Sukari,2018-03-28 One cannot fail to see this exquisite flower and its inspired wisdom and beauty She blooms into self reverence and victory of the spirit embodying strength from the earths sun kissed sky while emerging from a

dirty pond of muddy waters full of life's painful lessons and persecution. She is the womb of the world, a symbol of love, hope, peace, and purity. Never fully sprouting her petals, her center is protected by her half-opened wings, not exposing her to vulnerability for observation until the day the enchanting, bodacious butterfly interrupts her blossom and eloquently flutters his way into her core, settling comfortably on her petals for a while. Her delicacy is exposed as he tastes her fragile innocence, and she begins to learn the lessons behind the beauty, charm, and deception of the butterfly. She becomes infused in a spiritual awakening, the enlightening, the rebirth, and the resurrection, discovering for herself her succulent core. **Harm**

Done Shane Allison, 2017-09-12. A college professor's romantic relationship with one of her students who also happens to be her best friend's son leads to turmoil among the three in this tale of sex, suspense, and shattered dreams. Shariiece Houston appears to have everything going for her: she's a successful college professor and has recently found love. The only problem is that she has to keep her relationship a secret since it's with her student Emjay Fox, who just happens to be her best friend's son. Torn between her friendship with her best friend Leandra and her love for Emjay, she must also deal with Myrick, her obsessed serial killer ex-boyfriend who will do anything to get back the woman he loves. A tawdry, steamy, and heart-pounding tale of love gone wrong, blackmail, scandal, and the secrets lovers tell one another. **Harm Done** is a riveting and suspenseful romance.

Enterludes G. Nadine, 2010-07-08. We should talk about love. We should talk about lust. We should talk about sex. We should talk about the aftermath. We should talk about the spirit. We can talk. We must talk. Let's converse. Nadine G. Enterludes is a collection of poetry that depicts a common human experience. The reader takes a journey through love, misdirection, and finding self while exploring the entities one allows to enter one's life. Chapter one, Love, explores the pitter-patter we get in our hearts as children; it explores the fantasies of love and begins to illustrate how these ideals often contradict the realities of love. This section of the book discusses the feelings that love evokes, which are often pleasant in nature. However, it also explores the concept of defining love and identifying whether or not one truly knows real love. The ideals of love become more convoluted when lust enters the picture. Chapter two, Lust, illustrates the temptation to move from that which is heart-felt to that which is physically felt. Lust is often described as a deadly sin, yet it is very alluring and promotes immediate gratification without any thought of consequence. Lust is a powerful thought that often leads to actions. Chapter three, Sex, acknowledges the feelings and emotions evoked when temptation wins and actions are taken. It discusses a thirst quenched and the pleasures that arise from physical connection. It also alludes to the dangers of acting with only the thought of immediate satisfaction without thought of long-lasting consequence. Chapter four, The Aftermath, becomes the voice of reason as one has to face the plethora of consequences that surround each decision. It explores the law of nature: every action has a reaction. Taking action of lust can cause consequences that can taint the beauty of love. The dilemma then arises: how does one know whether their actions are based on love or based on lust? Chapter five, Spirit, allows for the true definition of love to be explored by utilizing the lessons learned throughout the journey. A higher level of consciousness is explored as both positive

and negative repercussions are deconstructed Love begins to be redefined and no longer partialized Spirit teaches a simple lesson what one allows to enter into the home will dictate how one lives It sparks the questions What is important to you What will you continue to allow into your life Is it a spirit of love Is it a spirit of lust Is it a spirit of sex Is it a spirit of self Is it a spirit of God What are your Enterludes The author Nadine G states penetration is lasting and deep touching every corner of your soul The truth the physical affects the body mind and spirit She encourages the reader to converse embrace your own Enterludes as life lessons and be mindful of all that enters your life The purpose of the book is to spark dialogue about love lust sex the aftermath and the spirit In her words let s converse *Flipping the Fairytale* Cindi Laree,2018-03-06

Collection of Poetry Wayne Anderson,2022-01-11 Somewhere beyond My wildest dreams There is a place Where peace

is always still A place Where Words of love Are always spoken A place Where brothers and sisters From different nations Live together In one beautiful neighborhood Somewhere Beyond the stars in the sky There is a place Where tears of joy Flow Like Rivers of water A place where The crooked Is made straight Imagine if you will A place That is so beautiful It overcomes All The pain and suffering That this life has to offer In this place There are no wars No murders and no prisons One day We will close our eyes To this life And lift them up In the world of eternity My Soul Yearns for this place It s a place my Spirit calls home It s also a place I belong That place is called Heaven
