Roots Of Lesbian And Gay Oppression A Marxist View:

The Roots of Lesbian & Gay Oppression Bob McCubbin,1993 *The Politics of Crystal Meth* Kenneth Cimino,2005 A non profit executive governmental employee financial advisor travel agent student fashion designer what these gay men have in common is a knowledge of pain obsession despair degradation and finally freedom from the one element that connects their stories crystal meth use Dr Ken Cimino reveals the intimate and horrifying nature of meth abuse and presents ten inspiring true life dramas of meth use and recovery in *The Politics of Crystal Meth* Gay Men Share Personal Stories of Addiction and Recovery In part one he illustrates the varied reasons why gay men use methamphetamines from gay oppression to homophobia to building self esteem to HIV issues In the second part of the book he shares ten personal and motivating stories of meth use and recovery In *The Politics of Crystal Meth* Gay Men Share Personal Stories of Addiction and Recovery experts such as Kathy Rebak Walter Odets and Luciano Colonna talk about issues and problems created by gay men who use meth Gay men addicts bear a social stigma that straight men don t for example making it hard for them to admit their addiction and seek treatment *The Politics of Crystal Meth* also answers the difficult questions Am I an addict and To whom do I turn It describes the principles of the most successful treatment programs and lists the experts currently bringing help to gay men who have meth and other addiction problems *The Politics of Crystal Meth* will educate you possibly scare you and alert you to meth addiction as experienced by ordinary respectable average gay men Whether you think you may be an addict know someone or love someone who is or work with gay addicts this book offers self help through understanding and support Postcolonial, Queer John C. Hawley,2001-08-30 These thirteen essays address possible ramifications arising from the globalization of western notions of gay and lesbian identities Examining postcolonial literature economics and psychology from a queer perspective leads to self reflexive consideration of the canonization of postcolonial studies and queer theory in western academe **Sociolegal Control of Homosexuality** Donald J. West,Richard Green,2006-04-11 Despite the gains made by gay rights movements throughout the world there are still areas in which homosexuals and their relationships are targeted as immoral and criminal *Sociolegal Control of Homosexuality* a comprehensive up to date examination of governmental and religious reaction to issues of sexual orientation in regions such as Asia and the Middle East not often covered in English language publications includes a sampling of international legislation both proscriptive and liberal the effects of fundamentalist religious movements new scientific information concerning the origin of sexual orientation and much more LIST Gay Conservatives Kenneth Cimino W,2012-11-12 Discover why LGBT voters support conservative political platforms that don t benefit the LGBT community Recent studies show that the vast majority of the LGBT community considers itself politically liberally Yet nearly 25% of all LGBT voters helped re elect George W Bush in 2004who are these people and why did they make that choice *Gay Conservatives* examines why conservative LGBTs join political groups and support political candidates that not only don t favor policies that benefit

the LGBT community but in some cases advocate prejudicial policies This thought provoking book looks at the impact of group consciousness on conservative LGBTs and how it affects political power and social construction Gay Conservatives uses both quantitative and qualitative studies that center on conservative LGBTs within in the LGBT community while using data collected on liberal LGBTs for comparison purposes Log Cabin Republicans and StoneWall Democrats in several cities were interviewed and an online survey of more than 1 000 LGBTs was conducted by the Gill Foundation in an effort to understand the political identity of conservative LGBTs and how it fits into the bigger picture in the LGBT community The book examines howand whyconservative LGBT activity conflicts with the general interests of the community including the constitutional rights of LGBT individuals to marry whether LGBTs should be allowed to serve openly in the United States military and whether state and local governments should play a more significant role in dealing with hate crimes directed at the LGBT community Topics discussed in Gay Conservatives include group consciousness and minority identity pluralism David Truman the homosexual identity stages the history of the gay liberation movement creating a group identity the Mattachine Society Stonewall the impact of AIDS the rise of Queer Nation the difficulties of coming out and much more Gay Conservatives is an enlightening and educational read for anyone interested in politics and the political behavior of voters in the United States

