methodology developed in his *Dynamics of Theology* 1990 and exemplified in *Jesus Symbol of God* 1999 Roger Haight in this magisterial work achieves what he calls an historical ecclesiology or ecclesiology from below In contrast to traditional ecclesiology from above which is abstract idealist and ahistorical ecclesiology from below is concrete realist and historically conscious In this first of two volumes Haight charts the history of the church's self understandings from the origins of the church in the Jesus movement to the late Middle Ages In volume 2 Haight develops a comparative ecclesiology based on the history and diverse theologies of the worldwide Christian movement from the Reformation to the present While the ultimate focus of the work falls on the structure of the church and its theological self understanding it tries to be faithful to the historical social and political reality of the church in each period *Rhetoric and Scripture* Thomas H. Sefa Dei, Shukri Hilowle, 2018-12-04

This book critically examines how race is constructed globally to intersect gender class sexuality language ability and religion and answers some very important questions like how does anti black racism manifest itself within various contexts Chapters in the book use the Black and White paradigm as a lens for critical race analysis examining how for example the saliency of race and Blackness shape the post colony as well as the various post colonial nations The paradigm centers Whiteness as the lens of defining what and what is different The negative portrayal of difference is anchored in the sanctity of Whiteness It is through such analysis that we can understand how historically colour has been a permanent marker of differentiation even though it has not been the only one It is through conversations and dialogue in the classroom that the book was created given the current political shift in American and the rise of Anti Blackness anti Indigeneity Islamophobia and xenophobia The book critically examines White supremacy racialization of gender post racial false narratives and other contemporary issues surrounding race **Hebrew Bible / Old Testament.
