explores how this is achieved and highlights the worker resistance that is provoked as a result The book concludes by demonstrating how the discourse of freedom underlying the managerial version of authenticity harbours potential for a radical transformation of the contemporary corporate form

**Come Back To Me** Jay Little, 2012-04-21 I died on Tuesday afternoon May 24th 2011 I had just suffered sudden cardiac death Yet somehow I was revived shocked back to life Afterwards a combination of doctors and technology worked on restoring my physical body Even after resuscitation I was in critical condition hanging on by a thread Meanwhile my mind wandered in oblivion for weeks Against all odds I survived My physical recovery was miraculous and amazed everyone But my emotional mental and spiritual recovery took much much longer Looking back on it now I m convinced my survival all started with a kiss and a whisper come back to me This is my story a story of a 38 year old man who suffered a massive heart attack followed by a number of life threatening complications It is a story of the obstacles and miracles encountered along my path to recovery so that catharsis could do its job A job made much easier now that the worst of the danger has passed and life has returned to as normal as it will ever be again
