Whether you're looking for designer labels within the city's luxury fashion district, prefer to browse the city's boutiques or pick up some quality vintage at the city's vintage shops and markets, this is the guide that will tell you where to go. Split into geographical sections along with relevant maps, cultural highlights and suggestions for where to eat and drink, it places Milan as the city of fashion within the context of Italian fashion history and a city that brings the stories of its people to life.
