Setbacks ... a Memoir William McCloud, 2004-06-01 Growing up poor black and undereducated provided Bill McCloud with lots of challenges to overcome But these setbacks made him the success he is today Bill's mother Fannie who gave birth to five children by four different fathers left all of them to be raised by her strict mother Although illiterate and bound by a strict work ethic left over from slavery Grandma did her best Grandma taught her grandchildren the value of money and hard work When a child didn't perform as expected they were beaten and whippings were almost daily Because they lived on welfare 11 a month for food and 10 a month for rent Grandma refused to connect the electricity Water came from a well the toilet was an outhouse and winter heat was almost nonexistent God was to be respected by church attendance all day every Sunday Bill's mother Fannie came into his life when Grandma got sick but she didn't know the first thing about being a mother In a role reversal Bill who had learned how to be resourceful at an early age became Fannie's support and she had him working at a bordello at age fifteen Foregoing his dreams of education he found other jobs and was supporting his whole family before he was twenty Bill's efforts for the family were almost always undermined by Fannie's spendthrift conniving ways A fascinating and compelling story of overcoming the odds Bill McCloud's memoir is touching painful inspiring and even hilarious

Memoirs of a Militia Sergeant Manuel Antônio de Almeida,2000-01-06 Recognized as a turning point in Brazilian literature this entertaining novel of urban manners follows the ne er do well Leonardo through his various romantic liaisons and frequent scrapes with the law First printed in weekly installments in 1852 and later published in two volumes in 1854 55 *Memoirs of a Militia Sergeant* comprises a series of humorous vignettes held together by the adventures and misfortunes of this young rogue who matures from a handful of a toddler into a ruffian of a boy and an idler of a young man and his father also named Leonardo Manuel Ant nio De Almeida tells a story in everyday language that is rich in detail of life on the streets and the modest circumstances of the free poor of Rio de Janeiro Through satirical accounts of the escapades of characters who always seem close to the brink of some personal crisis or social misstep yet who manage to pull through by hook or by crook Almeida makes a subtle and incisive comment on Brazilian urban society and culture of the nineteenth century Now available in a new and lively translation *Memoirs of a Military Sergeant* occupies an important position in the satirical literature of Brazil and the world *The Lost Memoirs of Augustus* Anton Powell,Christopher Smith,2008-12-31 Augustus Memoirs written probably in the mid 20s BC might have been one of the most revealing texts of Roman history had they survived Far longer than his surviving Res Gestae the Memoirs seem to date from a period at which the wounds of Rome s civil wars were fresh and the emperor s partisan past might be recalled with discomfort Existing fragments and testimonia

Watson,2008-10-03 In 1882 Kano opened his Kodokan dojo in Tokyo where he taught jujutsu to his first class of nine students His choice of the name Kodokan symbolizes precocity in one so young and is highly significant for it means the institute where one is guided along the road to follow in life that is to say a road that one travels as a means of self cultivation which Kano regarded as the optimum way to live ones life This cultivation however can only be attained following long years of training made with vigorous exertion in an effort to reach the ultimate goal self perfection At the age of twenty four Kano abruptly gave up the teaching of this ancient and altogether brutal activity and never taught jujutsu again In his attempt to create for the modern age a non violent spiritually inspiring antagonistic art he carried out research on several styles of jujutsu Primarily in the interests of both safety and practicality he altered and added his own devices to the techniques that he was later to incorporate into his newly conceived system of skills which he named Kodokan judo In lectures Kano often stated the following The ultimate object of studying judo is to train and cultivate body and mind through practice in attack and defense and by thus mastering the essentials of the art to attain perfection of oneself and bring benefits to the world He had sought to create in judo therefore something positive out of something largely negative
