# Serving Latino Communities A Howtodoit Manual For Librarians

**G. Edward Evans,Camila Alire**

## **Serving Latino Communities A Howtoedit Manual For Librarians:**

**Latinos in Libraries, Museums, and Archives** Patricia Montiel-Overall, Annabelle Villaescusa Nuñez, Verónica Reyes-Escudero, 2015-12-17 Written by three experienced LIS professionals *Latinos in Libraries Museums and Archives* demonstrates the meaning of cultural competence in the everyday work in libraries archives museums and special collections with Latino populations The authors focus on their areas of expertise including academic school public libraries health sciences archives and special collections to show the importance of understanding how cultural competence effects the day to day communication relationship building and information provision with Latinos They acknowledge the role of both tacit and explicit knowledge in their work and discuss ways in which cultural competence is integral to successful delivery of services to communication with and relationship building with Latino communities *Librarians Serving Diverse Populations* Lori Mestre, 2010 A qualitative and quantitative assessment and research study of the paths and experiences of librarians whose duties include serving diverse cultures Through surveys interviews and evaluation of documents the author explores issues and challenges raised by the results of the research study Mestre provides recommendations for improvements to curricula and training at Library Schools for libraries seeking someone to fill positions such as diversity librarian positions for follow up training and support after librarians are hired and for how to strengthen diversity efforts Also included are two chapters that provide guidance for getting started as a liaison for diversity and cross cultural efforts in academic libraries This book is the first such research study in academic librarianship *Library Service to Spanish Speaking Patrons* Sharon Moller, 2001-01-15 If your library serves a Latino population you ll want this book It will help you better serve the needs of Spanish speaking patrons of all ages The author gives background information on various Hispanic groups explaining some of the cultural differences that can lead to misunderstanding She then offers a variety of program and collection building ideas A list of distributors of Spanish language materials books periodicals AV materials computer and other educational resources is provided as well as Web site addresses of Spanish language sites Vocabulary lists for library and computer related words and phrases and guidelines for correctly writing Spanish words are also included

*Serving Latino Communities* Camila A. Alire, Orlando Archibeque, 1998 A manual for public libraries planning services to Latinos organized to help library staff approach this under served community systematically Introduces Latino culture and demographics and explores the need for presenting a sound rationale for programming to decision makers Details library services and programs for Latinos based on real life examples and examines issues of funding grant proposals and partnering Also discusses starting a Latino collection and successful outreach Includes a resource directory Annotation copyrighted by Book News Inc Portland OR

*Serving Latino Communities* Camila A. Alire, Jacqueline Ayala, 2007 Aqui esta Here it is the long awaited new edition of *Serving Latino Communities Promote Library and Information Services to Latinos and the Spanish Speaking* build the case for increased service to this important and growing community and provide ideas for making

outreach a success Chapter coverage helps library staff understand the needs of their library s Latino community develop successful programs and services obtain funding for projects and programs prepare staff to work more effectively with Latinos establish partnerships with relevant external agencies and organizations improve collection development and perform effective outreach and public relations to aid in outreach new strategies for conducting focus groups and bilingual surveys an increased number of programming ideas and even more examples of bilingual promotional materials A completely revised and updated resource directory points to the best publications organizations and sites for more information on this growing community

**The American Public Library Handbook** Guy A. Marco, 2011-11-29 A detailed reference work that documents every aspect of the American public library experience through topical entries statistics biographies and profiles The American Public Library Handbook is the first reference work to focus on all aspects of the American public library experience providing a topical perspective through comprehensive essays and biographical information on important public librarians Based upon the author s own notes and extensive experience as well as library periodicals library reference books monographs textbooks Internet sources and correspondence with individual libraries this book comprises nearly 1 000 entries addressing all aspects of public library service Each topical essay considers terminology of the area covered its historical context and current concerns and issues Biographies highlight the philosophical perspective of the individuals covered while entries on specific libraries present timely data and interesting facts about each facility This unique handbook also offers up to date statistics historical highlights and information about programs and events of individual libraries

