## **Roots Of Detection The Art Of Deduction Before Sherlock Holmes:**

*Roots of Detection* Bruce Cassiday, 1983-01-01      Odoevsky's four pathways into modern fiction Neil Cornwell, 2013-07-19 This book takes four stories by the Russian Romantic author Vladimir Odoevsky to illustrate pathways developed further by subsequent writers into modern fiction Featured here are the artistic musical story the rise of science fiction psychic aspects of the detective story and of confession in the novel The four chapters also examine the development of the featured categories by a wide range of subsequent writers in fiction ranging from the Romantic period up to the present century The study works backwards from Odoevsky's stories noting respective previous examples or traditions before proceeding to follow the pathways observed into later Russian English and comparative fiction Whilst appealing to specialists in Russian and comparative literature these chapters are accessible to a student readership taking courses involving the main areas featured including the arts in literature fictional artistic biography interplanetary flight and civilisations detective fiction and novelistic confession      **Classic American Crime Fiction of the 1920s** Leslie S Klinger, 2018-10-02 Classic American Crime Writing of the 1920s including *House Without a Key* *The Benson Murder Case* *The Tower Treasure* *The Roman Hat Mystery* *The Tower Treasure* and *Little Caesar* offers some of the very best of that decade's writing Earl Derr Biggers wrote about Charlie Chan a Chinese American detective at a time when racism was rampant S S Van Dine invented Philo Vance an effete rich amateur psychologist who flourished while America danced and the stock market rose Edwin Stratemeyer a man of mystery himself singlehandedly created the juvenile mystery with the beloved Hardy Boys series The quintessential American detective Ellery Queen leapt onto the stage to remain popular for fifty years W R Burnett created the indelible character of Rico the first gangster antihero Each of the five novels included is presented in its original published form with extensive historical and cultural annotations and illustrations added by Edgar winning editor Leslie S Klinger allowing the reader to experience the story to its fullest Klinger's detailed foreword gives an overview of the history of American crime writing from its beginnings in the early years of America to the twentieth century      **Reading the Cozy Mystery** Phyllis M. Betz, 2021-03-09 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story's complexity in surprising ways Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that Columbo fits the mold of the cozy detective and that the stories' portrayals of settings like the quaint English village reveal a more complicated society than meets the eye      *The Universal Sherlock Holmes* Ronald Burt De Waal, 1994      **Turnabout and Deception** Barton Whaley, 2016-07-15 Turnabout and Deception combines two of

sPYmaster Barton Whaley's most potent analyses of the craft Turnabout Crafting the Double Cross and When Deception Fails The Theory of Outs Each examination delves into extensive case studies to establish not only foundational understandings of essential espionage principals but also creates guidance for their practical application on both individual and governmental scales Deception is a basic tactic used by allies and enemies alike but when both protagonist and antagonist ply the same trade it is the master of the double cross who comes out the victor Turnabout and Deception examines how to turn the tables on an opponent and use their own deception against them Through thirty eight case studies this monograph dissects the double cross to reveal the psychological battle of wits at its core No matter how well crafted however there is always a chance that a deception will fail But failure is not the end of a deception and even failed deception operations can yield results Turnabout and Deception pores over sixty more case studies to determine why a deception will fail steps to prevent a failed operation and how to turn that failure into a success

*In the Shadow of Agatha Christie* Leslie S Klinger, 2018-01-02

Before Agatha Christie became the world's Queen of Crime she stood on the talented shoulders of the female crime authors who came before her This splendid new anthology by Leslie S Klinger brings these exceptional writers out of Christie's shadow and back into the spotlight they deserve Agatha Christie is undoubtedly the world's best selling mystery author hailed as the Queen of Crime with worldwide sales in the billions Christie burst onto the literary scene in 1920 with *The Mysterious Affair at Styles* her last novel was published in 1976 a career longer than even Conan Doyle's forty year span The truth is that it was due to the success of writers like Anna Katherine Green in America L T Meade C L Pirkis the Baroness Orczy and Elizabeth Corbett in England and Mary Fortune in Australia that the doors were finally opened for women crime writers Authors who followed them such as Patricia Wentworth Dorothy Sayers and of course Agatha Christie would not have thrived without the bold fearless work of their predecessors and the genre would be much poorer for their absence So while Agatha Christie may still reign supreme it is important to remember that she did not ascend that throne except on the shoulders of the women who came before her and inspired her and who are now removed from her shadow once and for all by this superb new anthology by Leslie S Klinger Featuring Mary Fortune Harriet Prescott Spofford Ellen Wood Elizabeth Corbett C L Pirkis Geraldine Bonner Ellen Glasgow L T Meade Baroness Orczy Augusta Groomer M E Graddon Anna Katherine Green Carolyn Wells Susan Glaspell
