

**She laughs, she cries, she feels angry,
she feels lonely, she feels guilty,
she makes breakfast, she makes love,
she makes do, she is strong, she is weak,
she is brave, she is scared, she is...
an unmarried woman.**

Sex Life Of The Unmarried Adult:

The Sex Life of the Unmarried Adult Ira Solomon Wile, 1987 **The Sex Life of the Unmarried Adult; an Inquiry Into and an Interpretation of Current Sex Practices, Edited by Ira S. Wile, M.D.** Ira Solomon Wile, 1940 **The Sex Life of the Unmarried Adult** Ira Solomon Wile, 1934 *The Sex Life of the Unmarried Adult* Ira Solomon Wile, 1940

The Age of the Bachelor Howard P. Chudacoff, 2020-12-08 In this engaging new book Howard Chudacoff describes a special and fascinating world the urban bachelor life that took shape in the late nineteenth century when a significant population of single men migrated to American cities Rejecting the restraints and dependence of the nineteenth century family bachelors found sustenance and camaraderie in the boarding houses saloons pool halls cafes clubs and other institutions that arose in response to their increasing numbers Richly illustrated anecdotal and including a unique analysis of *The National Police Gazette* the most outrageous and popular men's publication of the late nineteenth and the early twentieth century this book is the first to describe a complex subculture that continues to affect the larger meanings of manhood and manliness in American society The figure of the bachelor with its emphasis on pleasure self indulgence and public entertainment was easily converted by the burgeoning consumer culture at the turn of the century into an ambiguously appealing image of masculinity Finding an easy reception in an atmosphere of insecurity about manhood that image has outdistanced the circumstances in which it began to flourish and far outlasted the bachelor culture that produced it Thus the idea of the bachelor has retained its somewhat negative but alluring connotations throughout the rest of the twentieth century Chudacoff's concluding chapter discusses the contemporary singles scene now developing as the number of single people in urban centers is again increasing By seeing bachelorhood as a stage in life for many and a permanent status for some Chudacoff recalls a lifestyle that had a profound impact on society evoking fear disdain repugnance and at the same time a sense of romance excitement and freedom The book contributes to gender history family history urban history and the study of consumer culture and will appeal to anyone curious about American history and anxious to acquire a new view of a sometimes forgotten but still influential aspect of our national past *Margaret Mead* Joan

Gordan, 2015-06-03 No detailed description available for Margaret Mead *Feminism as Life's Work* Mary K.

Trigg, 2014-06-23 With suffrage secured in 1920 feminists faced the challenge of how to keep their momentum going As the center of the movement shrank a small self appointed vanguard of modern women carried the cause forward in life and work *Feminism as Life's Work* profiles four of these women the author Inez Haynes Irwin the historian Mary Ritter Beard the activist Doris Stevens and Lorine Pruette a psychologist Their life stories told here in full for the first time embody the changes of the first four decades of the twentieth century and complicate what we know of the period Through these women's intertwined stories Mary Trigg traces the changing nature of the women's movement across turbulent decades rent by world war revolution global depression and the rise of fascism Criticizing the standard division of feminist activism as a

series of historical waves Trigg exposes how Irwin Beard Stevens and Pruette helped push the U S feminist movement to victory and continued to propel it forward from the 1920s to the 1960s decades not included in the wave model At a time widely viewed as the doldrums of feminism the women in this book were in fact taking the cause to new sites the National Women s Party sexuality and relations with men marriage and work and financial independence In their utopian efforts to reshape work sexual relations and marriage modern feminists ran headlong into the harsh realities of male power the sexual double standard the demands of motherhood and gendered social structures In *Feminism as Life s Work* Irwin Beard Stevens and Pruette emerge as the heirs of the suffrage movement guardians of a long feminist tradition and catalysts of the belief in equality and difference Theirs is a story of courage application and perseverance a story that revisits the bleak and lonely years of the U S women s movement and emerges with a fresh perspective of the history of this pivotal era **Albert Ellis**

