Serving Older Adults Policy Programs And Professional Activities:

Serving Older Adults Andrew W. Dobelstein, Ann B. Johnson, 1985 *Social Work Practice with the Elderly* Marvin David Feit, Michael J. Holosko, 2004 The third edition describes significant practice issues and challenges facing gerontological social workers working with the fastest growing demographic cohort in North America Insightful and creative practitioners provide current accounts and case examples from their work in a variety of settings The material includes both micro and macro practice and offers a focus on advanced specialty practice while also providing an advanced generalist model All the chapters have been rewritten and updated by adding related additional readings and websites Six new chapters have been added on sensory impairment HIV AIDS elder abuse community assisted living rural elderly retirement and volunteerism *Social Work Practice with the Elderly* offers an exciting collection of well crafted readings and will be useful for any social work student at the undergraduate or graduate level It will also be a valuable resource for those in other helping professions who work side by side with social workers in this field nurses physiotherapists music and art therapists psychologists physicians recreational therapists speech and language therapists and clergy *The Changing Face of Health Care Social Work* Sophia F. Dziegielewski, 2003-11-12 Updated and revised this text advocates a proactive stance for health care social workers It will serve as a practical guide that addresses the principles of practice in our current health care environment With the advent of numerous health care changes such as managed health care with its focus on behaviorally based outcomes and objectives this volume illustrates the new face of health care social work This comprehensive text is full of practice oriented tips professional profiles in such diverse arenas of practice as the emergency room home care case management and hospice questions for further study and select Website resources per chapter It will help prepare social workers for the practice change needed in order to become viable clinical practitioners **Gray Agendas** Henry J. Pratt, 1993 *Gray Agendas* presents a groundbreaking cross national study into the complex and interdependent relationship between public policy and the interest groups of the aged Canada Britain and the United States are examined and compared This book provides a unique in depth understanding of how public policies have sparked the creation of organized senior citizen groups which in turn through their intensified political clout have been able to shape subsequent public policy The book begins with a historical perspective on the state s role in the lives of the aged and the indirect consequences of various policies on the elderly population including most specifically age group mobilization Later consideration is given to widespread economic social and ideological changes in age policy and the effect that new interest group formation had and continues to have upon these changes The final chapters are concerned with current issues surrounding the present density of organized age based activity and the effects of transformed state policy on the future of interest groups for the aged The unique topic of *Gray Agendas* will prove interesting not only to those interested in the fields of sociology history and political science but also will help fill the gap of scholarly information on issues concerning the elderly s organizations proving

invaluable to those interested in social gerontology and related areas of study **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 **Making Ethical Decisions** Louis B. Weeks,1987-01-01 Each day individuals make choices that have moral implications Whether the choices concern major or minor issues they involve questions that often confuse Christians This practical book helps establish a basis for ethical decision making by providing principles and showing how those principles can be applied **National Library of Medicine**
