shedding light on why many of these innovative shows are still performed in high schools colleges and community theaters across the country while others such as Weills One Touch of Venus or Marc Blitzsteins The Cradle Will Rock languish in comparative obscurity Packed with information including a complete discography and plot synopses and song by song scenic outlines for each of the fourteen shows Enchanted Evenings is an essential reference as well as a riveting history It will deepen readers appreciation and enjoyment of these beloved musicals even as it delights both the seasoned theater goer and the neophyte encountering the magic of Broadway for the first time
