

Service In The Roman Army

Richard Edwin Smith

Service In The Roman Army:

Service in the Roman Army Roy W. Davies, David John Breeze, 1989 *Service in the Post-Marian Roman Army* Richard Edwin Smith, 1961 *Ancient Greece and Rome* Keith Hopwood, 1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament's New Model Army from 1645 to 1650 Although Fairfax emerged as England's most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax's relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally **Roman Military Service** Sara Elise Phang, 2008-01-14 In this book Sara Phang explores the ideals and realities of Roman military discipline which regulated the behavior of soldiers in combat and their punishment as well as economic aspects of their service including compensation and other benefits work and consumption This thematically organized study analyzes these aspects of discipline using both literary and documentary sources Phang emphasizes social and cultural conflicts in the Roman army Contrary to the impression that Roman emperors bought their soldiers and indulged them discipline restrained such behavior and legitimized and stabilized the imperial power Phang argues that emperors and aristocratic commanders gained prestige from imposing discipline while displaying leadership in person and a willingness to compromise with a restive soldiery **A Companion to the Roman Army** Paul Erdkamp, 2011-03-31 This companion provides an extensive account of the Roman army exploring its role in Roman politics and society as well as the reasons for its effectiveness as a fighting force An extensive account of the Roman army from its beginnings to its transformation in the later Roman Empire Examines the army as a military machine its recruitment training organization tactics and weaponry Explores the relationship of the army to Roman politics economics and society more broadly Considers the geography and climate of the lands in which the Romans fought Each chapter is written by a leading expert in a particular subfield and takes account of the latest scholarly and archaeological research in that area History of The Roman Legions Several Authors, 2015-12-17 An extraordinary eBook Over 800 pages 42 full color illustrations out of the text of Tancredi Scarpelli Italian illustrator 30 full color illustrations out of the text of great painters various illustrations black and white in the text All the texts of this eBook are free available on the web Why buy it Because the book is a resource that provides to a considerable added value it coordinates in logical way to gather texts scattered on the web the images in full color and in black and white list of films set in ancient Rome the Most Important Movies All the arguments of the eBook The History of all roman legions Organization Equipment Body armour

Tactics Levy and conditions of service Campaign record Marching order and camps Social impact of military service Political history of the Roman military Roman kingdom Roman Republic from late Republic to mid Roman Empire Middle Roman Empire Late Roman Empire Other Imperial cavalry Privileges Relations Oligarchical rule Composition of legions Roman conquest of Italy Pattern of Roman expansion Benefits of Roman hegemony Military organisation of the Roman alliance Historical cohesion of the Roman alliance Samnite Wars Pyrrhic War 2nd Punic War Social War Integration of socii Causes of socii revolt Outbreak of revolt Roman unification of Italy Expansion of the Roman Republic Imperial times Conquest of the Iberian peninsula 219 18 BC Macedon the Greek poleis and Illyria 215 148 BC Jugurthine War 112 105 BC Resurgence of the Celtic threat 121 BC New Germanic threat 113 101 BC Conflicts with Mithridates 89 63 BC Campaign against the Cilician pirates 67 BC Caesar's early campaigns 59 50 BC Triumvirates Caesarian ascension and revolt 53 30 BC Empire Imperial expansion 40 BC 117 AD Year of the Four Emperors 69 AD Jewish revolts 66 135 AD Struggle with Parthia 114 217 AD Usurpers 193 394 AD Struggle with the Sassanid Empire 230 363 AD Collapse of the Western Empire 402 476 AD Social War Civil Wars Documents The Battle of Metaurus B 207 The War with Porsena The Conquest of Gaul The Cimbri and Teutones Political Quarrels The Battle of Chalons A D 451 The First Punic War The Praetorian Influence The Great Enemies of Rome Pyrrhus Relation of the Augustan Age to other Literary Epochs Roman Religion Bibliography List of films set in ancient Rome The Most Important Movies Source of the Texts

Military Service and the Integration of Jews into the Roman Empire Raúl González-Salineró, 2022-02-28 According to Raúl González Salineró the plurality of religious expressions within Judaism prior to the predominance of the rabbinical current disproves the assumption according to which some Jewish customs and precepts especially the Sabbath prevented Jews from joining the Roman army without renouncing their ancestral culture The military exemption occasionally granted to the Jews by the Roman authorities was compatible with their voluntary enlistment as it was in the Hellenistic armies in order to obtain Roman citizenship As the sources attest Judaism did not pose any insurmountable obstacle to integration of the Jews into the Roman world They achieved a noteworthy presence in the Roman army by the fourth century CE at which time the Church's influence over imperial power led to their exclusion from the militia armata

