Seventy-five Years in California William Heath Davis, 1929 William Heath Davis 1822 1909 was the son of a Boston ship captain engaged in the Hawaiian trade and a Polynesian mother He visited California twice on trading voyages before setting up business there in 1838 In 1845 he settled permanently in San Francisco becoming one of the city's leading merchants His marriage to Maria de Jesus Estudillo tied him to the Hispanic community in his adopted region Seventy five years in California 1929 is an expansion of Sixty years in California a book Davis published in 1889 It is a history of California as well as the author's memoirs of his life through the mid 1850s with an emphasis on the transformation of Yerba Buena to San Francisco the Gold Rush and the imposition of United States power in California **Seventy-five Years in California** William Heath Davis, 1929 *Seventy-five years in California* Harold Adams Small, 1967 Seventy Five Years in California William Heath Davis, 2015-04-23 Seventy Five Years in California spans the 19th century offering William Heath Davis' view of California's Pastoral Period He gives readers a unique look at the disintegration of missions the rise of the rancheros the American Invasion the Gold Rush and the adoption of the territory as a state Davis himself had an interesting personal history having been born in Hawaii in 1822 raised in Boston traveled a great deal by sea and became one of the most prominent merchants in San Francisco by 1845 The California Gold Rush really was a bonanza Between 1849 and 1855 the miners gathered more than 400 million dollars once adjusted it is a sum today reaching into the trillions It was a social phenomenon marked by the carnivalesque In his work *Roughing It* 1872 Mark Twain's protagonist remarks as his brother heads West Pretty soon he would be hundreds and hundreds of miles away on the great plains and deserts and among the mountains of the Far West and would see buffaloes and Indians and prairie dogs antelopes and have all kinds of adventures and may be get hanged or scalped and have ever such a fine time and write home and tell us all about it and be a hero And by and by he would become very rich and return home by sea and be able to talk as calmly about San Francisco and ocean and the isthmus as if it was nothing of any consequence to have seen those marvels face to face Go they did to the Land of Golden Dreams in the largest internal migration in American history and the adventures and tragedies have created a large and memorable literature *Seventy-five Years in California* William Heath Davis, 1929 William Heath Davis 1822 1909 was the son of a Boston ship captain engaged in the Hawaiian trade and a Polynesian mother He visited California twice on trading voyages before setting up business there in 1838 In 1845 he settled permanently in San Francisco becoming one of the city's leading merchants His marriage to Maria de Jesus Estudillo tied him to the Hispanic community in his adopted region Seventy five years in California 1929 is an expansion of Sixty years in California a book Davis published in 1889 It is a history of California as well as the author's memoirs of his life through the mid 1850s with an emphasis on the transformation of Yerba Buena to San Francisco the Gold Rush and the imposition of United States power in California **Seventy-five Years of Forestry Education at the University of California, 1914-1989** Henry James Vaux, 1989 Seventy-five Years

in California ... William Heath Davis,1929      **American Indian Cowboys in Southern California, 1493-1941** David G. Shanta,2024-10-15 In 1769 1770 Spanish Catholic missionaries soldiers and Cochim Indians traveled to Alta California They relied on domesticated animals like horses and cattle for food security in the continual expansion of the Spanish empire These rapidly increasing herds consumed traditional sources of Indigenous foods medicines tools and weapons and soon outstripped the ability of soldiers and priests to control them This reality forced the Spanish missionaries to train trusted American Indian converts in the art of cowboying and cattle ranching American Indian Cowboys in Southern California 1493 1941 Survival Sovereignty and Identity by David G Shanta provides new insights into the impact of horses and cattle on the Indigenous peoples of the Spanish Borderlands after early colonization He examines how the American Indian cowboys formed the backbone of Spanish mission economies the international trade in cowhides and tallow that created the Mexican ranchero class known as Californios and later on American cattle operations Shanta shows that California Native peoples adopted cowboying and cattle ranching first as a survival strategy but then also acquiring and running their own herds and forming a new California American Indian economy based on cattle Their new economy reinforced their demands for sovereignty over their ancestral lands with exclusive rights to essential elements including the essential elements of pasture and water This book affirms the innovative nature of American Indian Cowboys and brings to light how they survived kept their cultures alive and gained recognition of their sovereign status      Seventy-five Years of Railroad History ,1997      **Juana Briones of Nineteenth-century California** Jeanne Farr McDonnell,2008-09-15 Juana Briones de Miranda lived an unusual life which is wonderfully recounted in this highly accessible biography She was one of the first residents of what is now San Francisco then named Yerba Buena Good Herb reportedly after a medicinal tea she concocted She was among the few women in California of her time to own property in her own name and she proved to be a skilled farmer rancher and businesswoman In retelling her life story Jeanne Farr McDonnell also retells the history of nineteenth century California from the unique perspective of this surprising woman Juana Briones was born in 1802 and spent her early youth in Santa Cruz a community of retired soldiers who had helped found Spanish California Native Americans and settlers from Mexico In 1820 she married a cavalryman at the San Francisco Presidio Apolinario Miranda She raised her seven surviving sons and daughters and adopted an orphaned Native American girl Drawing on knowledge she gained about herbal medicine and other cures from her family and Native Americans she became a highly respected curandera or healer Juana set up a second home and dairy at the base of then Loma Alta now Telegraph Hill the first house in that area After gaining a church sanctioned separation from her abusive husband she expanded her farming and cattle business in 1844 by purchasing a 4 400 acre ranch where she built her house located in the present city of Palo Alto She successfully managed her extensive business interests until her death in 1889 Juana Briones witnessed extraordinary changes during her lifetime In this fascinating book readers will see California s history in a new and revelatory light      **Colonial Intimacies** Erika

