*Sex, Money and Power* Bill Jordan, 2004-10-08 Intimacy choice movement these are the elements that make up the desirable lifestyle in the mainstream of affluent societies They also undermine traditional forms of power and control and create a web of connections between individuals all over the world which promises to be more flexible and less restrictive than any that has existed before But Bill Jordan argues our present global institutions have shut out the majority of the world's population who are left to rely on quite different bonds of blood soil and faith **Sex, Money and Power** Bill

Jordan, 2004-10-08 Intimacy choice movement these are the elements that make up the desirable lifestyle in the mainstream of affluent societies They also undermine traditional forms of power and control and create a web of connections between individuals all over the world which promises to be more flexible and less restrictive than any that has existed before But Bill Jordan argues our present global institutions have shut out the majority of the world's population who are left to rely on quite different bonds of blood soil and faith *Self, Identity, and Collective Action* Francine Tremblay, 2023-08-29 Based on the work of George Herbert Mead Han Joas and Axel Honneth as well as the author's own personal and academic identities and journeys *Self Identity and Collective Action* argues that the self and action are strictly related Reading these authors provided Francine Tremblay with the theoretical ground to stand on while thinking about identity and how it is linked to civic participation She posits that Mead's work and its link to action must be revisited and given its rightful place in sociology and that sociology must be radical committed and passionate **Sex as Crime?** Gayle Letherby, Kate Williams, Philip

Birch, Maureen E Cain, 2013-05-13 This book brings together chapters by academics researchers and practitioners to analyse how crimes such as sex work domestic violence and rape and sexual assault have risen up the Government agenda in recent years For example the Paying the Price consultation exercise on sex work in 2004 and recent legislation around sex crimes including the Sex Offences Act 2003 This is a multi disciplinary social scientific pro feminist collection which draws upon practice empirical research documentary analysis and overviews of research in the areas of sex work and sexual violence Within *Sex as Crime* there are two distinct sub sections *Sex for Sale* and *Sex as Violence* but the broader and overriding link of sex as crime remains a paramount theme that spans the collection Chapters include discussions of the impact of new regulations on street sex workers and of street sex work on community residents the use of the internet by men who pay for sex and men who sell it sexual violence and identity sex crimes against children and protecting children online and working with sex offenders Other chapters explore reasons for such offending behaviour **Sex in Cyberspace** Sarah Earle, Keith Sharp, 2016-04-01 *Sex in Cyberspace* offers a bold and provocative yet sensitively written account of an under investigated area of sociological enquiry While there is a considerable amount of research documenting the experiences of sex workers very little data exists on their male clientele The first empirically based volume on the experiences of men who pay for sex this work presents a significant new source of data The book is based upon an extensive study of on line forums in which both

the purchasers of sexual services and the workers themselves can exchange information and views information which is otherwise extremely difficult to obtain Sarah Earle and Keith Sharp argue that such sites represent a significant change in the social organization of sex work and those who seek and use the services of sex workers Shedding new light on men s sexual identity Sex in Cyberspace makes a major contribution to the study of sexuality

**Governance and Regulation in Social Life** Augustine Brannigan, George Pavlich, 2007-03-06 The shift from crime to governance in the sociology of law George Pavlich and Augustine Brannigan The importance of being ambiguous theorising white collar crime Fiona Haines and Adam Sutton Are occupational health and safety crimes hostage to history an Australian perspective Richard Johnstone The continuing price of Britain s oil business organisation precarious employment and risk transfer mechanisms in the North Sea petroleum industry Charles Woolfson Jurisprudential miscegenation strict liability and the ambiguity of law Arie Freiberg The sociology of compliance based regulation an intellectual history Paul Rock Rethinking the symbolic instrumental distinction meanings and motives in American capital punishment David Garland The law of subaltern discipline George Pavlich A genealogy of fire prevention Pat O Malley and Steven Hutchinson Young people fire and arson as resistance Mike Presdee The politics of community and the problem of the stranger Gordon Hughes Responding to crimes against international law Dirk Van Zyl Smit Restorative justice in post genocidal Rwanda from community to citizenship as a basis for social justice Augustine Brannigan Embedded criminology and knowledges of resistance Reece Walters

**The Age of Disintegration** Bill Jordan, 2020-03-23 This book addresses the disintegration of collective units of all kinds under the twin pressures of economic globalisation and technological automation At the level of super states the constituent nations of the European Union and the former Soviet Union and of the United Kingdom have demonstrated this dynamic and their constituent groups associations and communities have done so too The author analyses the causes and consequences of these processes at the global national and local levels the significance of increased mobility and migration and the politics of resistance to some damaging effects He recommends ways in which public policy can offset some of the latter including radical changes in tax benefits systems already being trialled in several countries worldwide