The Republican Roman Army Michael M. Sage, 2013-01-11 The Republican Roman Army assembles a wide range of source material and introduces the latest scholarship on the evolution of the Roman Army and the Roman experience of war The author has carefully selected and translated key texts many of them not previously available in English and provided them with comprehensive commentaries and essays This wide ranging survey of documents recreates the social and historical framework in which ancient Roman warfare took place from the Archaic and Servian period through to the Late Republic The topics addressed extend beyond the conventional questions of army mechanics such as strategy and tactics and explore questions such as the army's influence on Roman society and its economy Complete with notes index and bibliography The Republican Roman Army provides students of Ancient and Military

History with an unprecedented survey of relevant materials **The Roman Army** David J. Breeze, 2016-02-11 This authoritative short volume introduces readers to the Roman army its structure tactics duties and development One of the most successful fighting forces that the world has seen the Roman army was inherited by the emperor Augustus who reorganized it and established its legions in military bases many of which survived to the end of the empire He and subsequent emperors used it as a formidable tool for expansion Soon however the army became fossilized on its frontiers and changed from a mobile fighting force to a primarily defensive body Written by a leading authority on the Roman army and the frontiers it defended and expanded this is an invaluable book for students at school and university level as well as a handy guide for general readers with an interest in military history the rise and development and fall of the Roman legions and the ancient world The Making of the Roman Army Lawrence Keppie, 2002-01-04 In this new edition with a new preface and an updated bibliography the author provides a comprehensive and well documented survey of the evolution and growth of the remarkable military enterprise of the Roman army Lawrence Keppie overcomes the traditional dichotomy between the historical view of the Republic and the archaeological approach to the Empire by examining archaeological evidence from the earlier years The arguments of The Making of the Roman Army are clearly illustrated with specially prepared maps and diagrams and photographs of Republican monuments and coins **Warfare and Culture in World History, Second Edition** Wayne E. Lee, 2020-08-31 An expanded edition of the leading text on military history and the role of culture on the battlefield Ideas matter in warfare Guns may kill but ideas determine when where and how they are used Traditionally military historians attempted to explain the ideas behind warfare in strictly rational terms but over the past few decades a stronger focus has been placed on how societies conceptualize war weapons violence and military service to determine how culture informs the battlefield Warfare and Culture in World History Second Edition is a collection of some of the most compelling recent efforts to analyze warfare through a cultural lens These curated essays draw on and aggressively expand traditional scholarship on war and society through sophisticated cultural analysis Chapters range from an organizational analysis of American Civil War field armies to an exploration of military culture in late Republican Rome to debates within Ming Chinese officialdom over extermination versus pacification In addition to a revised and expanded introduction the second edition of Warfare and Culture in World History now adds new chapters on the role of herding in shaping Mongol strategies Spanish military culture and its effects on the conquest of the New World and the blending of German and East African military cultures among the Africans who served in the German colonial army This volume provides a full range of case studies of how culture whether societal strategic organizational or military could shape not only military institutions but also actual battlefield choices Man and Wound in the Ancient World Richard A. Gabriel, 2012 Examines the fascinating role of medicine in ancient military cultures Shows how the ancients understood the body patched up their warriors and sent them back into battle Reveals medical secrets lost during the Dark Ages Explores how ancient civilizations technologies have

influenced modern medical practices *The Roman Army, 31 BC - AD 337* Brian Campbell,2006-05-23 The Roman army is remarkable for its detailed organisation and professional structure It not only extended and protected Rome s territorial empire which was the basis of Western civilisation but also maintained the political power of the emperors The army was an integral part of the society and life of the empire and illustrated many aspects of Roman government This sourcebook presents literary and epigraphic material papyri and coins which illustrate the life of the army from recruitment and in the field to peacetime and the community It is designed as a basic tool for students of the Roman army and Roman history in general **Augustine on War and Military Service** Phillip Wynn,2013-11-01 Did our modern understanding of just war originate with Augustine In this sweeping reevaluation of the evidence Phillip Wynn uncovers a nuanced story of Augustines thoughts on war and military service and gives us a more complete and complex picture of this important topic Deeply rooted in the development of Christian thought this reengagement with Augustine is essential reading *Warfare and Culture in World History* Wayne E. Lee,2011-01-01 The debate over race in this country has of late converged on the contentious issue of affirmative action Although the Supreme Court once supported the concept of racial affirmative action in recent years a majority of the Court has consistently opposed various affirmative action programs The Law of Affirmative Action provides a comprehensive chronicle of the evolution of the Supreme Court s involvement with the racial affirmative action issue over the last quarter century Starting with the 1974 DeFunis v Odegaard decision and the 1978 Bakke decision which marked the beginnings of the Court s entanglement with affirmative action Girardeau Spann examines every major Supreme Court affirmative action decision showing how the controversy the Court initially left unresolved in DeFunis has persisted through the Court s 1998 99 term Including nearly thirty principal cases covering equal protection voting rights Title VII and education The Law of Affirmative Action is the only work to treat the Court decisions on racial affirmative action so closely tracing the votes of each justice who has participated in the decisions Indispensable for students and scholars this timely volume elucidates reasons for the 180 degree turn in opinion on an issue so central to the debate on race in America today

