In 2015, the first three volumes of The MX Book of New Sherlock Holmes Stories arrived, containing over 60 stories in the true traditional Canonical manner, revisiting Holmes and Watson in those days where it is always 1895 or a few decades on either side of that. That was the largest collection of new Holmes stories ever assembled and originally planned to be a one-time event. But readers wanted more, and the contributors had more stories from Watson's Tin Dispatch Box, so the fun continued. Now, with the release of Parts XLIII, XLIV, and XLV, the series has grown to over 900 new Holmes adventures by over 200 contributors from around the world. Since the beginning, all contributor royalties go to the Undershaw School for special needs children at one of Sir Arthur Conan Doyle's former homes, and to date, the project has raised over 120,000 for the school. As has become the tradition, this new collection of 63 adventures features Holmes and Watson carrying out their masterful investigations from Holmes's life before meeting Watson to the early days of their friendship in Baker Street all the way to World War I. Along the way, they are involved in some fascinating mysteries that progress along completely unexpected lines. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes described by the estimable Dr Watson as the best and wisest whom I have ever known.
