Sex And Gender An Introduction:

Sex and Gender Hilary M. Lips, 2020-04-10 Are sex and gender really two different things How malleable is gender identity Do both gender and sex have to be conceptualized as binaries as having two distinct but complementary categories Should we emphasize gender differences or is that the wrong question When should we call a gender difference small Are women really nonaggressive or does that label stem from stereotyping How does subtle or modern sexism work on its targets Scholarship on these and other gender related questions has exploded in recent years Hilary Lips synthesizes that research for students in an accessible and readable way Concepts on sex and gender are presented with the social context in which they were developed As in previous editions Lips takes a multicultural approach discussing the gender experiences of people from a wide range of races cultures socioeconomic statuses and gender and sexual identities She emphasizes empirical research but takes a critical approach to that research

Sex & Gender Hilary M. Lips, 1988 This is a comprehensive introduction to sex and gender theories research and issues focusing on social psychological and feminist perspectives The book examines the similarities and differences between women and men where that knowledge comes from and how that knowledge may itself be shaped and limited by cultural perceptions The text is organized into three primary themes Part I provides background to stereotypes theories and research Part II is focused on biological and psychological dimensions Part III examines sex and gender in social relationships

Sex and Gender HILARY M. LIPS, 2017-05-23 Are sex and gender really two different things How malleable is gender identity Should we emphasize gender differences These are only some of the questions Hilary Lips addresses regarding one of the most important dimensions of human life since time immemorial Stereotypes gender roles and how social relationships function all combine to assign meanings to the male female distinction that affects all aspects of social life Taking advantage of the abundance of current research that reevaluates and resituates the major issues of sex and gender the Sixth Edition collects and distills this scholarship into a book that is readily accessible and relevant to today's readers Lips incorporates knowledge gained from a range of social sciences taking a critical approach to empirical research Throughout the book she emphasizes culturally racially and sexually diverse perspectives A discussion of the role that gender plays in social relationships and power hierarchies illuminates the experience of inequality between men and women in business education politics and the media The ideas presented in *Sex and Gender* will raise readers awareness of the issues contributing to that major social problem

Sex & Gender Hilary M.
