Service In The Space Between Darkness And Light A Service For Holy Week:

In the Space Between Darkness and Light Debra Carl Freeman, James D. Freeman (pastor.), 1995-01 **Where God Hides Holiness** Laurie M. Brock, Mary E. Koppel, 2012 This new book shares the joy humor surprises grief and messiness when god invites us to strip away the personas of perfect priest or perfect Christian and rediscover what is sacred and genuine about ourselves and our faith Priests and writers Brock and Koppel relate common and unique experiences here as we join them on a sometimes startling journey of faith With a genuine no holds barred approach and unique style the authors address common life experiences with wit revelation and self discovery as they unpack the dirtiness of failure the messiness of death the frailty behind our personas and the joy of resurrection as new life with lessons learned The new book also features questions for reflection written by New York Times best selling author Lauren Winner who wrote *Girl Meets God* and *Still Visit* their blog at <http://dirtysexyministry.blogspot.com> **Together for a Season: All-age seasonal resources for Lent, Holy Week and Easter** Peter Craig-Wild, Diane Craven, Peter Moger, 2007 A practical companion through the Church's year for all those planning and leading all age worship It offers an array of creative material designed to bring to life the seasonal liturgy of Lent Holy Week and Easter including Pentecost **Common Worship: Holy Week and Easter** Common Worship, 2013-07-15 A complete liturgical resource to the richest days of the Christian year grouping the seasonal liturgies of Holy Week and Easter with Holy Communion Order One New musical settings are included and it is designed for use on the altar and on the move in worship **A Curious Faith** Lore Ferguson Wilbert, 2022-08-02 God created us to be curious We innately wonder about the world one another ourselves and our Creator But fear of the unknown cultural taboos technology or even church leaders can smother our curiosity Popular writer Lore Ferguson Wilbert has belonged to Christian communities that discouraged curiosity The point of the Christian life was to have the right answers and asking questions reflected a wavering faith But Wilbert came to discover that the Bible is a permission slip to anyone who wants to ask questions Reflecting her own theological trajectory toward a more contemplative expansive faith Wilbert invites readers to foster curiosity as a spiritual habit This book explores questions God asks us questions we ask God and questions we ask each other Christianity is not about knowing good answers says Wilbert but about asking good questions ones that foster deeper intimacy with God and others A Curious Faith invites readers to go beyond pat answers and embrace curiosity rather than certainty as a hallmark of authentic faith Foreword by Seth Haines **Jesus, Guide of My Life** Joyce Rupp, 2023-12-01 In *Jesus Guide of My Life* bestselling and award winning author and retreat leader Joyce Rupp takes us by the hand this Lent to explore the words and actions of Jesus in the gospels so that his teachings and living presence can inspire our spiritual transformation In this third installment in her trilogy of Lenten daily reflection books Rupp offers her insight and personal experience of the power of the Gospel to shape our lives She explains that the wisdom and reassurance of Jesus can pilot us when we are caught in the stormy weather of grief and serve as guardrails when our minds travel on roads made of worry

and self deprecation Rupp will help us connect with Jesus as not only a teacher healer and counselor who sets direction for our lives but also as the Way Jn 14 6 in whom we abide in divine love For each of the forty days of Lent Rupp offers a brief reflection that opens new dimensions of a gospel account of Jesus s ministry and applies his guidance to our lives today She also includes a prayer and daily intention that invites us to spiritual growth and to reach fuller depths in our faith Questions for personal reflection or group discussion are included Spiritual Warfare Harold Ristau,2023-01-25 Jesus Christ is the light that no darkness can overcome Spiritual warfare isn t always obvious It s normally not scary or spooky it s usually rather mundane Yet it s real and always miraculous In *Spiritual Warfare* Harold Ristau shows how faithful spiritual warfare isn t about secret methods and rituals Rather for the care of souls pastors already have all they need in God s word The Spirit s gifts equip Christians for whatever challenges await them in ministry even fighting against the wiles of the devil *Spiritual Warfare* helps pastors inform prepare and equip the saints for the battle The good fight is fought in prayer and worship As the church preaches the forgiveness of sins the darkness is pierced with the light of Christ and those in bondage are freed

Praying with Every Heart Claudio Carvalhaes, 2021-08-26 This book develops an understanding of prayer from a liberation theological perspective Praying with offers a distinctive way of praying that can help orient our prayers around the where we pray and with whom we pray as the locus of the body's and heart's theological praxis The book helps create language to pray with people and in situations we are not used to praying with it insists on praying amidst racism poverty violence and suffering it calls us to pray at night and at the end of the world when we are overcome by fear hurt climate disaster or economic impoverishment it ventures into interfaith prayer settings and it claims a sense of self that is not discrete encapsulated in its own thinking or feeling rather it understands the notion of the self as entangled with the whole earth and each sentient and nonsentient being Thus to pray with in this book is to take the location of one's prayer more seriously and individually and collectively to gain an awareness of our grounding and positionality therefore creating a theological structure that assumes both the listening of our own heart and the voices of everything around us
