BREAKDOWN OF HOW THE UNITED STATES RESPONDED

About once per day or more 7.8%

45.6% About once per week or more

Never 5.6%

About once every 10 years or more 3.7%

About once every 5 years or more 3.0%

About once per year or more 9.5%

24.8% About once per month or more

METHODOLOGY

The findings are based on 1,567 responses to a Google Forms survey created by NapLab.com, which asked two questions: "In what state do you live?" and "How often do you have sexual intercourse?" The average for each state is based on the responses of at least 20 individuals.

* State averages are rounded to the thousandths for the purpose of this visualization. Here are the true averages for states that are too close to be distinguished after rounding:

- 23 Kentucky: 1.099999817451333
- 25 Montana: 1.09950534396914
- 26 Missouri: 1.00124403394485
- 27 Georgia: 1.0016965226265

Sex And The Law

Edward Lyttelton (Hon.)

Sex And The Law:

A Guide to America's Sex Laws Richard A. Posner, Katharine B. Silbaugh, 1996-10 Sex although considered by many in our culture the quintessential private activity is blanketed by a staggering number and variety of laws This first concise compendium of the nation's sex laws brings together in one place and summarizes the laws regulating personal sexual activity In doing so it reveals gaps anachronisms anomalies inequalities and irrationalities and provides an empirical basis for studies of sexual regulation From Alabama to Wyoming this informative and fascinating reference book will be an essential resource to a wide range of persons both within and outside the legal profession specialists in the regulation of sexual behavior students of the legislative process lawyers involved in family and sex law and anyone interested in social and political issues involving sexual orientation and sexual morality

Sex, Law, and Society in Late Imperial China

Matthew Harvey Sommer, 2000 This study of the regulation of sexuality in the Qing dynasty explores the social context for sexual behavior criminalized by the state showing how regulation shifted away from status to a new regime of gender that mandated a uniform standard of sexual morality and criminal liability for all people regardless of their social status

Sex Laws Source Wikipedia, 2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online Pages 88 Chapters Age of consent Sex and the law Megan's Law Ages of consent in North America Zoophilia and the law Jacobson v United States Sodomy law Ages of consent in Asia Legal status of Internet pornography Ages of consent in Oceania Protection of Children Act 1978 Minors and abortion Pornography Victims Compensation Act Antipornography Civil Rights Ordinance Crime and Disorder Act 1998 Age of consent reform Indecent exposure Jessica's Law LGBT rights by country or territory PROTECT Act of 2003 Age of consent reform in Canada Vermont Treatment Program for Sexual Abusers Lex Scantinia Coalinga State Hospital Public indecency Kansas v Hendricks R v Sharpe United States v Comstock 1891 Age of Consent Act Optional Protocol on the Sale of Children Child Prostitution and Child Pornography Maouloud Baby v State of Maryland California Proposition 83 Civil confinement Anti Obscenity Enforcement Act Smith v Doe R v Stevens French petition against age of consent laws R v Bowden Age of consent in Brazil R v Hess R v Nguyen Rape by deception Elizabeth Ann Roberts I know it when I see it Widow Remarriage Act Unnatural act CARE Act Excerpt The ages of consent in North America for sexual activity vary by jurisdiction The age of consent in Canada is 16 and all US states set their limits between 16 and 18 The ages of consent in the countries of Central America range from 15 to 18 The age of consent in Mexico is complex Typically Mexican states have a primary age of consent which may be as low as 12 and sexual conduct with persons below that age is always illegal Sexual relations between adults and teenagers are left in a legal gray area laws against adults corrupting minors may be used sometimes to punish such sexual encounters as well as laws against engaging in

Sex, Law, and the Politics of Age Ishita Pande, 2020-07-16 Ishita Pande's innovative study provides a dual biography of India's path breaking Child Marriage Restraint Act 1929 and of age itself as a key

category of identity for upholding the rule of law and for governing intimate life in late colonial India Through a reading of legislative assembly debates legal cases government reports propaganda literature Hindi novels and sexological tracts Pande tells a wide ranging story about the importance of debates over child protection to India's coming of age By tracing the history of age in colonial India she illuminates the role of law in sculpting modern subjects demonstrating how seemingly natural age based exclusions and understandings of legal minority became the alibi for other political exclusions and the minoritization of entire communities in colonial India In doing so Pande highlights how childhood as a political category was fundamental not just to ideas of sexual norms and domestic life but also to the conceptualisation of citizenship and India as a nation in this formative period

