Sex in Prison Columbus B. Hopper,1969 *Sex in Prison* Columbus B. Hopper,1969 **Conjugal Visits in Prison** Jules Burstein,1977 *Criminal Intimacy* Regina Kunzel,2022-03-22 Sex is usually assumed to be a closely guarded secret of prison life But it has long been the subject of intense scrutiny by both prison administrators and reformers as well as a source of fascination and anxiety for the American public Historically sex behind bars has evoked radically different responses from professionals and the public alike In *Criminal Intimacy* Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity but sex behind bars often involving otherwise heterosexual prisoners calls those assumptions into question By exploring the sexual lives of prisoners and the sexual culture of prisons over the past two centuries along with the impact of a range of issues including race class and gender sexual violence prisoners rights activism and the HIV epidemic Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself Drawing on a wide range of sources including physicians psychiatrists sociologists correctional administrators journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America **American Prisons and Jails** Vidisha Barua Worley,Robert M. Worley,2018-12-07 This two volume encyclopedia provides a comprehensive and authoritative examination of the history and current character of American prisons and jails and their place in the U S corrections system This encyclopedia provides a rigorous and comprehensive summary of correctional systems and practices and their evolution throughout US history Topics include sentencing norms and contemporary developments differences between local jails and prisons and regional state and federal systems violent and nonviolent inmate populations operations of state and federal prisons including well known prisons such as ADX Florence Alcatraz Attica Leavenworth and San Quentin privately run for profit prisons as well as the companies that run them inmate culture including prisoner generated social hierarchies prisoner slang gangs drug use and violence prison trends and statistics including racial ethnic age gender and educational breakdowns the death penalty and post incarceration outcomes including recidivism The set showcases contributions from some of the leading scholars in the fields of correctional systems and practices and will be a valuable resource for anyone interested in learning more about American prisons jails and community corrections **Document Retrieval Index** ,1972 **Homosexuality in Prisons** Peter C. Buffum,1972 *Prisoner for Polygamy* Stan Larson,2012-03-13 Rudger Clawson 1857 1943 was the first Mormon convicted of being in violation of the Edmund Tucker Act which outlawed polygamy Born into a polygamous family Clawson married Florence Dinwoodey in August 1882 Lydia Spencer in March 1883 and eventually entered into a post Manifesto union with Pearl Udall

in 1904 Clawson a prominent member of the Church of Jesus Christ of Latter day Saints served in the LDS Church as missionary stake president apostle president of the Quorum of the Twelve Apostles and counselor in the First Presidency This book delves into Clawson s time as a cohab in the Utah Territorial Penitentiary as well as a unique look at this time in Utah s history These prison memoirs and letters reflect the pride felt by Mormon polygamists imprisoned for conscience sake and include Mormon doctrinal discussions details of their prison life personal accounts of prison escape attempts and the sense of frustration felt by the men as a result of being separated from their families In addition these memoirs show Clawson s talent for storytelling and include select love letters written by Clawson to his plural wife Lydia Sexuality and Prison Arnaud Gaillard,2023-06-09 How do the 60 000 people incarcerated in France experience their sexuality If it seems unthinkable today not to care for and feed prisoners it will no doubt seem incomprehensible that the prison of the 21st century has not been able to integrate respect for the right to intimacy as an essential element of human dignity The deprivation and control of sexual relations in prison represents an additional punishment for prisoners and their families who feel the injustice of it all An ambitious study was needed to go beyond stereotypes particularly when it comes to prostitution rape and homosexuality within prison walls In prison it s hard to avoid regression to a solitary pornographic sexuality Marital sexuality is furtive and humiliating stolen from the gaze of prison guards A general situation that runs counter to the State s stated ambitions in terms of rehabilitation and the fight against recidivism This groundbreaking sociological document is also a fascinating human investigation Sixty men and women detained in France were interviewed on a regular basis Testimonies were gathered from several foreign countries The author was also able to interview prison and medical social staff He then questions the nature and use of confinement putting it into perspective with a justice system that is all too often misunderstood Arnaud Gaillard is Secretary General of the Human Rights Alert and Intervention Network RAIDH He is a lawyer and has a doctorate in sociology He is the author of a thesis on sexuality in prison defended at the Sorbonne in 2008 At the end of 2009 he coordinated the 4th World Congress against the Death Penalty **Elvis Presley** Joel Williamson,Donald Lewis Shaw,2015 An eminent Southern biographer interprets one of the most famous Southern icons of popular culture Already Doing It Michael Gill,2015-03-27 Why is the sexuality of people with intellectual disabilities often deemed risky or inappropriate by teachers parents support staff medical professionals judges and the media Should sexual citizenship depend on IQ Confronting such questions head on Already Doing It exposes the sexual ableism that denies the reality of individuals who despite the restrictions they face actively make decisions about their sexual lives Tracing the history of efforts in the United States to limit the sexual freedoms of such persons using methods such as forced sterilization invasive birth control and gender segregated living arrangements Michael Gill demonstrates that these widespread practices stemmed from dominant views of disabled sexuality not least the notion that intellectually disabled women are excessively sexual and fertile while their male counterparts are sexually predatory Analyzing legal discourses sex education materials

and news stories going back to the 1970s he shows for example that the intense focus on stranger danger in sex education for intellectually disabled individuals disregards their ability to independently choose activities and sexual partners including nonheterosexual ones who are frequently treated with heightened suspicion He also examines ethical issues surrounding masturbation training that aims to regulate individuals sexual lives challenges the perception that those whose sexuality is controlled or rejected should not reproduce and proposes recognition of the right to become parents for adults with intellectual disabilities A powerfully argued call for sexual and reproductive justice for people with intellectual disabilities Already Doing It urges a shift away from the compulsion to manage deviance better known today as harm reduction because the right to pleasure and intellectual disability are not mutually exclusive In so doing it represents a vital new contribution to the ongoing debate over who in the United States should be allowed to have sex reproduce marry and raise children

Health and Health Promotion in Prisons Michael W. Ross,2013 The impact of the United Nations Healthy Prisons initiative has highlighted the importance of health and health promotion in incarcerated populations This invaluable book discusses the many health and medical issues that arise or are introduced into prisons from the perspective of both inmates and prison staff Health and Health Promotion in Prison places key issues in prison healthcare into a historical perspective and investigates contemporary policy drivers It then addresses the significant legal issues relating to health in prison settings and the human rights implications and questions that arise The book presents a useful framework for health education in prison and a model for introducing structural policy and health related changes based on the UN Health in Prisons model and also includes a special chapter on mental health issues Providing a comprehensive and thought provoking overview of health promotion issues in correctional environments this is an essential reference for all those involved in prison healthcare **In**

the Shadow of Prison Helen Codd,2013-05-13 This book provides an up to date accessible introduction to the relationship between families prisons and penal policies in the United Kingdom It explores current debates in relation to prisoners and their families and introduces the reader to relevant theoretical approaches Interdisciplinary in nature the book incorporates perspectives drawn from criminology sociology social work and law The book includes a current exploration of key aspects of the consequences of imprisonment for prisoners and their families an assessment of the role of current prison policies and practices in promoting and maintaining family relationships a summary of the current law in relation to prisoners and their families with reference to the relevant legislation and recent case law **Law Dictionary** Steven H.
