**Exposing the Spiritual Roots of Disease** Henry W. Wright, 2019-10-15 In *Exposing the Spiritual Roots of Disease* Dr Henry Wright presents a thoroughly biblical and compelling case for healing. If you think you've read all you need to know about healing it's time to take another look. In this updated edition with expanded material, Dr Wright clearly shows that disease is not a random occurrence and that science and medicine have their place in dealing with illness but can only offer disease management. What if the answers to true healing and freedom have been in the Bible all along? Dr Wright spent decades learning the spiritual roots of disease and blocks to healing. In his journey, he discovered that there is a spiritual root issue in about 80 percent of all diseases which is a direct result of a breakdown in our relationship with God ourselves or others. Through his groundbreaking teachings, he helped hundreds of thousands to experience wholeness in their lives. If you have recently received a diagnosis or have been struggling with your health for years, there is hope and healing ahead. Dr Henry Wright destroys the lie that we are helpless victims of diseases. This book is long overdue and is essential reading for any Christian struggling with sickness and for those who seek to minister to them. Dr Rebecca Williams MA MB ChB DRCOG DCH DTM H. Dr Wright uses a solid scriptural base to reveal the roots of disease and give clear guidance on how we can be free in spirit, soul, and body. Sheila Pitcock LVN *Exposing the Spiritual Roots of High Blood Pressure* Henry W.

Wright, 2021-12-07 *Be Strategic in Your Fight Against High Blood Pressure* Are you struggling to control your high blood pressure? You're not alone. According to the American Heart Association, the battle against high blood pressure is being fought by over 100 million Americans today, nearly half of the nation's adult population. But God has a different plan for you: learning the spiritual roots that often lead to high blood pressure so you can better identify the cause and be strategic in winning the battle against this disease and its negative effects on the heart. In *Exposing the Spiritual Roots of High Blood Pressure*, Dr Henry Wright combines medical findings with powerful biblical truths to show you how to live in the wholeness God has always planned for you in your spirit, soul, and body. If you think you've read all you need to know about healing and disease prevention, it's time to take another look. **The Roots of Prejudice: Uncovering the Causes of Racial Discrimination**

Pasquale De Marco, 2025-04-26 In *The Roots of Prejudice: Uncovering the Causes of Racial Discrimination*, we take a deep dive into the complex and often painful history of race relations in America, exploring the historical, social, and psychological factors that have shaped racial inequality and discrimination. This comprehensive book examines the legacy of slavery, segregation, and institutionalized racism, as well as the ways in which implicit bias and unconscious stereotypes contribute to ongoing racial disparities. Through in-depth analysis and real-world examples, the book delves into the impact of racial discrimination on various aspects of life, including education, employment, housing, criminal justice, and health. It explores the economic dimensions of racial inequality, the role of the media and education in shaping attitudes and beliefs, and the challenges faced by minority communities in achieving equal opportunities and outcomes. The book also highlights the

resilience and resistance of people of color in the face of discrimination It examines the role of activism advocacy and coalition building in promoting racial justice and equality It also explores the importance of critical thinking media literacy and education in challenging racist narratives and fostering a more inclusive and equitable society The Roots of Prejudice is a call to action for individuals communities and institutions to confront the legacy of racism and work towards a more just and equitable future It offers a roadmap for dismantling systemic racism promoting understanding and building a society where everyone has the opportunity to reach their full potential This book is essential reading for anyone who wants to understand the roots of racial discrimination and its impact on society It is a valuable resource for educators policymakers activists and anyone committed to creating a more just and equitable world If you like this book write a review on google books

**The Roots of Equality** Lantz Miller, 2023-07-31 For centuries thinkers have grappled with the mystery of how humans first formulated the notion of equality The species is quite territorial and according to history has demonstrated a violent streak How could such a creature have developed the peaceful impulse to ensure everyone gets their fair share Some have surmised that equality was a last gasp measure the guarantee of peace to avert self annihilation However a closer examination of the phenomenon across the existence of Homo sapiens illuminates a naturalistic solution to the puzzle Lantz Miller traces the early advancements of our species to argue that rather than concocting equality to forestall self annihilation it was forged through a lived condition of freedom over hundreds of thousands of years Bringing together insights from both philosophy and anthropology *The Roots of Equality* Anthropological and Normative Sources investigates how our foraging ancestors came to thrive in egalitarian communities without sacrificing autonomy along the way