**Serving Library Users from Asia** John Hickok, 2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e g disabled Latino seniors etc few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the

author's 15 years of research and travels to Asia this work is a must have for all librarians      **Serving New Immigrant Communities in the Library** Sondra Cuban, 2007-04-30 Build strong bridges with new members of your community With this insightful guide you will learn how to assess your current organizational performance with immigrants gather data and use that information to gain support for organizational initiatives You will also discover how to adapt policies to better fit changing needs overcome language barriers develop public relations strategies that reach immigrants and build culturally relevant collections services and programs for a changing community Filled with quotes anecdotes and profiles from the author's research with immigrant communities the book provides both a positive vision and practical plan for serving immigrants in your library school or organization      *Library Services to Youth of Hispanic Heritage* Barbara Immroth, Kathleen de la Peña McCook, 2000-05-15 As the United States becomes ever more comfortable with recognizing the cultural diversity of the many groups that make up its population library services must seek to meet patrons needs as they are shaped and expressed by their cultural backgrounds This goal is particularly important for youth library services For young people of Hispanic heritage library services attuned to their specific needs and interests are crucial Many librarians struggle with how to properly create and maintain library programs and collections that are suitable to the needs of Hispanic youth In this series of essays prepared for the Trejo Foster Foundation for Hispanic Library Education Fourth National Institute national leaders in librarianship present their insights about how best to meet the needs of young Hispanic library patrons The text is introduced by the editors and the essays are arranged in parts Programs Collections Planning and Evaluating Bibliographical Resources and For the Future Information about the contributors and an index conclude the volume      *Library and Information Science* Michael F. Bemis, 2014-03-03 This unique annotated bibliography is a complete up to date guide to sources of information on library science covering recent books monographs periodicals and websites and selected works of historical importance In addition to compiling an invaluable list of sources Bemis digs deeper examining the strengths and weaknesses of key works A boon to researchers and practitioners alike this bibliography Includes coverage of subjects as diverse and vital as the history of librarianship its development as a profession the ethics of information science cataloging reference work and library architecture Encompasses encyclopedias dictionaries directories photographic surveys statistical publications and numerous electronic sources all categorized by subject Offers appendixes detailing leading professional organizations and publishers of library and information science literature This comprehensive bibliography of English language resources on librarianship the only one of its kind will prove invaluable to scholars students and anyone working in the field      **Guide to Reference in Essential General Reference and Library Science Sources** Jo Bell Whitlatch, Susan E. Searing, 2014-08-06 Ideal for public school and academic libraries looking to freshen up their reference collection as well as for LIS students and instructors conducting research this resource collects the cream of the crop sources of general reference and library science information      **Resources in Education** , 2000-10      Adult Programs

in the Library, Second Edition Brett W. Lear, 2013-06-11 Programming is an important means of not only drawing new people to the library but also better serving existing patrons Lear's invaluable guide to adult programs is back and better than ever with refreshed expanded content and new ideas to reinvigorate programs and give them a 21st century spin This edition includes Updated chapters on basics such as funding crafting guidelines topic selection publicity post program evaluations and more A new section on technology with ideas for online book discussions offering programs via Skype and turning programs into podcasts Methods for tailoring programs for specific groups such as men baby boomers and seniors A collection of five star programs from libraries around the country that can be easily adapted Walking the reader through every aspect of adult programming this new edition of a tried and true book is truly a librarian's best friend *Encyclopedia*

*of Library and Information Sciences* John D. McDonald, Michael Levine-Clark, 2017-03-15 The Encyclopedia of Library and Information Sciences comprising of seven volumes now in its fourth edition compiles the contributions of major researchers and practitioners and explores the cultural institutions of more than 30 countries This major reference presents over 550 entries extensively reviewed for accuracy in seven print volumes or online The new fourth edition which includes 55 new entries and 60 revised entries continues to reflect the growing convergence among the disciplines that influence information and the cultural record with coverage of the latest topics as well as classic articles of historical and theoretical importance

