[The Black Studies Reader](#) Jacqueline Bobo, Cynthia Hudley, Claudine Michel, 2004-05-15 Black studies emerged from the tumultuous social and civil rights movements of the 1960s and empowered African Americans to look at themselves in new ways and pass on a dignified version of Black history However it also enriched traditional disciplines in profound and significant ways Proponents of Black and ethnic studies confronted the false notion that scholarly investigations were objective and unbiased explorations of the range of human knowledge history creativity artistry and scientific discovery As they protested against hegemonic notions like universal psychology and re-evaluated canonical texts in literature a new model of academic inquiry evolved one

committed to serving a range of populations that critiqued traditional politics culture and social affairs and worked with activist energy for the transformation of the existing social order With an all star cast of contributors The Black Studies Reader takes on the history and future of this multi faceted academic field Topics include Black feminism cultural politics Black activism lesbian and gay issues African American literature and film education and religion This authoritative collection takes a critical look at the current state of Black studies and speculates on where it may go from here
