Louisa May Alcott An Intimate Anthology:

Louisa May Alcott Louisa May Alcott,1997 In this intimate anthology of letters poems stories and other personal and literary writing by Louisa May Alcott an often surprising portrait emerges of this pioneering writer The author and her world are brought even more vividly to life with rare photographs and handwritten manuscripts and letters from The New York Public Library s extensive collections Louisa May Alcott Susan Cheever,2011-11-08 Examines the life of Louisa May Alcott discussing her family relationships works rejection of marriage and other related topics Louisa May Alcott Harriet Reisen,2010-10-25 PBS and HBO documentary scriptwriter Harriet Reisen reveals the extraordinary woman behind the beloved American classic as never before Louisa May Alcott is the perfect gift for fans of Little Women and of Greta Gerwig s adaptation starring Meryl Streep Emma Watson and Saoirse Ronan At last Louisa May Alcott has the biography that admirers of Little Women might have hoped for The Wall Street Journal s 10 Best Books of the Year A fresh modern take on the remarkable Louisa May Alcott Harriet Reisen s vivid biography explores the author s life in the context of her works many of which are to some extent autobiographical Although Alcott secretly wrote pulp fiction harbored radical abolitionist views and served as a Civil War nurse her novels went on to sell more copies than those of Herman Melville and Henry James Stories and details culled from Alcott s journals together with revealing letters to family friends and publishers plus recollections of her famous contemporaries provide the basis for this lively account of the author s classic rags to riches tale The Norton Anthology of Literature by Women Sandra M. Gilbert,Susan Gubar,2007 Long the standard teaching anthology the landmark Norton Anthology of Literature by Women has introduced generations of readers to the rich variety of women s writing in English **Reclaiming Authorship** Susan S. Williams,2013-06-15 There was in the nineteenth century a distinction made between writers and authors Susan S Williams notes the former defined as those who composed primarily from mere experience or observation rather than from the unique genius or imagination of the latter If women were more often cast as writers than authors by the literary establishment there also emerged in magazines advice books fictional accounts and letters a specific model of female authorship one that valorized natural feminine traits such as observation and emphasis on detail while also representing the distance between amateur writing and professional authorship Attending to biographical and cultural contexts and offering fresh readings of literary works Reclaiming Authorship focuses on the complex ways writers such as Maria S Cummins Louisa May Alcott Elizabeth Keckley Mary Abigail Dodge Elizabeth Stuart Phelps and Constance Fenimore Woolson put this model of female authorship into practice Williams shows how it sometimes intersected with prevailing notions of male authorship and sometimes diverged from them and how it is often precisely those moments of divergence when authorship was reclaimed by women The current trend to examine women writers rather than authors marks a full rotation of the circle and writers can indeed be the more capacious term embracing producers of everything from letters and diaries to published books Yet certain nineteenth century women made particular efforts to claim the title

author Williams demonstrates and we miss something of significance by ignoring their efforts **Honor in Concord**
 Cathryn McIntyre, 2008-07 The writers of Concord Massachusetts literary past are alive in present day in Honor in Concord
 They appear as characters who struggle between their need for freedom and self determination and the sense of
 responsibility they feel toward the commitments they have made Do the commitments we make define or limit us Is freedom
 an illusion Are we ever truly free Honor in Concord also asks What if we choose to honor our lives What if we choose to honor
 who we are and who others determine themselves to be What if we choose to honor the commitments we ve made to
 ourselves and others leaving our hearts intact rather than allowing our lives to shatter out of a sense of boredom or regret or
 out of the mistaken belief that none of it matters anyway The message here is that all that we think say and do has meaning
 Our actions and intentions make up the very essence of who we are and help to form the circumstances of the world in which
 we live In Honor in Concord the author s own story is also told What results is a weave of fiction and fact that includes
 extraordinary moments from her own life as well as poignant images that she draws from Concord s literary past like that of
 Thoreau in his final days struggling to complete his essay Walking Hawthorne drifting into the sea of infinity as he writes and
 Martha Hunt s act of purification in the waters of the Concord River It is through this mix of reality and imagination that we
 see the link that exists between the present and the past and we are reminded of the presence of spirit in our lives We are
 reminded of what Emerson called the infinitude of the soul *Scribbles, Sorrows, and Russet Leather Boots: The Life of*
Louisa May Alcott Liz Rosenberg, 2021-10-12 Insightful exciting and deeply moving Liz Rosenberg s distinctive portrait of the
 author of Little Women reveals some of her life s more complex and daring aspects Moody and restless teenage Louisa
 longed for freedom Faced with the expectations of her loving but hapless family the Alcotts and of nineteenth century New
 England society Louisa struggled to find her place On long meandering runs through the woods behind Orchard House she
 thought about a future where she could write and think and dream Undaunted by periods of abject poverty and enriched by
 friendships with some of the greatest minds of her time and place she was determined to have this future no matter the cost
 Drawing on the surviving journals and letters of Louisa and her family and friends author and poet Liz Rosenberg reunites
 Louisa May Alcott with her most ardent readers In this warm and sometimes heartbreaking biography Rosenberg delves
 deep into the oftentimes secretive life of a woman who was ahead of her time imbued with social conscience and always
 moving toward her future with a determination that would bring her fame tragedy and the realization of her biggest dreams

The Matrilineal Heritage of Louisa May Alcott and Christina Rossetti Azelina Flint, 2021-07-29 In an unprecedented comparison of two of the most important female authors of the nineteenth century Azelina Flint foregrounds the influence of the religious communities that shaped Louisa May Alcott's and Christina Rossetti's visions of female creativity In the early stages of the authors careers their artistic developments were associated with their patrilineal connections to two artistic movements that shaped the course of American and British history the Transcendentalists and Pre Raphaelites Flint uncovers the authors rejections of the individualistic outlooks of these movements demonstrating that Alcott and Rossetti affiliated themselves with their mothers and sisters religious faith Applying the methodological framework of women's mysticism Flint reveals that Alcott's and Rossetti's religious beliefs were shaped by the devotional practices and life writing texts of their matrilineal communities Here the authors iconic portrayals of female artists are examined in light of the examples of their mothers and sisters for the first time Flint recovers a number of unpublished life writings including commonplace albums and juvenile newspapers introducing readers to early versions of the authors iconic works These recovered texts indicate that Alcott and Rossetti portrayed the female artist as a mouthpiece for a wider community of women committed to social justice and divine communion By drawing attention to the parallels in the authors familial affiliations and religious beliefs Flint recuperates a tradition of nineteenth century women's mysticism that departs from the individualistic models of male literary traditions to locate female empowerment in gynocentric relationships dedicated to achieving a shared revelation of God
