Sex And Pleasure:

Enjoy! Joyce J. Penner, Clifford L. Penner, 2017-01-01 Do you want a stronger more exciting sex life with your husband As a married woman you have the power to increase sexual fulfillment for you and your husband if you aren't stymied by false assumptions about a wife's role in sex In *Enjoy The Gift of Sexual Pleasure for Women* Dr Clifford and Joyce Penner dispel assumptions that can keep women from accepting and expressing their God-given sexuality in marriage After more than forty years as sex therapists and educators the Penners have learned what helps couples build lasting mutually enjoyable sex in marriage Their knowledge is culled from the stories of thousands of individuals and couples who sought help with frustrations and have found relief and mutual fulfillment In this book they share step by step practical ways for wives to move from duty and disappointment to pleasure and fulfillment Learn how the woman's biblical role for sex in marriage is to pursue all of who she is sexually and share her sexuality with her husband which will in turn increase his satisfaction Be empowered as a woman to embrace your sexuality and find deeper enjoyment with your husband This title is a companion to *The Married Guy's Guide to Great Sex* also by the Penners

The Politics of Pleasure in Sexuality Education Louisa Allen, Mary Lou Rasmussen, Kathleen Quinlivan, 2013-12-17 Pleasure and desire have been important components of the vision for sexuality education for over 20 years This book argues that there has been a lack of scrutiny over the political motivations that underpin research supportive of pleasure and desire within comprehensive sexuality education In this volume key researchers in the field consider how discourses related to pleasure and desire have been taken up internationally They argue that sexuality education is clearly shaped by specific cultural and political contexts and examine how these contexts have shaped the development of pleasure's inclusion in such programs Via such discussions this volume incites a re-configuration of thought regarding sexuality education's approach to pleasure and desire

Abramson Professor of Psychology, Los Angeles Steven D. Pinkerton Post-doctoral Fellow both of the University of California, 1995-11-09 Challenging everything from the mandates of the Catholic Church to the hotly debated ethics of pornography and from the controversy surrounding

gay rights to issues of gender and feminism With Pleasure explores a new theory of human sexuality that ignites every hot topic in the public domain What role authors Paul Abramson and Steven Pinkerton ask does sexual pleasure play in our lives Is the pursuit of sexual enjoyment in our blood Our brains Our very nature Regardless of the source it can be agreed that the joys of sex are widely appreciated Why then is pleasure so often overlooked in discussions of sexual behavior and why do cultural historical and religious treatises so often fail to emphasize or outright ignore this obvious aspect of human sexuality Responding to these and many other questions about our most private affairs With Pleasure provides a profoundly original challenge to the cherished truisms of human sexuality Abramson and Pinkerton proclaim the paramount importance of pleasure while at the same time overthrowing traditional ideas about gender pornography contraception homosexuality abortion and much more Supported by rigorous research and co written by one of the foremost authorities on sex With Pleasure argues that human sexuality cannot be understood if its significance is limited to reproduction alone The authors posit that in humans reproduction itself occurs as a byproduct of pleasure not the other way around and that it is the strong drive for pleasure that makes people overcome many obstacles and even life threatening dangers such as AIDS to have sex Ranging from discussions about the church to current debates about pornography and from evolutionary theory to questions about the future of sex and pleasure Abramson and Pinkerton argue persuasively that the pleasurable of sex cannot be restricted to purely reproductive behavior With Pleasure advances a startling and original new theory about human sexuality one which the authors believe will replace all existing notions about sex The book standing in direct and deliberate opposition to traditions that try to confine sexuality to procreation is sure to ignite a firestorm of controversy Philosophy of Love, Sex, and Marriage Raja Halwani, 2010-05-26 How is love different from lust or infatuation Do love and marriage really go together like a horse and carriage Does sex have any necessary connection to either And how important are love sex and marriage to a well lived life In this lively lucid and comprehensive textbook Raja Halwani pursues the philosophical questions inherent in these three important aspects of human relationships exploring the nature uses and ethics of romantic love sexuality and marriage The book is structured in three parts Love begins by examining how romantic love differs from other types of love such as friendship and parental love It asks which properties of love are essential whether people have a choice in whom they love and whether lovers have moral obligations to one another that differ from those they owe to others Sex demonstrates the difficulty in defining sex and the sexual and examines what constitutes good and bad sex in terms of pleasure naturalness and moral permissibility It offers theoretical and applied ethical approaches to a wide range of sexual phenomena Marriage traces the history of the institution and describes the various forms in which marriage exists and the reasons why people marry It also surveys accounts of why people should or should not marry and introduces the main arguments for and against gay marriage Features include suggestions for further reading online eResource site with downloadable discussion questions a clear jargon free writing style **Human Sexuality** Craig A. Sexual Deviance and Society Meredith G. F. Worthen, 2021-09-30 In a society where sexualized media has become background noise we are frequently discouraged from frank and open discussions about sex and offered few tools for understanding sexual behaviors and sexualities that are perceived as being out of the norm This book encourages readers to establish new ways of thinking about stigmatized people and behaviors and to think critically about gender sex sexuality and sex crimes Sexual Deviance and Society uses sociological theories of crime deviance gender and sexuality to construct a framework for understanding sexual deviance This book is divided into four units Unit I Sociology of Deviance and Sexuality lays the foundation for understanding sex and sexuality through sociological frameworks of deviance Unit II Sexual Deviance provides an in depth

dialogue to its readers about the sociological constructions of sexual deviance with a critical focus on contemporary and historical conceptualizations Unit III Deviant Sexual Acts explores a variety of deviant sexual acts in detail including sex in public fetishes and sex work Unit IV Sex Crimes and Criminals examines rape and sexual assault sex crimes against children and societal responses to sex offenders and their treatment within the criminal justice system This revised second edition includes new theoretical approaches such as Norm Centered Stigma Theory expands into new fields of criminology such as queer criminology more deeply discusses nonbinary people s experiences includes updates to the landscape of LGBTQ rights reviews new forms of sexual deviance including incels and revenge porn covers the latest developments in the MeToo movement and expands on the discussion of SM including the Fifty Shades Phenomenon In addition this edition reviews the ever evolving world of sex work and camming by examining how Pornhub OnlyFans and exotic dancers strip clubs have revolutionized sex work during the COVID 19 pandemic Utilizing an integrative approach that creates a dialogue between the subjects of gender sexuality criminology and deviance this book is a key resource for students interested in developing a critical understanding of sex sexuality and sex crime
