Sex and the Founding Fathers Thomas A. Foster,2014-01-17 Biographers journalists and satirists have long used the subject of sex to define the masculine character and political authority of America s Founding Fathers Tracing these commentaries on the Revolutionary Era s major political figures in Sex and the Founding Fathers Thomas Foster shows how continual attempts to reveal the true character of these men instead exposes much more about Americans and American culture than about the Founders themselves Sex and the Founding Fathers examines the remarkable and varied assessments of the intimate lives of George Washington Thomas Jefferson John Adams Benjamin Franklin Alexander Hamilton and Gouverneur Morris from their own time to ours Interpretations can change radically consider how Jefferson has been variously idealized as a chaste widower condemned as a child molester and recently

celebrated as a multicultural hero Foster considers the public and private images of these generally romanticized leaders to show how each generation uses them to reshape and reinforce American civic and national identity In Search of New York Jim Sleeper, **Helping Male Survivors of Sexual Violation to Recover** Sarah Van Gogh, 2018-04-19 Placing the experiences of men at the heart of this book Sarah Van Gogh outlines an integrative approach to effective therapeutic treatment of male sexual abuse In a culture where to be male is often to be expected to embody strength power and being in control male victims of sexual abuse can be particularly challenging to help This book outlines seven composite detailed case studies representing men from a wide range of backgrounds and demographics It lays out how the author's pioneering model of an integrative approach which includes psychodynamic humanistic relational cognitive behavioural body based and arts based approaches can offer an effective model for working with this client group This key text provides a valuable resource for all those working with male survivors of sexual abuse **Attachment in Common Sense and Doodles** Miriam Silver, 2013-02-28 An informal introduction to attachment and what it means for understanding and helping children who have experienced trauma neglect or abuse Doodles featuring throughout the book bring the ideas to life ideal for parents or professionals caring for fostered adopted and looked after children Forensic Victimology Brent E. Balsam argues that re tracing theoretical steps back to the biological body's attributes is fruitful in searching for the clues of our mental development. She shows that the female biological body across female gender variants and sexual preferences including the vanished pregnant body has been largely overlooked in previous studies. It is how we weave these images of the body into our everyday lives that informs our gendered patterning. These details about being female free up gender studies in the postmodern era to think about the body's contribution to gender rather than continuing the familiar postmodern trend to repudiate biology and perpetuate the divide between the physical and the mental. There are four main areas explored: clinical contributions on female development; assessments of past and present psychoanalytic theories in relation to the body; inner portraits of gender; building blocks: a conscious and unconscious focus on the potentially procreative female body. *Women's Bodies in Psychoanalysis* will be of particular interest to psychodynamic psychotherapeutic and psychoanalytic practitioners, teachers, students, feminist academicians, college undergraduates, graduates, and faculty in women's studies and gender studies. Rosemary Balsam is Associate Clinical Professor of Psychiatry, Yale School of Medicine; Staff Psychiatrist, Yale University Student Mental Health and Counselling Services; Training and Supervising Analyst, Western New England Institute for Psychoanalysis. *Nearness Of You/Sorrow Of The Madonna* Red Jordan Arobateau, 2011. An older dyke married and living with her two wives looks back over her life reflected in the mirror of a gay restaurant on Castro Street. She recalls the past from within the present torture of her soul. A hot and steamy sex sizzler with religious overtones. Tour the San Francisco lesbian sex clubs, streets, dance halls, and churches. This long sought after lesbian novel. It's a tale of mixed race butch Sonny Zapatta, Puerto Rican, white, and the two loves of her life, two wives, high femmes Foxy Kitty. **The Psychotronic Video Guide To Film** Michael Weldon, 1996. The bible of B movies is back and better than ever. From Abby to Zontar, this book covers more than 9,000 amazing movies from the turn of the century right up to today's Golden Age of Video, all described with Michael Weldon's dry wit. This anthology examines *Love's Labours Lost* from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating, and sources; character analysis; comic elements and verbal conceits; evidence of authorship; performance analysis; and feminist interpretations. Alongside theater reviews, production photographs, and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work, and concept rounds out this valuable resource. *Child Trauma and Attachment in Common Sense and Doodles - Second Edition* Miriam Silver, 2024-02-21. Trauma and attachment are commonly used terms but are complex concepts. Trauma refers to negative experiences that cause us to fear for our safety, whilst attachment describes meaningful relationships with someone we love or respect. Why then is so much of the language surrounding these concepts so obscure, and why is it so challenging to help children who have experienced trauma and lack healthy attachment bonds?

Providing grounded advice accompanied by accessible doodles throughout this guide aims to bring some clarity to the subject. It explains the differing attachment patterns in children who are adopted, fostered, or have experienced early trauma. The book also provides advice on how to repair attachment difficulties and to build secure loving relationships. With new material on cultural diversity and sexual exploitation as well as specific guidance for trafficked and asylum-seeking children, this fully updated new edition provides you with all you need to know.
