## Love At The Heart Of Things:

**The Heart of Things** A.C. Grayling, 2010-12-09 The new bestseller from one of Britain's most pre-eminent philosophers and arguably the best known A.C. Grayling. Everyone wishes to live a life that is satisfying and fulfilling in which there is achievement and pleasure and which has the respect of people one in turn respects. And one of the fundamentals to living such a life is to reflect on the choices we make. In this new collection A.C. Grayling invites the reader into a conversation with ideas. From personal questions about happiness and quality of life to wider public concerns such as war and democracy, these essays provide a springboard to thought and to exploring what is best about the human heart and mind. [The Mystery at the Heart of Things](#) Phillip S. Washburn, 2008-12 *The Heart of Things* John Hildebrand, 2014-08-18 I've never believed that living in one place means being one thing all the time, condemned like Minnie Pearl to wear the same hat for every performance. Life is more complicated than that. In this remarkable book of days, John Hildebrand charts the overlapping rings of home, town, countryside of life in the Midwest. Like E.B. White, Hildebrand locates the humor and drama in ordinary life: church suppers, Friday night football, outdoor weddings, garden compost, family reunions, roadside memorials, camouflage clothing. In these wry, sharply observed essays, the Midwest isn't The Land Time Forgot, but a more complicated and vastly more interesting place where the good life awaits once we figure exactly out what it means. From his home range in northwestern Wisconsin, Hildebrand attempts to do just that by boiling down a calendar year to its rich marrow of weather, animals, family, home. In other words, all the things that matter. *Love at the Heart of Things* Douglas V. Steele, 1998-04-01 [The Distance from the Heart of Things](#) Ashley Warlick, 1997-06-18 In South Carolina, a woman returns home from college with a bookkeeping degree to help her grandfather run his vineyards. The novel describes her life amid a gallery of characters from an uncle, her age, whom she loves to a friend who boasts she never wears underwear. A first novel. [Outsider at the Heart of Things](#) Richard P. Blackmur, 1989 **In the Heart of the Valley of Love** Cynthia Kadohata, 1997-04-14 This novel explores human relationships in a Los Angeles of the future where rich and poor are deeply polarized and where water, food, gas, and education cannot be taken for granted. [The Small Heart of Things](#) Julian Hoffman, 2013-10-15 In *The Small Heart of Things*, Julian Hoffman intimately examines the myriad ways in which connections to the natural world can be deepened through an equality of perception: whether it's a caterpillar carrying its house of leaves, transhumant shepherds ranging high mountain pastures, a quail taking cover on an empty steppe, or a Turkmen family emigrating from Afghanistan to Istanbul. The narrative spans the common and often contested ground that supports human and natural communities alike, seeking the unsung stories that sustain us. Guided by the belief of Rainer Maria Rilke that everything beckons us to perceive it, Hoffman explores the area around the Prespa Lakes, the first transboundary park in the Balkans, shared by Greece, Albania, and the former Yugoslav Republic of Macedonia. From there, he travels widely to regions rarely written about, exploring the idea that home is wherever we happen to be if we accord that place our close and patient attention. *The Small Heart of Things* is a

book about looking and listening It incorporates travel and natural history writing that interweaves human stories with those of wild creatures Distinguished by Hoffman s belief that through awareness curiosity and openness we have the potential to forge abiding relationships with a range of places it illuminates how these many connections can teach us to be at home in the world
