This encyclopedic book contains in practical and easy to understand form every conceivable use for essential oils and aromatherapy in everyday life. The author, a practicing aromatherapist for more than twenty years, unlocks the power of essential oils in more than 600 original recipes, most needing only a few essential oils. Unlike over the counter products, the recipes you make yourself contain no harmful preservatives. Most basic needs can be covered with just ten essential oils. **Aromatherapy** Demetria Clark, 2015-06-10. Aromatherapy is the practice of using scent to stimulate a healing response for curing physical, emotional and mental health issues. Essential oils formed from the aromatic compounds found in flowers, seeds, stems, roots, leaves and fruits can be used in the bath, in skin care products and in diffusers for application in the air. Aromatherapy covers how to use essential oils safely and effectively and provides recipes for combinations of scents for specific health needs.