**Vulnerability and Violence** Peadar Kirby, 2005-12-20 Vulnerability is now a key term in globalisation studies It is used to describe how globalisation impacts on individual security local communities and even global flows of trade finance and investment Yet there has been little attempt to interrogate the term and what it is trying to express about globalisation Peadar Kirby examines what is really meant by vulnerability and links it to new forms of violence that have resulted from decreased security and social cohesion He argues that vulnerability and violence are characteristic features of a new world order dominated by neoliberal globalisation Illustrating his argument with a wealth of examples taken from all over the world from the sudden collapse of the middle class in Argentina to increased levels of poverty internationally he offers a robust theoretical grounding that will be of use to anyone studying vulnerability and violence and their relation to contemporary globalisation

**Beyond Cosmopolitanism**

Ananta Kumar Giri, 2017-10-17 Considering the different traditions of cosmopolitan thinking and experimentation this cutting edge volume examines the contemporary revival of cosmopolitanism as a response to the challenges of living in an interdependent world Through a unique multidisciplinary approach it takes the debate beyond the one sided universalism of the Euro American world and explores the multiverse of transformations which confront cosmopolitanism The collection highlights central questions of cosmopolitan responsibility global citizenship and justice as well as the importance of dialogue among civilizations cultures religions and traditions Exploring the ethical and political dimensions of globalization it outlines the pathways of going beyond cosmopolitanism by striving for a post colonial cosmopolis characterized by global justice trans civilizational dialogues and dignity for all

**What's Wrong with Social Policy and How to Fix It** Bill Jordan, 2010-04-26 Bill Jordan argues in this book that the financial crash of 2008 9 has exposed the disastrous consequences of applying economic theory to the collective life of societies

**The Politics of Crime and Community** Gordon Hughes, 2017-09-16 This timely book offers a wide ranging and authoritative analysis of the complex issues and debates in the politics of crime and community safety

**Social Work** Mark Lymbery, Karen Postle, 2007-03-29 This engaging and stimulating book is well placed to become a key text in many student social workers reading lists Journal of Interprofessional Care An excellent book abounding with conceptual insights bursting with research and evidence based reasoning and pretty comprehensive in the spread of topics It contains plenty of though provoking material in nice sized chunks that challenged me to think about my practice in different ways and also made me want to find out more The range of contributors is impressive and students could do a lot worse than digest and reference their work in assignments Professional Social Work a comprehensive account of the issues related to social workers personal development and latest developments in social work practice I have no doubt that this book will provide an invaluable reference guide for social workers who are interested in the development of the profession Social Policy and Social Work SWAP This book is put together in an accessible and engaging way which serves to stimulate the reader by posing questions and creating opportunities for reflecting on the key learning points of each chapter It should be an essential reading item on the book list of every social work student and act as a training resource to those training future social workers and those already established within the profession Health Social Care in the Community In recent years social work has been devalued by politicians and the media However it requires practitioners equipped with key skills to empower individuals and communities and rooted in values which stimulate them to promote social justice It is heartening that social work educators are at the forefront of equipping social workers with the skills and values to promote a better society This book will open hearts and minds to achieve these ends Bob Holman former Community Worker and Professor of Social Policy Social Work A Companion to Learning is an exciting and definitive new book that will equip readers with the core knowledge and skills they need to successfully complete their social work training and go on to be an effective practitioner The text takes a holistic and critical approach not only enabling students and practitioners to understand how to

practise social work effectively but also how to locate this practice within its societal context Written and edited by leading experts in the field each chapter skilfully explores key themes issues and concepts underpinning social work theory and practice in an engaging authoritative and accessible way The selection of topics serves to establish the contexts through which social work education can best be understood the core requirements and processes that characterise social work courses the issues involved in continuing professional development The chapters comprise a wide range of key issues such as communication skills partnership working the values of social work supervision management law and research mindedness as well as two unique chapters written exclusively from service users perspectives Case studies interactive questions key points and further reading sections are used throughout the book to bring the material to life and aid readers understanding Social Work A Companion to Learning will be a core text for students and practitioners at all levels providing the most up to date and comprehensive companion they will need to help them progress in their careers Mark Lymbery has taught social work at the University of Nottingham since 1995 He is the author of Social Work with Older People 2005 also published by SAGE Karen Postle is a lecturer in social work at the University of East Anglia Both authors have a background as social work practitioners

**Why the Third Way failed** Jordan, Bill, 2010-10-20 In the wake of the economic crash public policy is in search of a new moral compass This book explains why the Third Way s combination of market friendly and abstract value led principles has failed and shows what is needed for an adequate replacement as a political and moral project It criticises the economic analysis on which the Third Way approach to policy was founded and suggests an alternative to its legalistic and managerial basis for the regulation of social relations