Animal Rights/Human Rights David Nibert,2002-05-28 This accessible and cutting edge work offers a new look at the history of western civilization one that brings into focus the interrelated suffering of oppressed humans and other animals Nibert argues persuasively that throughout history the exploitation of other animals has gone hand in hand with the oppression of women people of color and other oppressed groups He maintains that the oppression both of humans and of other species of animals is inextricably tangled within the structure of social arrangements Nibert asserts that human use and mistreatment of other animals are not natural and do little to further the human condition Nibert s analysis emphasizes the economic and elite driven character of prejudice discrimination and institutionalized repression of humans and other animals His examination of the economic entanglements of the oppression of human and other animals is supplemented with an analysis of ideological forces and the use of state power in this sociological expose of the grotesque uses of the oppressed past and present Nibert suggests that the liberation of devalued groups of humans is unlikely in a world that uses other animals as fodder for the continual growth and expansion of transnational corporations and conversely that animal liberation cannot take place when humans continue to be exploited and oppressed

The Material Queer Donald Morton,1996-06-20 The Material Queer is an innovative anthology that offers a materialist understanding of marginal sexualities by accounting for the full range of classic and contemporary views It breaks with the classic tradition in lesbian and gay studies and also with ludic post modern theory by insisting on the embeddedness of gender and sexuality in the social division of labor

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman,George Haggerty,2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can

be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future **Race, Gender & Class** ,1996

Transgender Warriors Leslie Feinberg,1997-06-30 The foundational text that gave me life changing context helping me to understand who I was and who came before me Tourmaline activist and filmmaker Transgender Warriors is an essential read for trans people of all ages who want to learn about the towering figures who have come before them and for everyone who is part of the fight for trans liberation This groundbreaking book far ahead of its time when first published in 1996 and still galvanizing today interweaves history memoir and gender studies to show that transgender people far from being a modern phenomenon have always existed and have exerted their influence throughout history Leslie Feinberg herself a lifelong transgender revolutionary reveals the origin of the check one box only gender system and shows how zie found empowerment in the lives of transgender warriors around the world from the Two Spirits of the Americas to the many genders of India from the trans shamans of East Asia to the gender bending Queen Nzinga of Angola from Joan of Arc to Marsha P Johnson and beyond This book was published with two different covers Customers will be shipped the book with one of the available covers *Warped: Gay Normality and Queer Anti-Capitalism* Peter Drucker,2015-02-04 Recent victories

for LGBT rights especially the spread of same sex marriage have gone faster than most people imagined possible Yet the accompanying rise of gay normality has been disconcerting for activists with radical sympathies Global in scope and drawing on a wide range of feminist anti racist and queer scholarship and analysis *Warped Gay Normality and Queer Anti Capitalism* shows how the successive same sex formations of the past century and a half corresponding to different phases of capitalist development have led both to the emergence of today s homonormativity and homonationalism and to ongoing queer resistance The book s second half summarises different sexual rebellions and the queer dimension of multifarious movements for social justice and transformation seeing in them harbingers of a unified and powerful queer anti capitalism Critical InQueeries Steven Angelides,Craig Bird,1995 *Sexuality and the World's Religions* David Wayne Machacek,Melissa M. Wilcox,2003-08-13 Exploring one of the most controversial topics in contemporary theology this scholarly volume reveals

what the world's great faiths East and West preach about sexuality with a special emphasis on American religion What do the world's most important religious texts have to say about one of humanity's favorite activities Editors David W Machacek and Melissa M Wilcox have brought together top scholars in the field of religious studies to ask and answer these critical questions Carefully researched elegantly written and respectfully presented *Sexuality and the World's Religions* explores the intersection of the spiritual and the carnal in Buddhism Christianity Confucianism Daoism Hinduism Islam Judaism and African and Native American spiritual traditions A separate section explores critical religious and sexual topics in American society including the role of spirituality in gay lesbian bisexual and transgender communities the role of sex in the modern witchcraft community and the ever thorny problem of religion and sexual liberty Reconciling sexuality and spirituality in every human soul is one of religion's most important tasks Students and other readers will find this timely and comprehensive volume of interest in exploring these issues
