animals a wise old wizard and a mischievous fairy he must find the fabled magical carpet the only power that can defeat the dark sorcerer Facing daunting challenges and weaving through the sorcerer s deadly spells Sir Valorbright s courage and determination are put to the ultimate test With the enchanted carpet by his side he engages in a fierce battle to restore peace to the forest Join Sir Valorbright in this enchanting tale of bravery friendship and adventure where even the smallest heroes can save the day It is perfect for young readers and anyone who believes in the magic of courage and the power of dreams

Buffy and the Heroine's Journey Valerie Estelle Frankel,2014-01-10 The worlds of Percy Jackson Harry Potter and other modern epics feature the Chosen One an adolescent boy who defeats the Dark Lord and battles the sorrows of the world Television s Buffy the Vampire Slayer represents a different kind of epic the heroine s journey not the hero s This provocative study explores how Buffy blends 1990s girl power and the path of the warrior woman with the oldest of mythic traditions It chronicles her descent into death and subsequent return like the great goddesses of antiquity As she sacrifices her life for the helpless Buffy experiences the classic heroine s quest ascending to protector and queen in this timeless metaphor for growing into adulthood

The Apostles' Creed 'He Descended Into Hell' ,2018-08-07 Though the number of Christians in Western societies is declining many areas of our daily life are still influenced by Christian thoughts expressions and images sometimes without people being aware of it This volume is about Christ s descent into hell as it appears in The Apostles Creed He descended into hell the Apostles Creed professes But what are Christians who recite this Creed supposed to believe in when they profess their faith in the descent into hell Or to put the same question more poignantly what is at stake if people deny the descent Would it make any difference if we did not believe in the descent How did the early Church interpret this belief What influence has this article of faith had on contemporary theology and culture Starting with a biblical view the volume covers the history of theology by discussing the ideas of Augustine the liturgy of the Early Church the role of Christ s decent in Franciscan spirituality and in the theology of Thomas Aquinas It also asks whether similar theological ideas are present in Judaism In addition it gauges the meaning of Christ s descent for today by reflecting on pastoral activities and on computer games The volume concludes with a fundamental theological reflection which systematises and summarises all the material presented in this volume These and other questions are discussed by theologians against the background of various disciplines Biblical Studies History of the Liturgy Jewish Studies History of Theology History of Spirituality Practical Theology Cultural Theology and Systematic Theology Contributors are Frank Bosman Toke Elshof Paul van Geest Harm Goris Marcel Poorthuis Gerard Rouwhorst Marcel Sarot William Marie Speelman and Archibald van Wieringen

Shadow Archives Jean-Christophe Cloutier,2019-09-03 Recasting the history of African American literature Shadow Archives brings to life a slew of newly discovered texts including Claude McKay s Amiable with Big Teeth to tell the stories of black special collections and their struggle for institutional recognition Jean Christophe Cloutier offers revelatory readings of major African American writers including McKay Richard Wright Ann Petry and Ralph

Ellison and provides a nuanced view of how archival methodology access and the power dynamics of acquisitions shape literary history Shadow Archives argues that the notion of the archive is crucial to our understanding of postwar African American literary history Cloutier combines his own experiences as a researcher and archivist with a theoretically rich account of the archive to offer a pioneering study of the importance of African American authors archival practices and how these shaped their writing Given the lack of institutions dedicated to the black experience the novel became an alternative site of historical preservation a means to ensure both individual legacy and group survival Such archivism manifests in the work of these authors through evolving lifecycles where documents undergo repurposing revision insertion falsification transformation and fictionalization sometimes across decades An innovative interdisciplinary consideration of literary papers Shadow Archives proposes new ways for literary scholars to engage with the archive American Book Publishing Record, 2000-07