**Social Policy for Social Welfare Professionals** Simpson, Graeme, Connor, Stuart, 2011-04-27 Social welfare workers in all fields are frequently motivated by a desire to work with people bring about change or to make a difference These ideals are often constrained even thwarted by systems and funding that are driven by social policy This book explores some of the difficulties and dilemmas faced by contemporary social workers as they deliver welfare in a changing policy context The book takes a skills based approach to understanding the role and importance of social policy in social welfare practice Written by experienced educators and authors it shows readers how to understand analyze and engage with policy It is especially relevant for social workers whose roles are currently being shaped and re shaped by policies

Welfare and well-being Bill Jordan, 2008-09-10 Research on well being reveals the significance of personal relationships trust and participation to sustain quality of life yet it is the economic model that remains the dominant basis for political and social institutions and policy In this original book Bill Jordan presents a new analysis of well being in terms of social value and outlines how it could be incorporated into public policy decisions He argues that the grandiose attempt to maximise welfare and regulate social relations through contract in line with the economic theory of information and incentives is counterproductive for well being Instead both the quality of personal experience and the restraints necessary for a convivial collective life would be better served by a focus on cultures and

institutions This book will be an essential text for academics and students in social theory social welfare public policy and governance Bill Jordan is Professor of Social Policy at Plymouth and Huddersfield Universities He has held visiting chairs in Germany the Netherlands Denmark Slovakia and Hungary He worked for 20 years in the UK social services and is the author of 25 books on social policy social theory politics and social work

**Trading Time** Lee Gregory, 2016-06-01 Welfare reform in the wake of austerity has fostered increased interest in self help initiatives within the community sector Amongst these time banking one of a number of complementary currency systems has received increasing attention from policy makers as a means for promoting welfare reform This book is the first to look at the concept of time within social policy to examine time banking theory and practice By drawing on the social theory of time to examine the tension between time bank values and those of policy makers it argues that time banking is a constructive means of promoting social change but is hindered by its co option into neo liberal thinking This book will be valuable for academics researchers with an interest in community based initiatives the third voluntary sectors and theoretical analysis of social policy and political ideologies

*Social Policy* Hartley Dean, 2006 How do human societies provide for the wellbeing of their members How far can we organise the ways in which we care for and about each other And who should take responsibility for providing the support we all need These are some of the fundamental questions addressed by social policy today In this short introduction suitable for students at any level Hartley Dean explains the extraordinary scope and importance of social policy He explores its foundations and contemporary significance the principal issues it addresses and their diverse economic political and sociological dimensions and concludes by looking at the fundamental challenges facing social policy in a dramatically changing world Taking an innovative approach to social policy as the study of human wellbeing Hartley Dean examines the ways in which governments and peoples throughout the world attend to promote neglect or even undermine the things that make life worth living These include essential services such as healthcare and education the means of livelihood such as jobs and money and vital but sometimes intangible things such as physical and emotional security Some of these are organised by governments and official bodies Others are provided by businesses social groups community organizations neighbours and families Trying to understand all these elements which together constitute human wellbeing is the stuff of social policy

**Women and New Labour** Claire Annesley, Francesca Gains, Kirstein Rummery, 2007-06-22 Although there is a growing body of international literature on the feminisation of politics and the policy process and as New Labour s term of office progresses a rapidly growing series of texts around New Labour s politics and policies until now no one text has conducted an analysis of New Labour s politics and policies from a gendered perspective despite the fact that New Labour have set themselves up to specifically address women s issues and attract women voters This book fills that gap in an interesting and timely way Women and New Labour will be a valuable addition to both feminist and mainstream scholarship in the social sciences particularly in political science social policy and economics Instead of focusing on traditionally feminist areas of politics and policy such as violent crime against

women the authors opt to focus on three case study areas of mainstream policy economic policy foreign policy and welfare policy from a gendered perspective The analytical framework provided by the editors yields generalisable insights that will outlast New Labour s third term     Making European Citizens R. Bellamy,D. Castiglione,J. Shaw,2015-12-31 Making European Citizens examines the forms of transnational citizenship developing in Europe Active citizenship involves more than simply voting Achieving mobilization at a transnational level may involve new democratic techniques and skills The volume explores how far European citizens have acquired the requisite methods and qualities     **Changing Administration, Changing Society** Peter Herrmann,Sabine Herrenbrueck,2007 Welfare is a current global issue challenging the lives of many Investigations are constantly being made to find answers in search of the most proficient social model This book presents the usefulness of an enhanced model for welfare regime analysis and shows the localisation of social professional orientations This includes social quality social professions traditions public services globalisation child protection retirement plans and other social services
