lifestyle gives them away In our me first culture servanthood is the earmark of men and women who have discovered the joy of giving But the secret to servanthood isn't running yourself ragged trying to be everything to everyone it's pouring freely out of a full cup the things you were designed to give Love in Action shows how you can break the back of self centeredness and experience the satisfaction of serving others wisely and effectively You'll discover how sharing your unique personal resources and spiritual gifts can become a source of strength to others worship and praise to God and a personal delight that nothing else can match Interactions a powerful and challenging tool for building deep relationships between you and your group members and you and God Interactions is far more than another group Bible study It's a cutting edge series designed to help small group participants develop into fully devoted followers of Christ **Growing A Healthy Church** Dann Spader, Gary Mayes, 1993-10-09 Sheep swapping shuffling of the saints Whatever you call it many churches are growing only because Christians transfer from one church to another What's more many churches aren't growing at all The problem according to authors Dann Spader and Gary Mayes is that too many church calendars are filled with outdated mediocre programs that have become more of a burden than a blessing That coupled with the fact that these programs minister almost exclusively to Christians leaves little for the non Christian seeker to get excited about Growing a Healthy Church is not a list of trendy new programs for your church agenda It is a journey of rediscovery Spader and Mayes look closely at the four stages of spiritual growth in relation to outreach Using the innovative M level system these gifted men show how a church can minister to all individuals regardless of their levels of maturity in potential service This helps eliminate the mistakes of forcing new Christians into service that may overwhelm them or may leave the mature Christian unchallenged Proven successful through SonLife and churches who have used this system this resource will help you focus on the simplicity of Christ's ministry enabling you to build an effective discipling strategy for your church 7 Lessons for New Pastors, Second Edition Matthew D.
