**Sex and Death in Victorian Literature** Regina Barreca, 2016-07-27 Sex and Death in Victorian Literature is a landmark collection of 13 previously unpublished essays on nineteenth century British poetry fiction and prose by the most important English and American scholars in the field The volume observes the subject from an unusually wide variety of viewpoints including historical sociological psychoanalytic feminist and mythological There are works central and peripheral to the traditional Victorian canon discussed in Sex and Death as such the essays present an unprecedented perspective on the shifts and movements of nineteenth century literature By grouping the essays under the aegis of sexuality and morality the volume allows the authors to explore the most important aspects of the works they discuss *Sex and Death in Victorian Literature* Regina Barreca, 1990

**Sex and Death in Eighteenth-Century Literature** Jolene Zigarovich, 2013-05-02 This book discusses sex and death in the eighteenth century an era that among other forms produced the Gothic novel commencing the prolific examination of the century's shifting attitudes toward death and uncovering literary moments in which sexuality and death often conjoined By bringing together various viewpoints and historical relations the volume contributes to an emerging field of study and provides new perspectives on the ways in which the century approached an increasingly modern sense of sexuality and mortality It not only provides part of the needed discussion of the relationship between sex death history and eighteenth century culture but is a forum in which the ideas of several well respected critics converge producing a breadth of knowledge and a diversity of perspectives and methodologies previously unseen As the contributors demonstrate eighteenth century anxieties over mortality the body the soul and the corpse inspired many writers of the time to both implicitly and explicitly embed mortality and sexuality within their works By depicting the necrophilic tendencies of libertines and rapacious villains the fetishizing of death and mourning by virtuous heroines or the fantasy of preserving the body these authors demonstrate not only the tragic results of sexual play but the persistent fantasy of necro erotica This book shows that within the eighteenth century culture of profound modern change underworkings of death and mourning are often eroticized that sex is often equated with death as punishment or loss of the self and that the sex death dialectic lies at the discursive center of normative conceptions of gender desire and social power **Dickens and the Rise of Divorce** Kelly

Hager, 2016-04-08 Questioning a literary history that since Ian Watt's *Rise of the Novel* has privileged the courtship plot Kelly Hager proposes an equally powerful but overlooked narrative focusing on the failed marriage Hager maps the legal history of marriage and divorce providing crucial background as she reveals the prevalence of the failed marriage plot in eighteenth and nineteenth century British novels Dickens's novels emerge as representative case studies in their preoccupations with the disintegration of marriage the far reaching and disastrous effects of the doctrine of coverture and the comic spectacular and monstrous possibilities afforded by the failed marriage plot Setting his narratives alongside the writings of liberal reformers like John Stuart Mill and the seemingly conservative agendas of Caroline Norton Eliza Lynn Linton and Sarah

Stickney Ellis Hager also offers a more contextualized account of the competing strands of the Woman Question In the course of her revisionist readings of Dickens s novels Hager uncovers a Dickens who is neither the conservative agent of the patriarchy nor a novelistic Jeremy Bentham and reveals that tipping the marriage plot on its head forces us to adjust our understanding of the complexities of Victorian proto feminism

Egyptian Gothic Jay Sullivan,2025-07-13 The Egyptian Gothic consists of novels and short stories about ancient Egyptian mummies returning to life to seek retribution or romance as well as cursed object tales Now mostly forgotten from the 1880s through to the 1920s it was more popular than the vampire genre This book is the first to examine the genre by using the frequent sensory descriptions within these texts to interrogate attitudes towards Empire Its aims are twofold Firstly it demonstrates that despite their status as disposable popular fiction these texts are rich in sensory discourses that have thus far been unexamined Secondly reading these discourses of touch sight smell sound and taste reveals new and intriguing ways in which Egypt is allowed to strike back against the British Empire The book argues that the Egyptian Gothic does not support the domination of Empire but instead presents a power dynamic in flux with the mummy fighting back against Western occupation Egypt and its artefacts evoke simultaneous feelings of fear and desire where those who meddle by invading tombs or stealing mummies are destroyed by Egyptian revenants

Sex, Crime and Literature in Victorian England Ian Ward,2014-11-01 The Victorians worried about many things prominent among their worries being the condition of England and the question of its women Sex Crime and Literature in Victorian England revisits these particular anxieties concentrating more closely upon four crimes which generated especial concern amongst contemporaries adultery bigamy infanticide and prostitution Each engaged questions of sexuality and its regulation legal moral and cultural for which reason each attracted the considerable

interest not just of lawyers and parliamentarians but also novelists and poets and perhaps most importantly those who in ever larger numbers liked to pass their leisure hours reading about sex and crime. Alongside statutes such as the 1857 Matrimonial Causes Act and the 1864 Contagious Diseases Act, *Sex Crime and Literature in Victorian England* contemplates those texts which shaped Victorian attitudes towards England's condition and the question of its women: the novels of Dickens, Thackeray and Eliot, the works of sensationalists such as Ellen Wood and Mary Braddon and the poetry of Gabriel and Christina Rossetti. *Sex Crime and Literature in Victorian England* is a richly contextual commentary on a critical period in the evolution of modern legal and cultural attitudes to the relation of crime, sexuality and the family. **Death, Gender and Sexuality in Contemporary Adolescent Literature** Kathryn James, 2009-02-10

Considering the trope of woman death, the eroticizing of death and the ways in which the gendered subject is represented in dialogue with the processes of death, dying and grief, James shows how representations of death in young adult literature are invariably associated with issues of sexuality, gender and power. **Encyclopedia of Death and Dying** Glennys Howarth, Oliver Leaman, 2003-12-16 In recent years there has been a massive upsurge in academic, professional and lay interest in mortality. This is reflected in academic and professional literature, in the popular media and in the proliferation of professional roles and training courses associated with aspects of death and dying. Until now the majority of reference material on death and dying has been designed for particular disciplinary audiences and has addressed only specific academic or professional concerns. There has been an urgent need for an authoritative but accessible reference work reflecting the multidisciplinary nature of the field. This Encyclopedia answers that need. The Encyclopedia of Death and Dying consolidates and contextualizes the disparate research that has been carried out to date. The phenomena of death and dying and its related concepts are explored and explained in depth from the approaches of varied disciplines and related professions in the arts, social sciences, humanities, medicine and the sciences. In addition to scholars and students in the field, from anthropologists and sociologists to art and social historians, the Encyclopedia will be of interest to other professionals and practitioners whose work brings them into contact with dying, dead and bereaved people. It will be welcomed as the definitive death and dying reference source and an essential tool for teaching, research and independent study. **Love, Sex, Death and Words** Jon Sutherland, Stephen Fender, 2011-06-01

Love, sex, death, boredom, ecstasy, existential angst, political upheaval: the history of literature offers a rich and varied exploration of the human condition across the centuries. In this absorbing companion to literature's rich past, arranged by days of the year, acclaimed critics and friends Stephen Fender and John Sutherland turn up the most inspiring, enlightening, surprising or curious artefacts that literature has to offer. Find out why 16 June 1904 mattered so much to Joyce, which great literary love affair was brought to a tragic end on 11 February 1963 and why Roy Campbell punched Stephen Spender on the nose on 14 April 1949, in this sumptuous voyage through the highs and lows of literature's bejewelled past. *Love and Death in Edith Wharton's Fiction* Tricia M.
