**Reflections** Peter James Ford,2024-03-27 Peter James Ford The Unlikely Messenger is a unique individual with a broad understanding of life from having lived life from many lifestyles Peter experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter s spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this Unlikely Messenger

**The Seventh-Day Sabbath and the Christian Doctrine of Redemption** A. M. Simataa,2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore

**The MAP** Nick Page,2004-08-10 An intelligent and practical guide to the Bible for anyone setting out to explore the exciting world of the Bible *The Christian Science Journal* ,1898 [Back to Where We Came From](#) B. Lising,2020-05-21

What on earth are we doing here Why are we on this planet We would normally try to understand things by seeing their

origin If we could know their beginning then we would know their purpose But how about humankind what is our starting point The Gospel is the one and only connection we have from Eternity This means that the only way we can know our origin and purpose is to see the whole account of the Gospel The author believes in the perfect consistency of the Scripture that all books of the Bible hold only a single message He is also convinced that the last book is the summary of the whole Bible the book of Revelation will connect all the dots and will reveal to us the big picture This manuscript will give readers a clear understanding about the origin of mankind before the beginning of time our foretold journey on earth and our new beginning after the ending of time This is the Big Picture of Our Great Restoration
