Set For Life:

Set for Life Andrew Ewell, 2025-02-04 A hilarious hugely entertaining Jay McInerney author of *Bright Lights Big City* novel that captures the complexities of marriage art friendship and the fictions we create in order to become the people we wish to be A creative writing professor at a third tier college in upstate New York is on his way home from a summer fellowship in France where he's spent the last three months loafing around Bordeaux tasting the many varieties of French wine at his disposal and doing just about anything but actually working on his long overdue novel A stopover in Brooklyn to see his and his wife's closest friends John a jaded poet turned lawyer with a dubious moral compass and Sophie a once promising fiction writer with a complicated past and a mysterious allure causes further trouble when he and Sophie wind up sleeping together while John is out serenading Brooklyn coeds with poems instead of preparing legal briefs But instead of succumbing to his failures as a teacher writer and husband an odd freedom begins to bubble up Could a love affair be the answer he's been searching for Could it offer the escape he needs from the department chair Chet Bland who's been breathing down his neck Relief from the gossip of colleagues and generational tension with students Respite from embarrassment with his wife Debra Crawford and her meteoric rise as a novelist His escapades might even make the perfect raw material for an absolutely devastating novel which would earn him tenure wealth and celebrity everything he needs to be set for life If only he could be the one to write it A brilliant case of art imitating life Andrew Ewell's sharp witty Richard Russo author of *Straight Man* debut is a poignant tour de force that asks who owns whose story skewers the fictions created from our lives and others and brings a whole new meaning to the phrase publish or perish *Successful and Set for Life* Les J. Tripp MBA, 2015-10-27 The road to success never takes the path of least resistance and unfortunately often comes at the expense of peace of mind and personal values With influences from mass media changing the definition of success every day we must all look deep within to identify what success means to each of us and then utilize that information to overcome obstacles realize freedom and attain goals Les Tripp relies on his diverse experience as an economics professor investment consultant and motivational speaker to help others seek a higher purpose aspire to greatness and stay focused Through anecdotes inspirational sayings and an organized step by step plan Les leads individuals to create a personal mission statement transform limiting thoughts into positive equivalents embrace education ask the right questions learn the value of each chapter in life and make choices that align with goals *Successful and Set for Life* shares practical advice tips and tools that will empower and guide success seekers down a new path to achieving all their personal and professional dreams
