# Shakespeares Ovid

**L. Starks-Estes**

## **Shakespeares Ovid:**

Shakespeare's Ovid A. B. Taylor, Anthony Brian Taylor, 2006-11-02 Ovid's great poem *Metamorphoses* was a source of life long fascination and inspiration for Shakespeare. He drew on its great myths throughout his career in early works like *Venus and Adonis* and *Titus Andronicus*, works of the middle period like *A Midsummer Night's Dream* and *Twelfth Night*, and late plays such as *The Winter's Tale* and *The Tempest*. This book provides a comprehensive examination of his use of Ovid's poem with contributions from international scholars. It begins by examining the use of Ovid's myth in early Elizabethan literature, a use dramatically changed by Marlowe and Shakespeare himself. It then offers detailed readings of Shakespeare's use of Ovid in a wide range of plays and poems, placing emphasis on several important but often underestimated features. The book also provides a survey of twentieth century criticism and methodology in the field. **Shakespeare's Ovid** Ovid, 1904

*Shakespeare's Ovid* Ovid, 2018-10-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. **Shakespeare's Ovid and the Spectre of the Medieval** Lindsay Ann Reid, 2018 A study of how the use of Ovid in Middle English texts affected Shakespeare's treatment of the poet. The debt owed by Shakespeare to Ovid is a major and important topic in scholarship. This book offers a fresh approach to the subject in aiming to account for the Middle English literary lenses through which Shakespeare and his contemporaries often approached Greco-Roman mythology. Drawing its principal examples from *The Two Gentlemen of Verona*, *The Taming of the Shrew*, *Romeo and Juliet*, *Lucrece*, and *Twelfth Night*, it reinvestigates a selection of moments in Shakespeare's works that have been widely identified in previous criticism as Ovidian, scrutinising their literary alchemy with an eye to uncovering how ostensibly classical references may be haunted by the under-acknowledged spectral presences of medieval intertexts and traditions. Its central concern is the mutual hauntings of Ovid, Geoffrey Chaucer, and John Gower in the early modern literary imagination; it demonstrates that Ovidian allusions to mythological figures such as Ariadne, Philomela, or Narcissus in Shakespeare's dramatic and poetic works were sometimes simultaneously mediated by the hermeneutic and affective legacies of earlier vernacular texts, including *The Legend of Good Women*, *Troilus and Criseyde*, and the *Confessio Amantis*. LINDSAY ANN REID is a Lecturer in English at the National University of Ireland, Galway. **Shakespeare's Theatre** Hugh Macrae Richmond, 2004-01-01 Under an alphabetical list of relevant terms, names, and concepts, the book reviews current knowledge

of the character and operation of theatres in Shakespeare's time with an explanation of their origins      *Shakespeare's Erotic Mythology and Ovidian Renaissance Culture* Ms Agnès Lafont, 2013-09-28 Taking cross disciplinary and comparative approaches to the volume's subject this exciting collection of essays offers a reassessment of Shakespeare's erotic and Ovidian mythology within classical and continental aesthetic contexts Through extensive examination of mythological visual and textual material scholars explore the transmission and reinvention of Ovidian eroticism in Shakespeare's plays to show how early modern artists and audiences collectively engaged in redefining ways of thinking pleasure Within the collection's broad ranging investigation of erotic mythology in Renaissance culture each chapter analyses specific instances of textual and pictorial transmission reception and adaptation Through various critical strategies contributors trace Shakespeare's use of erotic material to map out the politics and aesthetics of pleasure unravelling the ways in which mythology informs artistic creation Received acceptions of neo platonian love and the Petrarchan tensions of unattainable love are revisited with a focus on parodic and darker strains of erotic desire such as Priapic and Dionysian energies lustful fantasy and violent eros The dynamics of interacting tales is explored through their structural ability to adapt to the stage Myth in Renaissance culture ultimately emerges not merely as near inexhaustible source material for the Elizabethan and Jacobean arts but as a creative process in and of itself      *The Oxford Handbook of Shakespeare* Arthur F. Kinney, 2012 Contains forty original essays

*Shakespeare's Ovid* Ovide, 1904      *Violence, Trauma, and Virtus in Shakespeare's Roman Poems and Plays* L. Starks-Estes, 2014-07-08 Employing psychoanalysis trauma theory and materialist perspectives this book examines Shakespeare's appropriations of Ovid's poetry in his Roman poems and plays It argues that Shakespeare uses Ovid to explore violence trauma and virtus the traumatic effects of aggression sadomasochism and the shifting notions of selfhood and masculinity      **Shakespeare's Ovid** Arthur Golding, 1961

Thank you very much for downloading **Shakespeares Ovid**. Most likely you have knowledge that, people have see numerous time for their favorite books in the same way as this Shakespeares Ovid, but end happening in harmful downloads.