Revisited Jon Carlson, William Knaus, 2013-10-15 Albert Ellis was one of the most influential psychotherapists of all time revolutionizing the field through his writings teachings research and supervision for more than half a century He was a pioneer whose ideas known as Rational Emotive Behavior Therapy REBT formed the basis of what has now become known as Cognitive Behavior Therapy CBT the most widely accepted psychotherapeutic approach in the world This book contains some of Ellis most influential writings on a variety of subjects including human sexuality personality disorders and religion with introductions by some of today s contemporary experts in the psychotherapy field The 20 articles included capture Ellis wit humor and breadth of knowledge and will be a valuable resource for any mental health professional for understanding the key ingredients needed to help others solve problems and live life fully **Fractured Modernity** Thomas Welskopp, Alan

Lessoff, 2016-07-11 The ten essays in this volume deal with the debates and conflicts about modernity in a period of American history when the tensions and strains caused by seemingly unrestrained change and the reactions to it were particularly severe and tangible Partly concentrating on the margins or dark underworlds of modernity such as racism and violence partly focusing on the allegedly unlimited space to negotiate and create social order from scratch the contributions to this volume show that and discuss why modernity was an issue in contemporary United States which seemed to have been even more hotly contested than in Europe at the same time albeit sometimes in terms of Americanism rather than modernism In this book European scholars of the United States apply variations on the transnational discourse on modernity to unexpected dimensions of U S history making this volume a fascinating example of the present day enterprise of internationalizing American studies [Index-catalogue of the Library of the Surgeon General's Office, National Library of Medicine: Subjects N-Z](#) National Library of Medicine (U.S.), 1961

American Fatherhood Jürgen Martschukat, 2019-12-31 Explores the surprising diversity of fathers and fatherhood throughout American history and society The nuclear family has been endlessly praised as the bedrock of American society even though there has rarely been a time in history when a majority of Americans lived in such families This book deconstructs the myth of the nuclear family by presenting the rich diversity of family lives in

American history from the American Revolution to the twenty first century To tell this story J rgen Martschukat focuses on fathers and their relations to families and American society Using biographical close ups of twelve different characters each embedded in historical context American Fatherhood provides a much more realistic picture of how fatherhood has been performed within different kinds of families Each protagonist covers a crucial period or event in American history presents a different family constellation and makes a different argument with regard to how American society is governed through the family

Intertwined Lives Lois W. Banner,2010-12-15 A uniquely revealing biography of two eminent twentieth century American women Close friends for much of their lives Ruth Benedict and Margaret Mead met at Barnard College in 1922 when Mead was a student Benedict a teacher They became sexual partners though both married and pioneered in the then male dominated discipline of anthropology They championed racial and sexual equality and cultural relativity despite the generally racist xenophobic and homophobic tenor of their era Mead s best selling Coming of Age in Samoa 1928 and Sex and Temperament in Three Primitive Societies 1935 and Benedict s Patterns of Culture 1934 Race 1940 and The Chrysanthemum and the Sword 1946 were landmark studies that ensured the lasting prominence and influence of their authors in the field of anthropology and beyond With unprecedented access to the complete archives of the two women including hundreds of letters opened to scholars in 2001 Lois Banner examines the impact of their difficult childhoods and the relationship between them in the context of their circle of family friends husbands lovers and colleagues as well as the calamitous events of their time She shows how Benedict inadvertently exposed Mead to charges of professional incompetence discloses the serious errors New Zealand anthropologist Derek Freeman made in his famed attack on Mead s research on Samoa and reveals what happened in New Guinea when Mead and colleagues engaged in a ritual aimed at overturning all gender and sexual boundaries In this illuminating and innovative work Banner has given us the most detailed balanced and informative portrait of Mead and Benedict individually and together that we have had From the Hardcover edition *Catalogue* Montgomery Ward,1941

