The Magpies: The Ecology and Behaviour of Black-Billed and Yellow-Billed Magpies Tim Birkhead, 2010-10-30 Two species of magpie feature in this book the Black billed Magpie familiar to most Europeans which occurs throughout much of the northern hemisphere and the Yellow billed Magpie which is confined to California Magpies are unmistakable in their appearance voice and extrovert arrogant manner While their persecution at the hands of gamekeepers over the last hundred years has made them wary and difficult to approach a number of recent field studies both in Europe and North America have successfully revealed the intricacies of the magpie way of life Tim Birkhead has studied both species and has produced a fascinating account of their ecology and behaviour Many of the results from his ten year study of magpies in northern England are published here for the first time Particularly revealing however is his comparison

of the two species and of their different races Magpies occur in a wide range of habitats including English farmland the deserts of North America the mountains of Saudi Arabia and the windswept plateaus of Tibet As this book explains magpies are able to exploit this diversity of habitats largely through their remarkably flexible social behaviour The Magpies covers all aspects of their lives including their marital relationships food hoarding behaviour longevity and survival nesting behaviour breeding success and their controversial relationship with man The text is supported by numerous photographs diagrams and tables and superb illustrations by David Quinn **Bulletin**, 1946 *Celebrating Global Warming: Magpie Poems From Cold Lake And Deadmonton* Martin Avery, *The Magpie's Library* Kate Blair, 2019-05-25 Silva and her family visit her grandfather only to find his health has taken a bad turn As they struggle with this news Silva seeks escape in books at the local library But she gets more than she bargained for when a magpie guides her to a secret magical room containing books that she can not only read but that she can live Silva finds herself in the worlds of the characters who all turn out to be real people People she knows There s a catch though she soon discovers that the magpie has lured her to these books for selfish and dark reasons Going back to the books could mean losing her soul The Personalist Ralph Tyler Flewelling, 1926
