Inside Act Ken Womble, 2014-04-01 Why do some actors make it and others don't? Ken Womble sets out to find the answer to this question, one that has fascinated and tormented him for years, in his new book **INSIDE ACT: How Ten Actors Made It and How You Can Too**. **INSIDE ACT: How Ten Actors Made It and How You Can Too** identifies what sets successful actors apart. For Womble, it's about the inner choices, the inside acts of working actors, acts that have propelled them to thriving careers in one of the most competitive professions on the planet. Ken Womble interviews actors Debra Monk, Eric Ladin, Krysta Rodriguez, Tony Yazbeck, James Earl Ray, Gary Beach, John Tartaglia, Robert Clohessy, Jose Llana, and Richard Portnow about their inside acts, the important choices of their acting careers. The interviews explore the intriguing journeys that have led these actors to successful careers and to Tony Emmy and Screen Actors Guild Awards, the most prestigious acting awards in theater and television. Actor interviews are followed by interviews with two of each actor's success team: the agents, managers, directors, and coaches who know them well. Womble then identifies the actor's most frequently used actions, skills, and beliefs, the keys to each actor's success.
