Settlers Prairie A Family Triumphs Over Tragedy:

Settler's Prairie Robert Connerly, 2002-10 An adventure beyond social mobility portrays the importance of human resource development as a life pursuit One objective is to document for my family information about my roots educational struggles and my adult life The account a legacy to my family and Africa sends a message to other children born into similar socio economic and cultural environment that hard work ultimately yields dividends Another objective is to share with scholars interested in African development efforts by the international community to foster such development focusing on the population sector The contribution under reference is not limited to personal publications it also includes the recommendations from conferences meetings seminars studies symposia and workshops organized under varying auspices of the international community A final objective is to highlight key factors accounting for my social mobility in relation to those reported in social science literature In terms of content chapter one outlines the way of life of people in my village their survival strategies their traditional beliefs and religion and cultural background as aspects of my roots Chapter two discusses my educational training experiences The focus of chapter three is the re entry problems that I encountered on returning to Nigeria from studies overseas and my initial contribution to African population and development literature Chapter four highlights the evolution of the United Nations Economic Commission for Africa ECA and the development of African regional population program within the framework of the African census program The next three chapters five seven capture details of the main activities within the region in the course of my working for the ECA While chapter eight outlines factors that have facilitated my upward mobility and relates the latter to those generally reported in social science literature as influencing social mobility chapter nine focusses on my ongoing retirement

Tragedy and Triumph on the Texas Plains Chuck Lanehart, 2021-05-03 Out on the Texas Plains wrangling with history resembles taking in the sunset a stampede of splendor and shadow all at once Roam an Ohio sized patch of prairie and take stock of the heroic tasks and moral dilemmas facing the unforgettable characters who called West Texas home Ben Hogan sinks a putt with the focus of the Clovis man who hunted mammoth in the same spot thousands of years before Lubbock's largest lawsuit runs its interminable course And a starving Roy Rogers makes a quick meal of jackrabbit on the Llano Estacado Chuck Lanehart gathers statesmen and journalists outlaws and entertainers in these profiles of the Texas Plains

The Fruited Plain Walter Ebeling, 2023-11-15 Some consider American agriculture as one of the wonders of the modern world In this book Walter Ebeling tells its story Professor Ebeling grew up on a farm loves the soil and had the good fortune to have been closely associated with the land in all its aspects Beginning with a brief history of why and how preagricultural peoples changed from hunters and gatherers and eventually became tillers of the soil Professor Ebeling then deals with the seven geographic regions of the United States from the East to California giving the history and present status of agriculture for each region Although the main thrust of *The Fruited Plain* is the drama romance and excitement of the American agricultural experience Professor Ebeling is concerned

with the environmental ecological and sociological aspects of agriculture and its supporting industries He discusses environmental problems in America that began when the Indians shifting agriculture allowing for long periods of soil restoration was replaced by the white man s permanent agriculture He examines the modern technology for a successful and environmentally viable permanent agriculture and how it can be implemented on a much larger scale The questions asked and answered are what are the principal environmental problems What is being and or can be done about soil erosion Scarcity of water Urban encroachment on agricultural lands What directions can be taken by benevolent technology Does technology have remedies for land that is susceptible to water erosion and loss of topsoil Likewise pollution and environmental degradation resulting from excessive use of pesticides Our society much recognize the importance of protecting our agricultural resources and Professor Ebeling in this monumental book gives many suggestions on how to accomplish the sustained utilization of America s great resource the farmlands Some consider American agriculture as one of the wonders of the modern world In this book Walter Ebeling tells its story Professor Ebeling grew up on a farm loves the soil and had the good fortune to have been closely associated with the land in all i Prologue ,2012 **If This Land Could Talk** Judy R.