Domestic Tensions, National Anxieties Kristin Celello,Hanan Kholoussy,2016 Since the late nineteenth century fears that marriage is in crisis have reverberated around the world Each chapter in Domestic Tensions National Anxieties considers a moment in which proclamations of marriage crisis have erupted revealing how people deployed the institution to debate relationships the nation and the problems of both

Youth and Sexuality in the Twentieth-Century United States John C. Spurlock,2015-07-16 When did the sexual revolution happen Most Americans would probably say the 1960s In reality young couples were changing the rules of public and private life for decades before By the early years of the twentieth century teenagers were increasingly free of adult supervision and taking control of their sexuality in many ways Dating going steady necking petting and cohabiting all provoked adult hand wringing and advice most of it ignored By the time the media began announcing the arrival of a sexual revolution it had been going on for half a century Youth and Sexuality in the Twentieth Century United States tells this story with fascinating revelations

from both personal writings and scientific sex research John C Spurlock follows the major changes in the sex lives of American youth across the entire century considering how dramatic revolutions in the culture of sex affected not only heterosexual relationships but also gay and lesbian youth and same sex friendships The dark side of sex is also covered with discussion of the painful realities of sexual violence and coercion in the lives of many young people Full of details from first person accounts this lively and accessible history is essential for anyone interested in American youth and sexuality

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1963 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June Sexuality Across the Life Course Alice S. Rossi, 1999-06-04 How does sexual behavior change over one's life span How does sexual satisfaction affect the quality and stability of marriage How has the AIDS epidemic affected sexual attitudes in America over the past three decades In this wide reaching volume distinguished sociologist Alice S Rossi addresses these questions and others through fourteen diverse essays on sexual behavior covering adolescence through old age and studying such groups as singles married couples and homosexuals This extensive study also explores the effects of chronic disease and medication on sexual functioning recent developments in psychotherapy for sexual problems and sexual abuse of children incest and rape The interdisciplinary nature of the project has resulted in a text that is accessible to anyone with a behavioral science background Well written well edited and well received by this reviewer Joan C Chrisler Journal of Sex Marital Therapy This is a book that needs to be on the bookshelf of any AIDS researcher AIDS Book Review Journal **The Rattle of Theta Chi**, 1937 *American Behavioral History* Peter N. Stearns, 2005-10 From his founding of The Journal of Social History to his groundbreaking work on the history of emotions weight and parenting Peter N Stearns has pushed the boundaries of social history to new levels presenting new insights into how people have lived and thought through the ages Having established the history of emotions as a major subfield of social history Stearns and his collaborators are poised to do the same thing with the study of human behavior This is their manifesto American Behavioral History deals with specific uses of historical data and analysis to illuminate American behavior patterns ranging from car buying rituals to sexuality and from funeral practices to contemporary grandparenting The anthology illustrates the advantages and parameters of analyzing the ways in which people behave and adds significantly to our social understanding while developing innovative methods for historical teaching and research At its core the collection demonstrates how the study of the past can be directly used to understand current behaviors in the United States Throughout contributors discuss not only specific behavioral patterns but importantly how to consider and interpret them as vital historical sources Contributors include Gary Cross Paula Fass Linda Rosenzweig Susan Matt Steven M Gelber Peter N Stearns Suzanne Smith Mark M Smith Kevin White **The Poetics of Intimacy and the Problem of Sexual Abstinence** Michael J. Hartwig, 2009 This bold work asks whether traditional Christian sexual morality with its emphasis on sexual abstinence outside of heterosexual marriage is harmful Appealing to sociological studies

anthropological theories and contemporary theological ethics Hartwig develops a model of sexual virtue around the concept of a poetics of intimacy and applies this model to particular challenges faced by the divorced married couples gay men and lesbians single adults and people with mental and developmental disabilities He concludes that mandated long term and lifelong sexual abstinence for those outside heterosexual marriage is not only harmful but compromises many features of Christian morality
