Poetics of Love in the Arabic Novel Wen-chin Ouyang, 2012-06-20 Considers the Arabic novel within the triangle of the nation state modernity and tradition Wen Chin Ouyang explores the development of the Arabic novel especially the ways in it engages with aesthetics ethics and politics in a cross cultural context and from a transnational perspective Taking love and desire as the central tropes the story of the Arabic novel is presented as a series of failed illegitimate love affairs all tainted by its suspicion of the legitimacy of the nation modernity and tradition and above all by its misgiving about its own propriety

Stones: A Novel of Art, Love, Intrigue and Magic in the South of France David A. Ross, 2010-04 A novel of art love intrigue and magic in the South of France *A Love of Reading* Robert Adams, 2011-01-14 Every year Robert Adams prepares a series of five reviews of contemporary novels to be delivered alone on a theatre stage to sold out audiences in Toronto and Montreal In *A Love of Reading* Adams has now gathered 18 of his most brilliant reviews from Jack Maggs by Peter Carey and *The Poisonwood Bible* by Barbara Kingsolver to *A Fine Balance* by Rohinton Mistry and *Barney s Version* by Mordecai Richler In them he skillfully interweaves a nimble and entertaining discussion of plot theme and characterization with fascinating historical biographical and literary context He is repeatedly drawn to the spectacle of less than perfect humans making their way in a hostile world and as a result a review by Robert Adams is almost always a hugely satisfying mix of rich pathos and abundant humour Famously Adams reads a book a day from which he selects only those novels that are truly extraordinary that have made him see some part of the world or some aspect of the human condition in a new light because for Adams the best books always take the reader on a journey with a destination very distant from the point of departure It should be not only a journey of discovery an exploration of the author s vision but also of risk By matching one s own vision to that of the author says Adams the reader enters an exciting negotiation to produce a new vision of his own This joint enterprise between reader and writer the shared risk and the wonder of discovery is the foundation of *A Love of Reading* For the last six years Robert Adams has presented an annual

series of book reviews to sold out audiences Eighty per cent of Adams 3 000 subscribers in Toronto and Montreal renew for the following season This book is a selection of modern classics from a discriminating and entertaining guide Perfect for reading groups Quill Quire noting the jump in sales of any book reviewed by Adams has called the phenomenon The Adams Effect
