increasingly oppressive militaristic and violent society How do you stay safe when your very life may be at the whim of a heavily armed racist police officer recruited into a position of authority by his white supremacist overlords and protected from prosecution by an ever more corrupt judicial system RESIST It is the only ethical and moral option and this is the book the government doesn't want you to have AL Press Independent Publishing at its best Susie Os and Bonny Freedom are the editors of the first in a series of books on political activism and personal freedom This book along with several others at AL Press follow a long tradition of promoting literary freedom as protected by the United States constitution However due to recent challenges and post 9 11 censorship the authors and AL Publishing are currently writing under pseudonyms for their own protection
