The Palgrave Handbook of Sexuality Education Louisa Allen,Mary Lou Rasmussen,2016-11-09 This authoritative state of the art Handbook provides an authoritative overview of issues within sexuality education coupled with ground breaking discussion of emerging and unconventional insights in the field With 32 contributions from 12 countries it definitively traces the landscape

of issues theories and practices in sexuality education globally These rich and multidisciplinary essays are written by renowned critical sexualities studies experts and rising stars in this area and grouped under four main areas Global Assemblages of Sexuality Education Sexualities Education in Schools Sexual Cultures Entertainment Media and Communication Technologies Re animating What Else Sexuality Education Research Can Do Be and Become Importantly this Handbook does not equate sexuality education with safer sex education nor understand this subject as confined to school based programmes Instead sexuality education is understood more broadly and to occur in spaces as diverse as community settings and entertainment media and via communication technologies It is an essential and comprehensive reference resource for academics students and researchers of sexuality education that both demarcates the field and stimulates critical discussion of its edges Chapter 2 is available open access under a CC BY 4 0 license via link [springer.com](https://www.springer.com) **International Handbook of Education for Spirituality, Care and Wellbeing** Marian de Souza,LESLIE J. FRANCIS,James O'Higgins-Norman,Daniel G. Scott,2009-10-13 Acknowledging and understanding spiritual formation is vital in contemporary education This book explores the dynamic relationship between education and wellbeing It examines the theory underpinning the practice of education in different societies where spirituality and care are believed to be at the heart of all educational experiences The book recognizes that regardless of the context or type of educational experience education is a caring activity in which the development of the whole person body mind and spirit is a central aim for teachers and educators in both formal and informal learning The chapters in this handbook present and discuss topics that focus on spirituality as an integral part of human experience and consequently essential to educational programs which aim to address personal and communal identity foster resilience empathy and compassion and promote meaning and connectedness *Equality in the Primary School* Dave Hill,Leena Helavaara Robertson,2009-12-22 Draws together a wealth of knowledge from a varied list of contributors all of whom recognise the importance of promoting equality in primary schools [Relationships and Sex Education 3-11](#) Sacha Mason,Richard Woolley,2019-03-21 Where do babies come from The prospect of this age old question is one that causes significant apprehension for many professionals working with children but this isn't where the anxiety ends This book argues that it is essential to have clear strategies to support children's questions about relationships growing up and sex so that they are enabled to develop positive and confident views about themselves and those around them It examines important concerns such as the role of media in children's lives in shaping their views on relationships and explores how issues of gender and sexuality are considered more fluidly Whether working in an academy free schools faith schools the independent sector or elsewhere this book supports you to help children to deal with a wide range of relationships issues meeting the requirements of the new legislation on relationships education for primary aged children as a foundation for relationships and sex education Drawing on research with teachers about their apprehensions about teaching the subject and children's experience of its delivery the authors give a full picture of common concerns and difficulties and how to

successfully meet them and support children from 3 11 and the transition to secondary school Topics covered include platonic friendships developing self respect and respect for others and enabling personal choice and safety Sacha Mason and Richard Woolley explore issues surrounding notions of age and stage development They discuss how children develop at different rates and that each child is unique in relation to learning in this area They outline a distinct pedagogical approach to managing children s individual needs for relationships and sex education They also look at supporting children with SEND when considering how to implement relationships education in primary schools This second edition includes new chapters on children s development and needs and developing inclusive relationships education The book has been updated throughout with summaries of the latest research case studies ideas for developing practice and signposts to key websites and resources The chapters provide all the support you need to confidently promote children s healthy development