Celebrating Cuentos Jamie Campbell Naidoo, 2010-11-18 More effectively meet the diverse literacy needs of the growing Latino population by learning how to evaluate and select quality Latino children's literature Latinos are the fastest growing and largest ethnic minority in the United States The number of Latino children is at a historic high As a result librarians and teachers in the United States must know how to meet the informational cultural and traditional literacy needs of this student demographic group An ideal way to overcome this challenge is by providing culturally accurate and authentic children's literature that represents the diversity of the Latino cultures Much more than simply a topical bibliography this book details both historical and current practices in educating Latino children explains why having quality Latino children's literature in classrooms and libraries is necessary for the ethnic identity development of Latino children and offers a historical overview of Latino children's literature in America Web resources of interest to educators working with Latino children are also included

*The Américas Award* Laretta Henderson, 2015-12-16 First awarded in 1993 the Américas Award is given in recognition of books that authentically and engagingly portray Latino as in Latin America the Caribbean or the United States By combining both and linking the Americas the award reaches beyond geographic borders as well as multicultural international boundaries focusing instead upon cultural heritages within the hemisphere The Award is unique in that selects Latino a youth literature for classroom use and in that it focuses on the entire Western Hemisphere Scholars from the fields of literature education library science and theater engage with Latino a Critical Race Theory LatCrit in this collection of essays about the Américas Award the Award winning and honored books and the contexts in which the books are used This collection offers

essays on the history of the award close readings of Award winning and honored books situated in the classroom and discussions of how best to use the books in the classroom library and theater

**Library Services for Multicultural Patrons** Carol Smallwood, Kim Becnel, 2013 Increasingly libraries are struggling to deal with a growing diversity in the cultural background of their patrons Problems arising from this cultural diversity afflict all library types school public and academic Library Services for Multicultural Patrons is by and for all libraries that are striving to provide multicultural services to match the growing diversity in the cultural background of patrons The book is designed to offer helpful tips and practical advice to academic public and school librarians who want to better serve the multicultural groups in their communities The contributors to the book are themselves practicing librarians and they share creative ideas for welcoming multicultural patrons into libraries and strategies for serving them more effectively Librarians will find in these chapters tried and true tips and techniques for marketing and promotion improving reference services for speakers of English as a second language and enhancing programming that they can easily implement in their own libraries and communities The chapters are divided into the following categories for ease of access 1 Getting Organized and Finding Partners 2 Reaching Students 3 Community Connections 4 Applying Technology 5 Outreach Initiatives 6 Programming and Events and 7 Reference Services Librarians of all types will be pleased to discover easy to implement suggestions for collaborative efforts many rich and diverse programming ideas strategies for improving reference services and library instruction to speakers of English as a second language marketing and promotional tips designed to welcome multicultural patrons into the library and much more

Fundamentals of Collection Development and Management Peggy Johnson, 2009 Addresses the art of controlling and updating your library's collection Discussions of the importance and logistics of electronic resources are integrated throughout the book

*Programming with Latino Children's Materials* Tim Wadham, 1999 This comprehensive resource offers planning and programming tips and information on the materials needed to begin improve or expand upon services to Latino children Most of the suggestions are for a preschool and elementary age audience but older children and intergenerational programs are briefly considered

**Ace the Interview, Land a Librarian Job** Robin O'Hanlon, 2016-01-11 One of the most critical elements of achieving a successful career interviewing with poise and tenacity is a skill to be learned and this practical guide leads readers through that process step by step In a competitive job market all candidates need to prepare to succeed This certainly applies to job seekers looking for professional librarian positions in public academic and or special libraries especially recent MLIS graduates and mid career job changers Designed for today's competitive job market this practical guidebook provides job applicants with practical tips and effective strategies for successful interview preparation and execution specific to seeking librarian positions Unlike generic how to interview guides this book recognizes that there is no one size fits all interviewing method and teaches the techniques for excelling at the unique aspects of interviews for specific librarian positions such as reference librarian electronic resources librarian

outreach librarian youth services librarian and adult programming librarian The book opens with an overview of what is expected during today's librarian interview followed by descriptions by four experienced library directors of what makes an interview truly great This guidebook includes 100 actual library interview questions to help readers best prepare for the specific position they seek and also contains a chapter that identifies mistakes all rookie librarians should avoid making