Perez, 2018-01-25 A gem of historical scholarship Vicki L Ruiz author of *From Out of the Shadows Mexican Women in Twentieth Century America* How do intimate relationships reveal reflect enable or enact the social and political dimensions of imperial projects In particular how did colonial relations in late eighteenth and nineteenth century southern California implicate sexuality marriage and kinship ties In *Colonial Intimacies* Erika P rez probes everyday relationships encounters and interactions to show how intimate choices about marriage social networks and godparentage were embedded in larger geopolitical concerns Her work reveals through the lens of social and familial intimacy subtle tools of conquest and acts of resistance and accommodation among indigenous peoples Spanish Mexican settlers Franciscan missionaries and European and Anglo American merchants Concentrating on Catholic conversion compadrazgo baptismal sponsorship that often forged interethnic relations and intermarriage P rez examines the ways indigenous and Spanish Mexican women helped shape communities and sustained their culture She uncovers an unexpected fluidity in Californian society shaped by race class gender religion and kinship that persisted through the colony s transition from Spanish to American rule *Colonial Intimacies* focuses on the offspring of interethnic couples and their strategies for coping with colonial rule and negotiating racial and cultural identities P rez argues that these sons and daughters experienced conquest in different ways tied directly to their gender and in turn faced different options in terms of marriage partners economic status social networks and expressions of biculturality Offering a more nuanced understanding of the colonial experience *Colonial Intimacies* exposes the personal ties that undergirded imperial relationships in Spanish Mexican and early American California Seventy-five Years in

California William Heath Davis, Harold Adams Small, 1967 **A History of Wine in America from the Beginnings to Prohibition** Thomas Pinney, 1989-01-01 Tells the story of vitaculture and winemaking in America and discusses the individuals organizations and institutions associated with the enterprise A History of Wine in America, Volume 1 Thomas Pinney, 2007-09-17 The Vikings called North America Vinland the land of wine Giovanni de Verrazzano the Italian explorer who first described the grapes of the New World was sure that they would yield excellent wines And when the English settlers found grapes growing so thickly that they covered the ground down to the very seashore they concluded that in all the world the like abundance is not to be found Thus from the very beginning the promise of America was in part the alluring promise of wine How that promise was repeatedly baffled how its realization was gradually begun and how at last it has been triumphantly fulfilled is the story told in this book It is a story that touches on nearly every section of the United States and includes the whole range of American society from the founders to the latest immigrants Germans in Pennsylvania Swiss in Georgia Minorcans in Florida Italians in Arkansas French in Kansas Chinese in California all contributed to the domestication of Bacchus in the New World So too did innumerable individuals institutions and organizations Prominent politicians obscure farmers eager amateurs sober scientists these and all the other kinds and conditions of American men and women figure in the story The history of wine in America is in many ways the history of American origins and of American enterprise in

microcosm While much of that history has been lost to sight especially after Prohibition the recovery of the record has been the goal of many investigators over the years and the results are here brought together for the first time In print in its entirety for the first time A History of Wine in America is the most comprehensive account of winemaking in the United States from the Norse discovery of native grapes in 1001 A D through Prohibition and up to the present expansion of winemaking in every state

The Anatomy of Colorism in America Robb Nelson, 2025-04-21 The Anatomy of Colorism in America addresses the significance that colorism racial hierarchy and white skin idealization have each had on the lives of individuals across multiple communities and how those experiences have compared with one another These three complexion based imperial systems culturally legally politically and socially divided persons based on differing skin shades hair textures eye shapes facial angles body types or claims to mythical racial backgrounds The Anatomy of Colorism in America argues that the practices associated with empire building and imperial expansion in America such as manifest destiny settler colonialism and indentured servitude and slavery all led to the creation of these complexion based divisions Once formed these divisions led to socially damaging outcomes for the individuals perceived as nonwhite by the local Anglo American settler colonial class This book documents four locations and communities where such circumstances emerged and compares them The four case studies investigated in this book include Blacks in Charleston South Carolina the Californios in Alta California Mormons in Utah and the relationship between Indigenous Hawaiians Japanese immigrants and Anglo American whites in Hawaii
