the musical counterpart to the famous Francis James Child collection of English and Scottish ballads from the 13th to the 19th centuries Professor Child's canon established the texts Professor Bronson's work provides both tunes and texts Originally published in 1959 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Pioneers of Jewish Ethnography and Folkloristics in*

Eastern Europe Haya Bar-Itzhak, 2010-01-01 Knjiga zapolnjuje vrzel v poznavanju judovske etnografije in folkloristike v vzhodni Evropi in bralce seznanja z izbranimi in izjemnimi prispevki raziskovalcev ki so teoretično gradili disciplino v času ko so bile judovske etnološke raziskave v zametkih Ob predstavitvi izjemnih dosežkov posameznikov prinaša tudi prevode nekaterih njihovih najpomembnejših del **The North American Review**, 1836 *The Shakespearean International*

Yearbook Graham Bradshaw, Tom Bishop, 2017-05-15 This eighth volume of The Shakespearean International Yearbook presents a special section on European Shakespeares proceeding from the claim that Shakespeare's literary craft was not just native English or British but was filtered and fashioned through a Renaissance awareness that needs to be recognized as European and that has had effects and afterlives across the Continent Guest editors Ton Hoenselaars and Clara Calvo have constructed this section to highlight both how the spread of Shakespeare throughout Europe has brought together the energies of a wide variety of European cultures across several centuries and how the inclusion of Shakespeare in European culture has been not only a European but also a world affair The Shakespearean International Yearbook continues to provide an annual survey of important issues and developments in contemporary Shakespeare studies Contributors to this issue come from the US and the UK Spain Switzerland and South Africa Canada The Netherlands India Portugal Greece France and Hungary In addition to the section on European Shakespeares this volume includes essays on the genre of romance issues of character and other topics **The Crowning of a Poet's Quest** Paola Loreto, 2009 This first extended study of Derek

Walcott's *Tiepolo's Hound* 2000 defines the book as the culmination of the poetry and poetics of the Caribbean writer and Nobel Prize winner In this long poem Walcott achieves three goals pursued throughout his career to develop an original Caribbean aesthetic to meld the modes of poetry and prose and to formulate the *Bildung* of the island artist in terms of an autobiographical narrative The analysis provides an aesthetic and cultural evaluation of the poem in terms both of the Western poetic tradition to which it refers through its rich intertextuality and of its significance as a postcolonial milestone

The commentary locates Walcott in an aesthetic tradition running from Emerson through the American Pragmatists to modernist poets describes his experimental use of certain central narrative strategies in his semi autobiographical long poems which is compared to those of another openly admired bilingual writer Vladimir Nabokov explores Walcott's revision of the epic mode and of the genre of autobiography delineates his unfolding of a post Romantic internalization of the poet's Arthurian quest and discusses his complex treatment of the multi layered metaphor of light as major evidence of the maturity of his style and poetic with their conscious cross fertilization between the literary cultures of Europe and the Caribbean An appendix to this study contains the transcriptions of various Walcott events that took place in Italy in the summers of 2000 and 2001 including a creative writing seminar a press conference and readings This extensive material opens a window onto Walcott's gifts as a teacher to his stringent yet passionate commitment to the art of poetry and to the ways in which he and his students grapple with the challenges of literary translation

Epic of the Earth Edith Hall, 2025-03-18 An urgent study of Homer's Iliad exposing the beginnings of the ecological disaster we now face and facilitating our understanding of its history The roots of today's environmental catastrophe run deep into humanity's past Through this unprecedented reading of Homer's Iliad the award winning classicist Edith Hall examines how this foundational text both documents the environmental practices of the ancient Greeks and betrays an awareness of the dangers posed by the destruction of the natural landscape Underlying Homer's account of brutal military operations alliances and cataclysmic struggle is a palpable understanding that the direction in which humanity was headed could create a world that was uninhabitable Hall provides unparalleled insight into the ancient origins of climate change and argues that the Iliad exposes the deepest contradictions behind the environmental problems we have created Indeed it is possible that some of the violence done to the environment throughout history has been authorized if not exacerbated by the celebration of the exploitation of nature in Homer's poem Drawing compelling analogies to contemporary poetry literature and film Hall demonstrates that the Iliad as a priceless document of the mindset of early humans can help us understand the long history of ecological degradation and inspire activism to rescue our planet from disaster

The English and Scottish Popular Ballads Francis James Child, 2012-10-31 This classic 19th century survey offers absolute fidelity to original texts as well as invaluable commentary by Francis James Child Volume 1 includes Parts I and II of the original set ballads 1-53
