David A. Ritchie, 2021-12-28 What if we understood nationalism as a religion instead of an ideology What if nationalism

is more spiritual than it is political Several Christian thinkers have rightly recognized nationalism as a form of idolatry However in *Why Do the Nations Rage* David A Ritchie argues that nationalism is inherently demonic as well Through an interdisciplinary analysis of scholarship on nationalism and the biblical theology behind Paul s doctrine of powers Ritchie uncovers how the impulse behind nationalism is as ancient as the tower of Babel and as demonic as the worship of Baal Moreover when compared to Christianity Ritchie shows that nationalism is best understood as a rival religion that bears its own distinctive and demonically inspired false gospel which seeks to both imitate and distort the Christian gospel *Ignited by the Spirit* Keith Clouten,2025-04-16 After authoring a devotional commentary on Luke s Gospel Keith plunged into Luke s second book The Acts of the Apostles to understand how and why the Christian Church was founded by the Apostles of Jesus after His resurrection Keith writes in a conversational style with touches of pathos and humor Each of the book s 78 short chapters ends with questions for personal reflection and application **Colours of the Soul** June McLeod,2012-09-21 Colors are all around us but also within us We not only have our favorite colours our auras have their own color Our chakras have their different colors Tuning in to our colors rebalances our selves with nature and each other Finding our right color has implications for the way we dress how we decorate our homes even the food we eat Use the color inset and the exercises in this book to find the right colors for you in different situations Become color intelligent and live a glorious life of kaleidoscopic color rather than a monochrome existence *Vision Quest* Peter James Ford,2023-12-13 VISION QUEST is a book recording the continual soul expansion of the seeker Peter James Ford Peter s journey began after a powerful spiritual experience in the little historic seaport in Newburyport Massachusetts In Peter s late night meditations which were along the Merrimac River the boardwalk the Salisbury Reservation on the Atlantic Ocean Plum Island Maudsley Estate State Park Pow Wow Hill Native American Burial Grounds and Old Hill Burial Grounds he was having vivid explosions in his mind of seemingly past life experiences and powerful insights Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see Peter s intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources The source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons We can access this power through ancient spiritual practices and apparently Peter has done just that Stories and Tales began flowing from Peter and he wrote his first book In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT with an eighth bonus companion book called MYSTIC Now you are holding his new writings in your hands Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual So here is the story of just another seeker realizing his divinity and returning to his own heart **Mysticism in Newburyport** Peter James Ford,2023-02-19 MYSTICISM IN NEWBURYPORT is a seven book series revealing ancient secrets from masters of all cultures along with
