Sex(uality) Education for Trans and Gender Diverse Youth in Australia Barrie Shannon,2022-02-02 This book examines young trans and gender diverse Australians views of school based sex education The analysis is informed by a queer epistemology that acknowledges the systematic and institutional erasure of trans subjectivities through highly medicalised systems of categorisation Drawing on primary qualitative data the author emphasises the accounts of trans and gender diverse young people as they relate to sex education at school and how they undertake informal learning about sex gender and identity in other areas of their lives Ultimately the book problematises the assumption that the sex education classroom is the most appropriate vehicle for social justice education in relation to queer issues Queer issues and sex education tend to be packaged together discursively deliberately or by association in dominant media narratives However this discourse constrains queer identities to the realm of sex and health and therefore does not engage with the social citizenship of queer people Further this limits the capacity of schools and teachers to meaningfully explore diversity in the classroom as sex education is front and centre in the so called culture wars about gender sexuality youth and schools *The Prophecy Collection: The End Times Survival Guide, the Coming Apostasy, Russia Rising* Mark Hitchcock,2021-10 Three popular books now collected for the first time in one special edition We live in a world that seems to be on the verge of coming apart Shootings Killer viruses The threat of nuclear war All of it is just too real What is happening in our world today is moving Christians to return to the foundations of our spiritual existence Believers everywhere must get back to what matters most We must always remember our battle at its most basic level is spiritual In *The Prophecy Collection* popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what s happening and to prepare for the future through three important works *The End Times Survival Guide* *The Coming Apostasy* coauthored with Jeff Kinley *Russia Rising* As we prepare for the Lord s coming it s time to understand the biblical truths you need to know in order to face an increasingly decaying darkening world No matter what the future holds anchor your spiritual health and welfare on the immovable rock of God s Word Preparing Your Son for Every Man's Battle Stephen Arterburn,2010-11-24 Finally a
