**Engendering Psychology** Florence Denmark, Vita Carulli Rabinowitz, Jeri A. Sechzer, 2016-01-08 Engendering Psychology s treatment of issues is based solidly on scientific evidence and presented in a balanced manner The text combines a developmental and topical approach Denmark Rabinowitz and Sechzer explore the concept of gender as a social construction across the lines of race ethnicity class age and sexual orientation pulling from the exciting new scholarship that has emerged over the last few years Thoughtful discussion questions emphasize critical thinking skills as well as encourage students to open a dialogue with both their professors and their peers This text will help readers understand the concept of gender as a social construct in contrast to the concept of sex which denotes biological differences Upon completing this text readers will have a deeper understanding of women and the knowledge that woman is a diverse and multifaceted category

Teaching Gender and Sex in Contemporary America Kristin Haltinner, RYANNE PILGERAM, 2016-04-28 This book provides innovative pedagogy theory and strategies for college and university professors who seek effective methods and materials for teaching about gender and sex to today s students It provides thoughtful reflections on the new struggles and opportunities instructors face in teaching gender and sex during what has been called the post feminist era Building off its predecessor Teaching Race and Anti Racism in Contemporary America this book offers complementary classroom exercises for teachers that foster active and collaborative learning Through reflecting on the gendered dimensions of the current political economic and cultural climate as well as presenting novel lesson plans and classroom activities Teaching Gender and Sex in

Contemporary America is a valuable resource for educators      *Lectures on the Psychology of Women* Joan C. Chrisler, Carla Golden, Patricia Denise Rozee, 2004 This unique collection of previously unpublished essays by experienced teachers and leading experts in Psychology of Women is designed as a companion reader to any Psychology of Women textbook The lectures included are written in an informal manner the authors speak to students directly and address questions that students often ask      *Teaching Sexuality and Religion in Higher Education* Darryl W. Stephens, Kate Ott, 2020-04-19 This volume combines insights from secular sexuality education trauma studies and embodiment to explore effective strategies for teaching sexuality and religion in colleges universities and seminaries Contributors to this volume address a variety of sexuality related issues including reproductive rights military prostitution gender fidelity queerness sexual trauma and veiling from the perspective of multiple religious faiths Christian Jewish and Muslim scholars present pedagogy and classroom strategies appropriate for secular and religious institutional contexts By foregrounding a combination of perspective transformation and embodied learning as a means of increasing students appreciation for the varied social psychological theological and cultural contexts in which attitudes to sexuality develop the volume posits sexuality as a critical element of teaching about religion in higher education This book will be of great interest to graduate and postgraduate students researchers academics and libraries in the fields of Religious Studies Religious Education Gender Sexuality Religion Education and Sociology of Religion      **Resources in Education** , 2000      *Sexuality, Gender and Schooling* Mary Jane Kehily, 2005-06-29 The sexuality of young people arouses controversy and remains a source of concern for parents teachers policy makers and politicians But what young people really think about sexuality and gender and how these issues impact upon their lives is often marginalized or overlooked Based upon extensive ethnographic research with young people and teachers *Sexuality Gender and Schooling* offers a telling and insightful account of how young people acquire sexual knowledge and how they enact their understanding of their own gender It highlights the ways in which young people s constructions of gender and sexuality are formed outside the school curriculum through engagements with various forms of popular culture such as teen magazines and television programmes and through same sex friendship groups Offering a fresh perspective on a subject of perennial interest and concern *Sexuality Gender and Schooling* provides accounts from the inside some of which may challenge and eclipse current approaches to sexuality education It has significant implications for policy and practice in Personal Social and Health Education and is also an excellent introduction to key debates and issues in the study of gender and sexuality      *Teaching Introduction to Women's Studies* Carolyn DiPalma, Barbara S. Winkler, 1999-10-30 This edited collection addresses the institutional context and social issues in which teaching the women s studies introductory course is embedded and provides readers with practical classroom strategies to meet the challenges raised The collection serves as a resource and preparatory text for all teachers of the course including experienced teachers less experienced teachers new faculty and graduate student teaching assistants The collection will also be of interest to

educational scholars of feminist and progressive pedagogies and all teachers interested in innovative practices The contributors discuss the larger political context in which the course has become a central representative of women's studies to a growing although less feminist identified population Increased enrollments and changes in student population are noted as a result in part of the popularity of Introduction to Women's Studies courses in fulfilling GED and diversity requirements New forms of student resistance in a climate of backlash and changes in course content in response to internal and external challenges are also discussed Evidence is provided for an emerging paradigm in the conceptualization of the introductory course as a result of challenges to racism heterosexism and classism in women's studies voiced by women of color and others in the 1980s and 1990s Sensationalist charges that women's studies teachers including those who teach the Introduction to Women's Studies course are the academic shock troops of a monolithic feminism are challenged and refuted by the collection's contributors who share their struggles to make possible classrooms in which informed dialogue and disagreement are valued
