vietnamese person who grew up in Vietnam between 1931 and 1975 the author considers the role that each individual s childhood musical experiences played in their life as they were impacted by war political movements and immigrant and refugee experiences The book adds a new perspective to research on the global music practices of children by exploring music transmission and repertoire in Vietnam in the context of political unrest and colonialism before and during the Vietnam War It also explores the evolution of the personal meanings and memories of music over a period of drastic change in each individual s life as five of six elders transitioned into a life in the United States This book provides both an act of cultural and musical preservation and relevant implications for music education today Situating the children s songs and games of Vietnamese culture in their original context the author invites those in the field of music education to consider how lived experiences and entrenched systems of teaching affect music learning and identity formation The volume includes a selection of Vietnamese children s songs games chants and musicopoetic lullabies ca dao offering ways to enrich music educators world music curricula Relevant to music education ethnomusicology and Asian American studies this book provides a nuanced account of Vietnamese children s music making of the past and presents an analysis of childhood musical experiences in a wider cultural sociopolitical and historical context

The Oxford Handbook of Musical Repatriation Frank Gunderson,Robert C. Lancefield,Bret Woods,2019-09-09 The Oxford Handbook of Musical Repatriation is a significant edited volume that critically explores issues surrounding musical repatriation chiefly of recordings from audiovisual archives The Handbook provides a dynamic and richly layered collection of stories and critical questions for anyone engaged or interested in repatriation or archival work Repatriation often is overtly guided by an ethical mandate to return something to where it belongs by such means as working to provide reconnection and Indigenous control and access to cultural materials Essential as these mandates can be this remarkable volume reveals dimensions to repatriation beyond those which can be understood as simple acts of giving back or returning an archive to its homeland Musical repatriation can entail subjective negotiations involving living subjects intangible elements of cultural heritage and complex histories situated in intersecting webs of power relations and manifold other contexts The forty eight expert authors of this book s thirty eight chapters engage with multifaceted aspects of musical repatriation situating it as a concept encompassing widely ranging modes of cultural work that can be both profoundly interdisciplinary and embedded at the core of ethnographic and historical scholarship These authors explore a rich variety of these processes many streams making the

volume a compelling space for critical analysis of musical repatriation and its wider significance The Handbook presents these chapters in a way that offers numerous emergent perspectives depending on one's chosen trajectory through the volume From retracing the paths of archived collections to exploring memory performance research goals institutional power curation preservation pedagogy and method media and transmission digital rights and access policy and privilege intellectual property ideology and the evolving institutional norms that have marked the preservation and ownership of musical archives The Oxford Handbook of Musical Repatriation addresses these key topics and more in a deep richly detailed and diverse exploration

World Music Pedagogy, Volume VI: School-Community Intersections Patricia Shehan Campbell, Chee Hoo Lum, 2019-04-11 World Music Pedagogy Volume VI School Community Intersections provides students with a resource for delving into the meaning of world music across a broad array of community contexts and develops the multiple meanings of community relative to teaching and learning music of global and local cultures It clarifies the critical need for teachers to work in tandem with community musicians and artists in order to bridge the unnecessary gulf that often separates school music from the music of the world beyond school and to consider the potential for genuine collaborations across this gulf The five layered features of World Music Pedagogy are specifically addressed in various school community intersections with attention to the collaboration of teachers with local community artist musicians and with community musicians at a distance who are available virtually The authors acknowledge the multiple routes teachers are taking to enable and encourage music learning in community contexts such as their work in after school academies museums and libraries eldercare centers places of worship parks and recreation centers and other venues in which adults and children gather to learn music make music and become convivial through music This volume suggests that the world's musical cultures may be found locally can be tapped virtually and are important in considerations of music teaching and learning in schools and community contexts Authors describe working artists and teachers scenarios vignettes and teaching and learning experiences that happen in communities and that embrace the role of community musicians in schools all of which will be presented with supporting theoretical frameworks