The Roman Army Pat Southern,2007-10-01 Written by a leading authority on Roman military history this fascinating volume spans over a thousand years as it offers a memorable picture of one of the world s most noted fighting forces paying special attention to the life of the common soldier Southern here illuminates the Roman army s history culture and organization providing fascinating details on topics such as military music holidays strategy the construction of Roman fortresses and forts the most common battle formations and the many tools of war from spears bows and arrows swords and slingshots to the large catapulta which fired giant arrows and bolts and the ballista which hurled huge stones Perhaps most interesting are the details Southern provides about everyday life in the Roman army everything from the soldiers pay they were paid three times per year but money was deducted for such items as food clothing weapons the burial club the pension scheme and so on to their often brutal life if whole units turned and ran about one tenth of the men concerned were chosen

by lot and clubbed to death and the rest were put on barley rations instead of wheat Moreover soldiers who lost weapons or their shields would fight savagely to get them back or would die in the process rather than suffer the shame that attached to throwing weapons away or running from the battle Attractively illustrated this book offers a fascinating look at the life of the Roman soldier drawing on everything from Rome's rich historical and archaeological record to soldier's personal

correspondence to depictions of military subjects in literature and art **The Laws of the Roman People** Caroline Williamson, 2010-02-24 For hundreds of years the Roman people produced laws in popular assemblies attended by tens of thousands of voters to publicly forge resolutions to issues that might otherwise have been unmanageable Callie Williamson's book *The Law of the Roman People* finds that the key to Rome's survival and growth during the most formative period of empire roughly 350 to 44 B C E lies in its hitherto enigmatic public lawmaking assemblies which helped extend Roman influence and control Williamson bases her rigorous and innovative work on the entire body of surviving laws preserved in ancient reports of proposed and enacted legislation from these public assemblies **The New Conscientious Objection**

Charles C. Moskos, John Whiteclay Chambers II, 1993-04-08 Although conscientious objection is a long standing phenomenon it has only recently become a major factor affecting armed forces and society The only comprehensive comparative scholarly study of conscientious objection to military service this book examines the history of the practice in the Western world and state policies that have grown up in response to it It shows how the contemporary refusal to bear arms is likely to be secular and widespread rather than religious and marginal now including service people as seen in the 1991 War in the Persian Gulf as well as conscription resisters No account of civil military relations or peace movements in advanced industrial countries is complete without reference to conscientious objection and this book will be the standard text on the subject *Language and History in the Early Germanic World* D. H. Green, Dennis Howard Green, 2000-08-28 This book presents linguistic

evidence for many aspects of pre Christian and early medieval European culture *The Roman Army and the New Testament* Christopher B. Zeichmann, 2018-10-31 Though New Testament scholars have written extensively on the Roman Empire the topic of the military has been conspicuously neglected leading many academics to defer to popular wisdom Against this trend *The Roman Army and the New Testament* provides a clear discussion of issues that are often taken for granted Who served in the military of early Roman Palestine Why did men join the Roman army seemingly at odds with their own interests as subject peoples What roles did soldiers serve beyond combat How did civilians interact with and perceive soldiers These questions are answered through careful analysis of ancient literature inscriptions papyri and archaeological findings to paint a detailed portrait of soldier civilian interactions in early Roman Palestine Contrary to common assumption Judaea and Galilee were not crawling with Roman legionaries with a penchant for cruelty Rather a diverse mix of men from Palestine and nearby regions served as soldiers in a variety of social roles infrastructure construction dispute mediation bodyguarding officials like tax collectors etc Readers will discover a variety of complex attitudes civilians held toward men of

Roman violence throughout the Roman East The importance of these historical issues for biblical scholarship is demonstrated through a verse by verse commentary on relevant passages that stretches across the entire New Testament from the Slaughter of the Innocents in Matthew's nativity to the climactic battle with the Great Beast in Revelation Biblical scholars seminarians and military enthusiasts will find much to learn about the Roman army in both the New Testament and early Roman Palestine

Service In The Roman Army Introduction

In today's digital age, the availability of Service In The Roman Army books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Service In The Roman Army books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Service In The Roman Army books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Service In The Roman Army versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Service In The Roman Army books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Service In The Roman Army books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Service In The Roman Army books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Service In The Roman Army books and manuals for download have transformed the way

we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Service In The Roman Army books and manuals for download and embark on your journey of knowledge?

FAQs About Service In The Roman Army Books

1. Where can I buy Service In The Roman Army books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Service In The Roman Army book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
