## **Seven Sins Of Jonah:**

Seven Sins of Jonah William Steuart McBirnie,1981-02-01      **Cheap Print and Popular Piety, 1550-1640** Tessa Watt,1991 This book looks at popular belief through a detailed study of the cheapest printed wares in London in the century after the Reformation      **You Can't Sin** Elijah T. Sog,2010-05 In this book Elijah T Sog is given rare deep insight into the subject matter of sin from God s perspective as you dig into this book you will find that Christ already condemned sin and has given the power to put sin in subjection to all his children You will find out that the issue of Sin is not one of the issues of life but the issue of life it is your victory over sin that determines your placement in this life and the life to come and as the Spirit of God pours out His heart you will get answers If you ever want to be free from sin and stay free then read this book and study it and meditate on the content and you will find the truth in it will set you free Whosoever is born of God doth not commit sin for his seed remaineth in him and he cannot sin because he is born of God 1 John 3 9 It is clear that in this physical life many people have struggled with this statement and the most difficult part is where God says cannot sin this book will explain all that to you John says if you are born of God and God s seed remains in you and the Word is the seed you can t sin this is the summary of the content of this book that God has made all provisions for you not to sin and this book reveals where the provisions are and how to use them so that 1 John 3 9 may be fulfilled in your life To live in sin is to serve sin and no man can serve two masters this book is the manual on victory over sin and his works      **Revelation of Jesus Christ** Grace Chung,2025-08-14 This book is the words of God explaining about the book of Revelation and about the end time It gives us the God s explanation about each chapter of the book of Revelation explaining about the seven churches in Asia and about the plagues of seven seals This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world Once Jesus showed me what will happen in the very end of the world I saw the people who will be left behind on earth being flown away by the huge fiery tempest since heaven and earth will flee away and all the gravity on earth will disappear in the end of the world In 2 Peter 3 10 12 it says But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Therefore since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness looking for and hastening the coming of the day of God because of which the heavens will be dissolved being on fire and the elements will melt with fervent heat This book is the first volume of the messages of the book of Revelation that I have translated Soon there will be the second and third volume of the messages of the book of Revelation coming out This is the second volume of the messages of the book of Revelation a third volume awaits There will be explanations in detail about the plagues of seven trumpets the plagues of seven bowls the white throne judgment and heaven

I wish you will all read these books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end God bless you all