Sex, Law, and Sovereignty in French Algeria, 1830-1930 Judith Surkis, 2019-12-15 This is a masterful study of the ways in which sex and law were inextricably intertwined in the elaboration of French rule in Algeria Its great virtue is to demonstrate in careful detail with an impressive range of material from court records to novels exactly how the conquest of Algeria repeatedly challenged the very ideals of the secular universalism in whose name colonization was carried out Joan Wallach Scott author of *Sex and Secularism* During more than a century of colonial rule over Algeria the French state shaped and reshaped the meaning and practice of Muslim law by regulating it and circumscribing it to the domain of family law while applying the French Civil Code to appropriate the property of Algerians In *Sex Law and Sovereignty in French Algeria 1830 1930* Judith Surkis traces how colonial authorities constructed Muslim legal difference and used it to deny Algerian Muslims full citizenship In disconnecting Muslim law from property rights French officials increasingly attached it to the bodies beliefs and personhood Surkis argues that powerful affective attachments to the intimate life of the family and fantasies about Algerian women and the sexual prerogatives of Muslim men supposedly codified in the practices of polygamy and child marriage shaped French theories and regulatory practices of Muslim law in fundamental and lasting ways Women's legal status in particular came to represent the dense relationship between sex and sovereignty in the colony This book also highlights the ways in which Algerians interacted with and responded to colonial law Ultimately this sweeping legal genealogy of French Algeria elucidates how the Muslim question in France became and remains a question of sex

Sex, Law, and Marriage in the Middle Ages James A. Brundage, 1993 Carnal delight marriage concubinage coital position rape impotence and frigidity as grounds for annulment the status of women both within and outside of marriage intermarriage between Christians and Jews prostitution and sodomy are among the topics discussed in 17 essays reproduced from their original publication 1975 91 Much attention is paid to Canon Law and church policy Distributed in the US by Ashgate Annotation copyright by Book News Inc Portland OR *Sex, Sexuality, Law, and (In)justice* Henry Fradella, Jennifer Sumner, 2016-02-26 *Sex Sexuality Law and In Justice* covers a wide range of legal issues associated with sexuality gender reproduction and identity These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand The book synthesizes the literature across a wide breadth of perspectives

exposing students to law psychology criminal justice sociology philosophy history and where relevant biology to critically examine the social control of sex gender and sexuality across history Specific federal and state case law and statutes are integrated throughout the book but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law This book will be useful in teaching courses in a range of disciplines especially criminology and criminal justice history political science sociology women and gender studies and law

Sex and Punishment Eric Berkowitz, 2013-04-03 *Sex and Punishment* tells the story of the struggle throughout millennia to regulate the most powerful engine of human behaviour sex From the savage impalement of an Ancient Mesopotamian adulteress to the imprisonment of Oscar Wilde for gross indecency in 1895 Eric Berkowitz evokes the entire sweep of Western sex law The cast of *Sex and Punishment* is as varied as the forms taken by human desire itself royal mistresses gay charioteers medieval transvestites lonely goat lovers prostitutes of all stripes and London rent boys Each of them had forbidden sex and each was judged and justice as Berkowitz shows rarely had anything to do with it

Training of the Young in Laws of Sex Edward Lyttelton (Hon.), 1912 *Sex Panic and the Punitive State* Roger N. Lancaster, 2011-03-15 One evening while watching the news Roger N Lancaster was startled by a report that a friend a gay male school teacher had been arrested for a sexually based crime The resulting hysteria threatened to ruin the life of an innocent man In this passionate and provocative book Lancaster blends astute analysis robust polemic ethnography and personal narrative to delve into the complicated relationship between sexuality and punishment in our society Drawing on classical social science critical legal studies and queer theory he tracks the rise of a modern suburban culture of fear and develops new insights into the punitive logic that has put down deep roots in everyday American life

Sex and Reason Richard A. Posner, 2009-07-01 Sexual drives are rooted in biology but we don't act on them blindly Indeed as the eminently readable judge and legal scholar Richard Posner shows we make quite rational choices about sex based on the costs and benefits perceived Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today's Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M The first comprehensive approach to sexuality and its social controls Posner's rational choice theory surprises explains predicts and totally absorbs

Law, Sex, and Christian Society in Medieval Europe James A. Brundage, 2009-02-15 This monumental study of medieval law and sexual conduct explores the origin and development of the Christian church's sex law and the systems of belief upon which that law rested Focusing on the Church's own legal system of canon law James A Brundage offers a comprehensive history of legal doctrines covering the millennium from A D 500 to 1500 concerning a wide variety of sexual behavior including marital sex adultery homosexuality concubinage prostitution masturbation and incest His survey makes strikingly clear how the system of sexual control in a world we have half forgotten has shaped the world in which we live today The regulation of marriage and divorce as we know it today together with the outlawing of bigamy and polygamy and the imposition of criminal sanctions on such activities as

sodomy fellatio cunnilingus and bestiality are all based in large measure upon ideas and beliefs about sexual morality that became law in Christian Europe in the Middle Ages Brundage's book is consistently learned enormously useful and frequently entertaining It is the best we have on the relationships between theological norms legal principles and sexual practice Peter Iver Kaufman Church History

A Study of the Indiana Sexual Psychopath Law and of Twenty Sex Offenders Committed Under the Law from March 7, 1949-March 7, 1950 Clayton L. Wallin, 1951 *Studies in the Psychology of Sex* Havelock Ellis, 1911

Studies in the Psychology of Sex: Sex in relation to society Havelock Ellis, 1910
