Dancing in the Rain Jerome T. Murphy,2019-01-02 Dancing in the Rain offers a lively and accessible guide aimed at helping education leaders thrive under pressure by developing the inner strengths of mindfulness and self compassion expressing emotions wisely and maintaining a clear focus on the values that matter most Jerome T Murphy a scholar and former dean who has written and taught about the inner life of education leaders argues that the main barrier to thriving as leaders is not the outside pressures we face but how we respond to them inside our minds and hearts In this concise volume Murphy draws on a combination of Eastern contemplative traditions and Western psychology as well as his own experience and research in the field of education leadership He presents a series of exercises and activities to help educators take discomfort more in stride savor the joys and satisfactions of leadership work and thrive as effective leaders guided by heartfelt values Every day education leaders find themselves swamped in a maelstrom of pressures that add to the complex challenges of educating all students to a high level With humor and compassion Dancing in the Rain shows educators how to lead lives of consequence and purpose in the face of life's inescapable downpours

Coaching in Education Christian van Nieuwerburgh,2018-03-08 Coaching in Education Getting Better Results for Students Educators and Parents will support educational organisations in learning more about the current interest in coaching approaches within schools colleges and universities With chapters on coaching in primary schools and secondary schools with students staff and parents this book provides a sound basis for introducing coaching into any educational setting This book brings together the latest national and international academic research with real case studies and a focus on practice that makes a difference for learners Starting with a review of the existing literature and research into the area of coaching in education the book goes on

to consider the role of coaching educational leaders coaching within the primary school setting and then secondary school settings The notion of mental toughness and its relationship to coaching is also explored The US and Australian perspectives on coaching in education are discussed in two chapters written by leading experts instructional coaching in the US and the integration of positive and coaching psychology in Australia **Guide to Indian Periodical Literature** ,1999 Ten Traits of Highly Effective Schools Elaine K. McEwan-Adkins,2008-07-16 The redoubtable Grandma this book is a sequel to Grandma Drove the Snowplow is at it again After all her hard work collecting the towns garbage and plowing the roads Grandma deserves a day off and what better day than Labor Day All she has to do is sit back and enjoy a nice boat ride with her littlest grandson Billy while her sons catch the lobsters for the town Lobster Bake But what happens when the waves get choppy the fog rolls in and all the boats are in difficulty Can Grandma take the helm and get the lobsters back to shore in time More great fun as our intrepid heroine is again placed at the center of small town life and in the middle of a local celebration **The School Choice Roadmap** Andrew Campanella,2020-01-21 WINNER OF THE 2020 FOREWORD INDIES GOLD AWARD IN EDUCATION WINNER OF THE SILVER IPPY AWARD FOR BEST EDUCATIONAL RESOURCES You want your children to benefit from a great education But every student is unique One type of school might be a great fit for your neighbor s child but it might not work for your son or daughter Across the country many parents today have more choices for their children s education than ever before If you are starting the process of finding your child s first school or if you want to choose a new learning environment The School Choice Roadmap is for you This first of its kind book offers a practical jargon free overview of school choice policies from public school open enrollment to private school scholarships and more It breaks down the similarities and differences between traditional public schools public charter schools public magnet schools online public schools private schools and homeschooling Most importantly The School Choice Roadmap offers a seven step process that will help you harness the power of your own intuition and your own expertise about your child s uniqueness to help you find a school that reflects your family s goals values and priorities Filled with sage advice from dozens of other parents who have pursued the school search process and interviews with school leaders and teachers The School Choice Roadmap is an optimistic empowering book that cuts through the confusion in K 12 education so that you can give your children every opportunity to succeed in school and in life **Sexual Harassment** V. P. Argos,1999 The topic of sexual harassment is a real threat to society in spite of its downplaying by a large segment of society including the 42nd President of the United States This book presents analyses designed to help shed light on it and a bibliography sorted for ease of use THE POSTMODERN CHALLENGE TO THE THEORY AND PRACTICE OF EDUCATIONAL ADMINISTRATION 2003-01-01,2003-01-01 Based on nearly a decade of scholarship this is a highly focused book on the implications of postmodernism for the construction and assessment of theory and practice in educational administration Current ideas of practice are deconstructed from the notions of sound research to the use of national standards in the preparation of

educational leaders along with ways of examining and resolving the theory practice gap Part One of the book contains chapters dealing with the rise of postmodernism and describes its broad based dissent from a century of thought in the field including a penetrating examination of whether the concept of a field itself is viable Part Two of the book explores the many ramifications of postmodernism to practice beginning with ideas concerning educational research These chapters tackle the tough issues of the efficacy of the Interstate Leaders Licensure Standards ISLLC and the national exam as examples of job deskilling and deprofessionalization in the guise of raising standards of preparation of future educational leaders Other chapters deal with deconstructing the popular managerial ideas contained in Stephen Covey s works and dispute Joe Murphy s call for a new center of gravity in the field as reinforcing the status quo Finally the book tackles the issue of the theory practice gap and indicates that new and progressive theories which anticipate problems of practice are what is required to deal with this persistent issue The book contains many helpful exhibits in understanding the issues concerning theory and practice as well as a glossary of terms most commonly found in postmodern discourse This book is designed for college and university programs engaged in the preparation of educational leaders for elementary secondary schools and college administrative positions *Journal of School Leadership* ,2002
